THOMAS
JEFFERSON HIGH SCHOOL
Dallas, Texas • Volume X

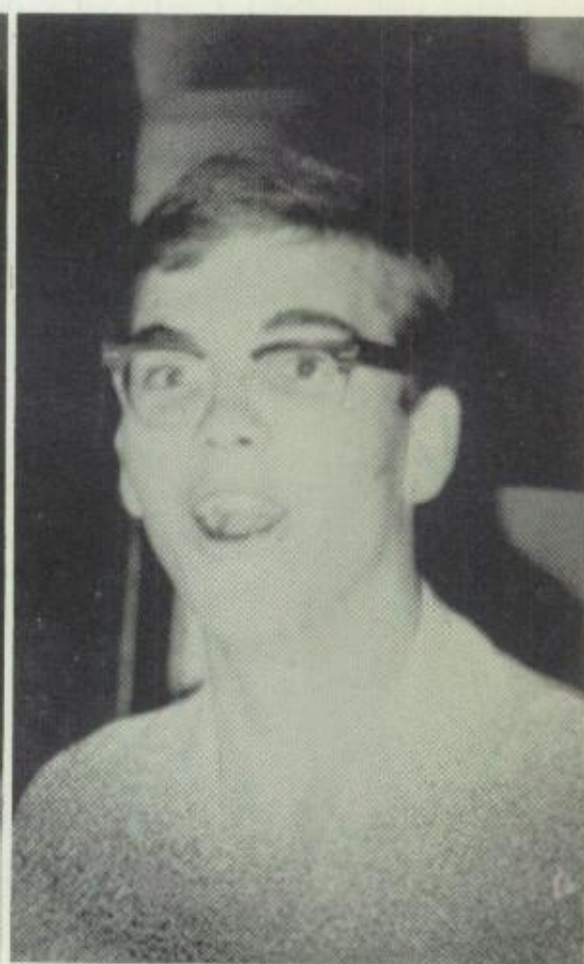

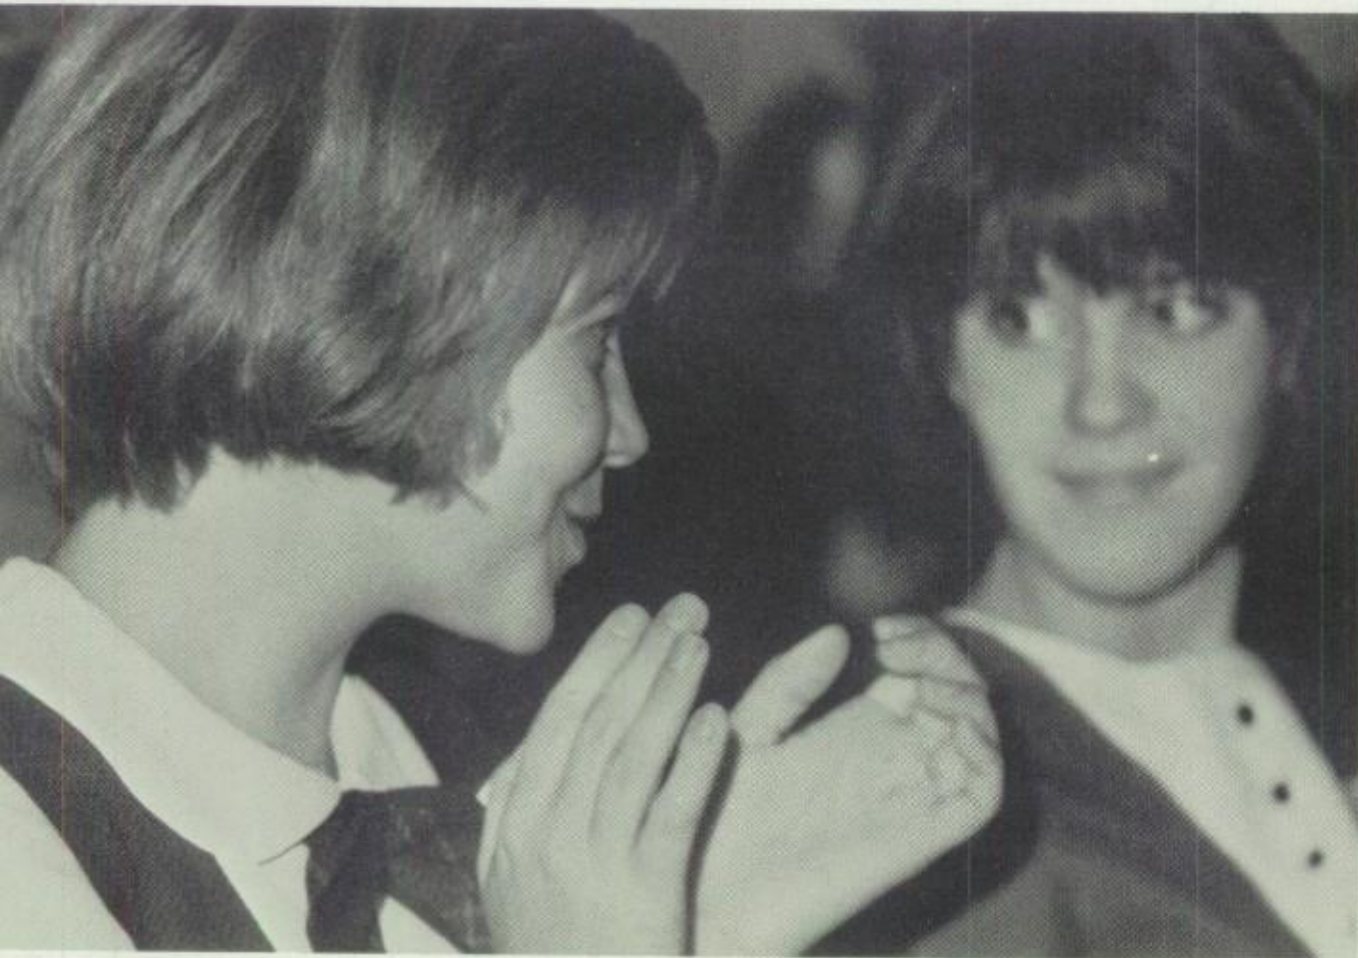

For Every Action, There Is a . . .

. . . Reaction

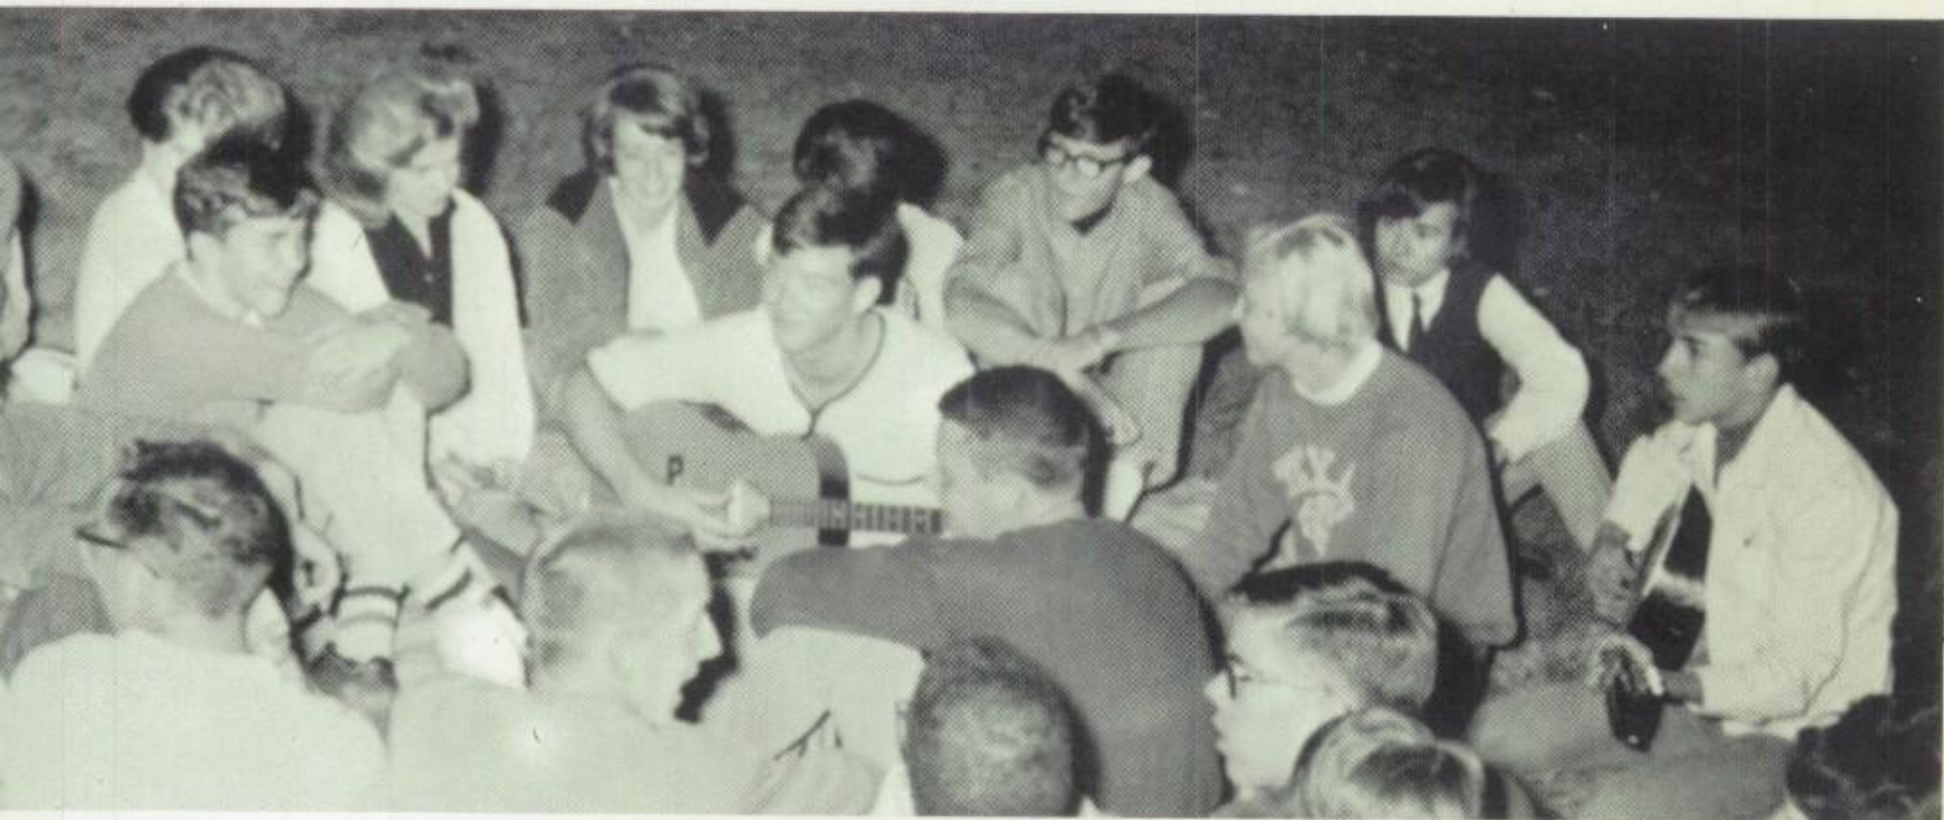

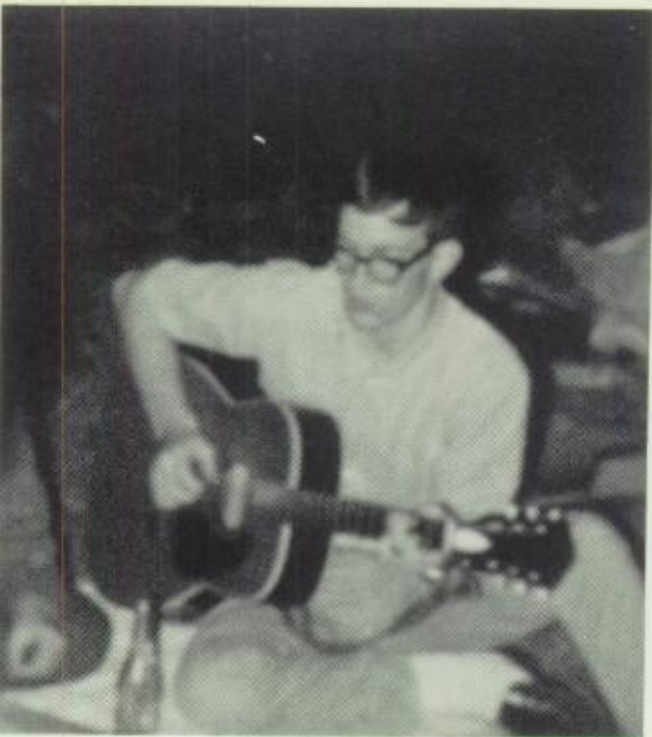

Newton's law, "For every action there is a . . . reaction", applies not only to science but also to people. Life is composed of actions and reactions. There are the actor's actions and the audience's reactions of applause and laughter; the action of a touchdown and the reaction of cheers from the stands; the action of the flags being raised and the reaction of patriotism; and many others. The story of TJ, 1966, can be read not only in the actions or events of the year but also can be read in the faces of the students and faculty.

We Respond to . . .

a blazing fire
a singing guitar
a snipe hunt
a starry sky
a burnt hotdog
and one another

Action *Equals* Reaction

The fellowship provided by the extracurricular activities of Thomas Jefferson students provides another branch of our theme. Each of the activities represented in these pictures could easily reveal either an action or a reaction. Who knows? It is then possible to say that one action is actually a reaction to a previous action. For example, the action of a football game is, in reality, a reaction to the cheers of the supporters in the stands. So, through the extracurricular facet of Thomas Jefferson's personality, it is found that action *equals* reaction.

*The flag is
But the patriotism behind it.*

Pride, hope, patriotism—these are a few of the emotions we share as we see the flag raised. There are other times we experience common reactions: the bewilderment of the first day of school, the rush from the parking lot, and the spirit of the Homecoming pep assembly. Our shared reactions unite us into one body, the Thomas Jefferson Rebels.

Dedication '66

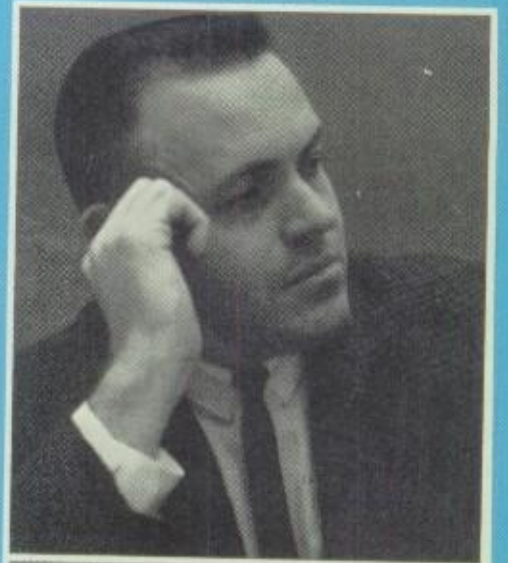

Coach Barry Dowd

... For his dedicated teaching of American history in such a way that stimulates curiosity about our heritage;
... For his unselfish devotion and undaunted support in coaching the famed Thomas Jefferson basketball team;
... For his high morals and ideals which command the greatest respect; and,
... For his friendly personality which has endeared him to the student body in a way that makes him a special friend.

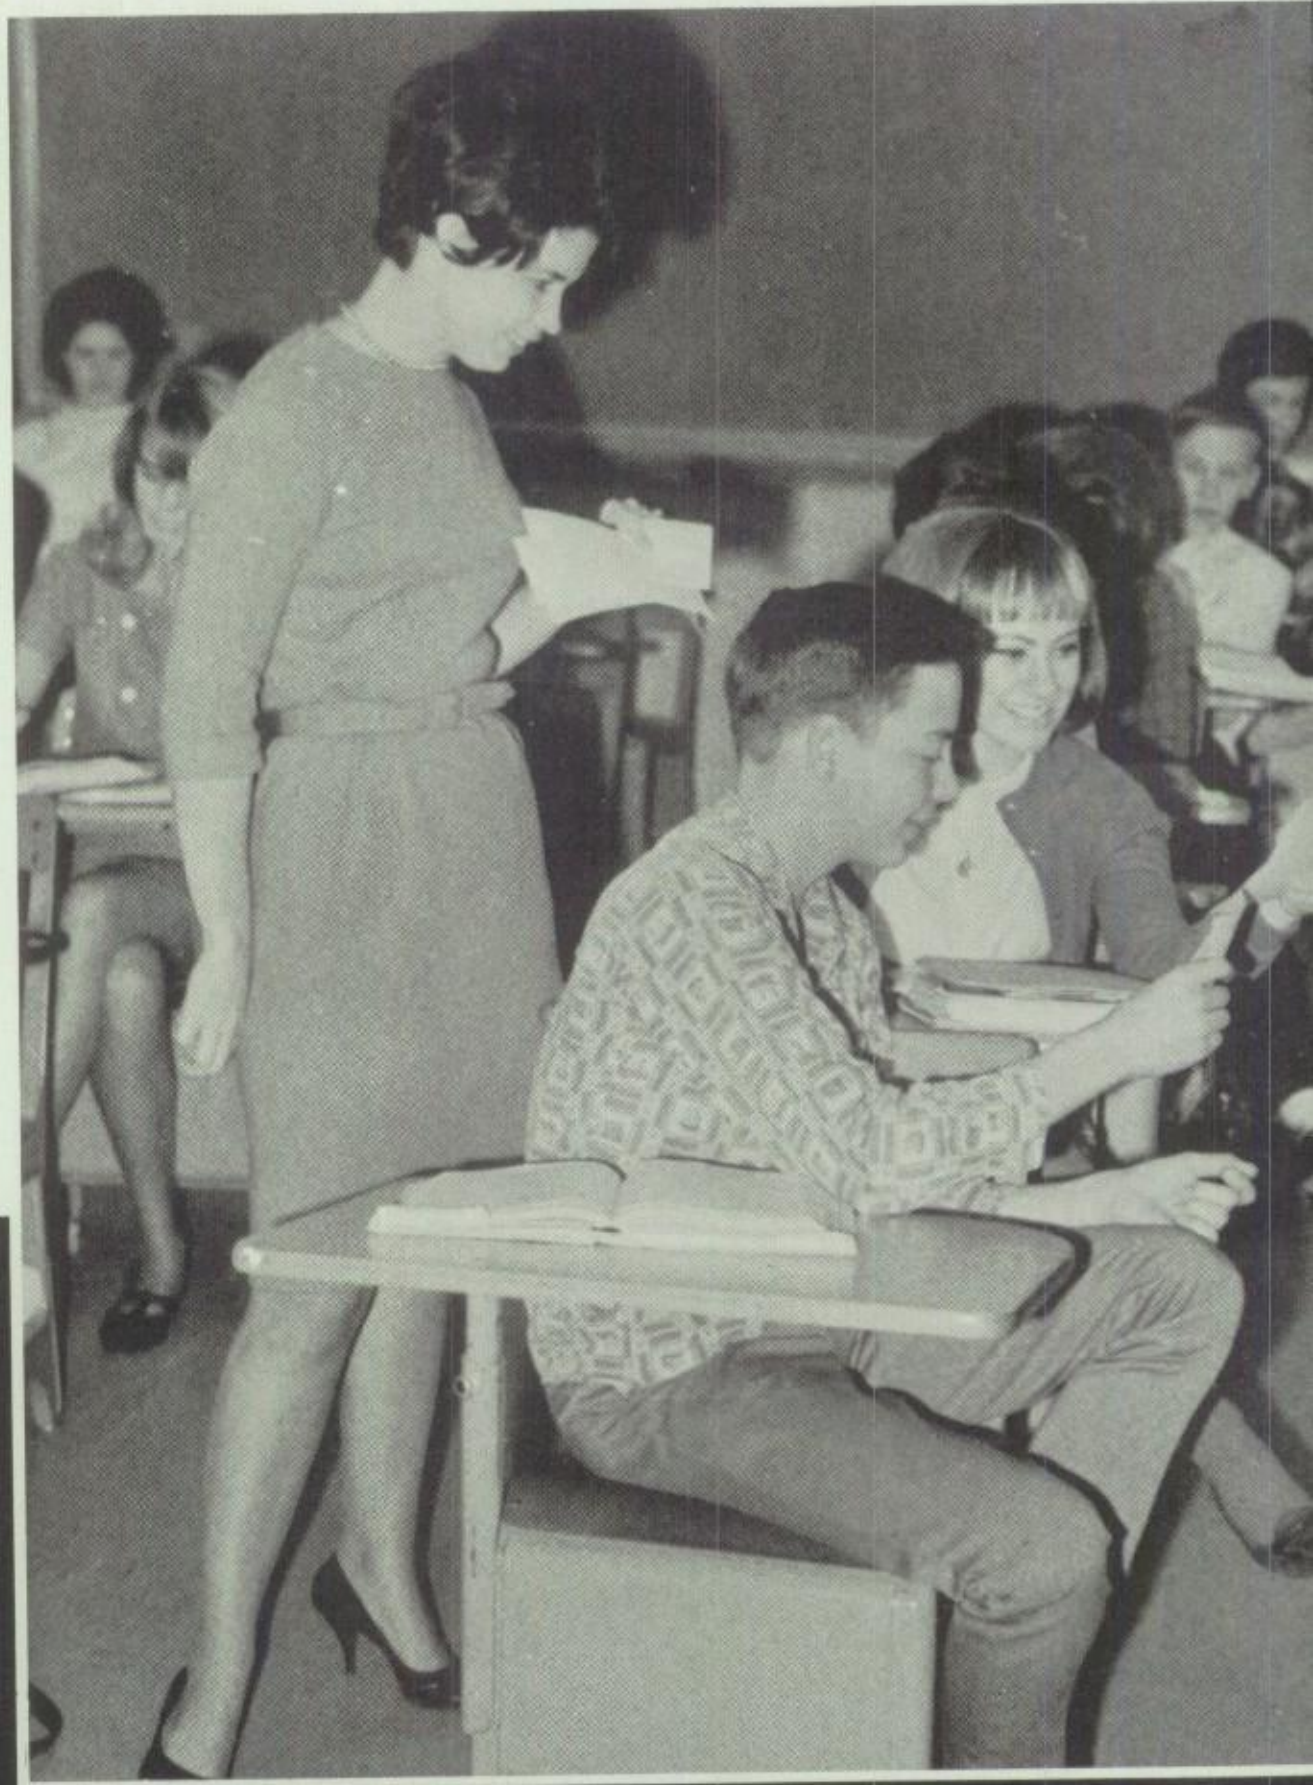

For these things and for the warmth that his outstanding character adds to the student and faculty life at Thomas Jefferson, we, the 1966 *Document* staff, proudly dedicate our yearbook to Coach Barry Dowd.

Mr. Barry Dowd

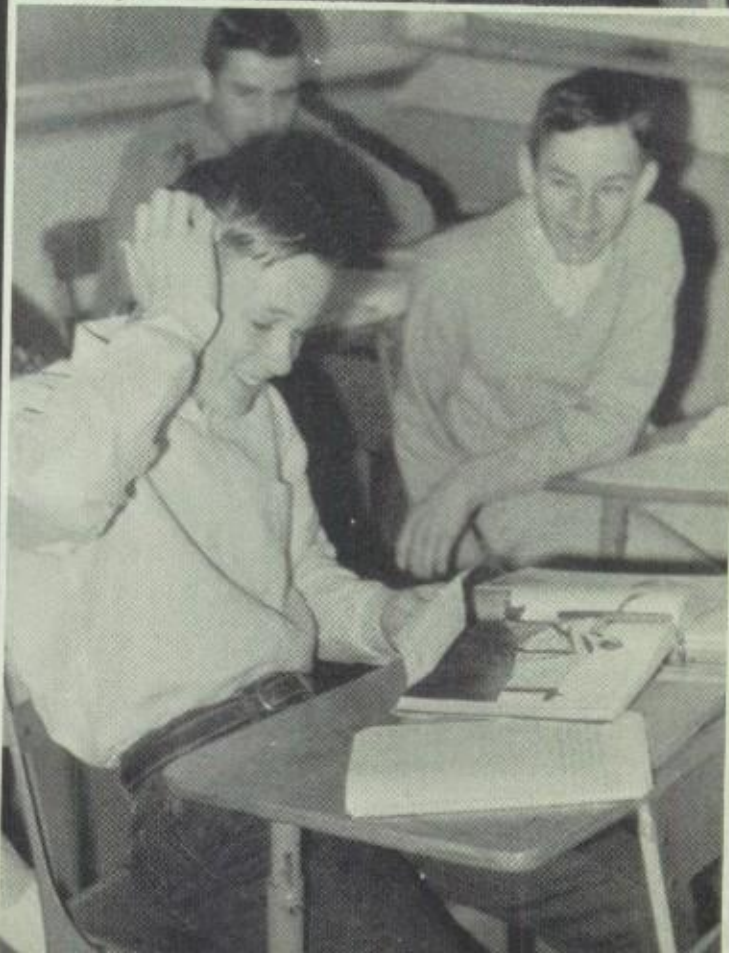

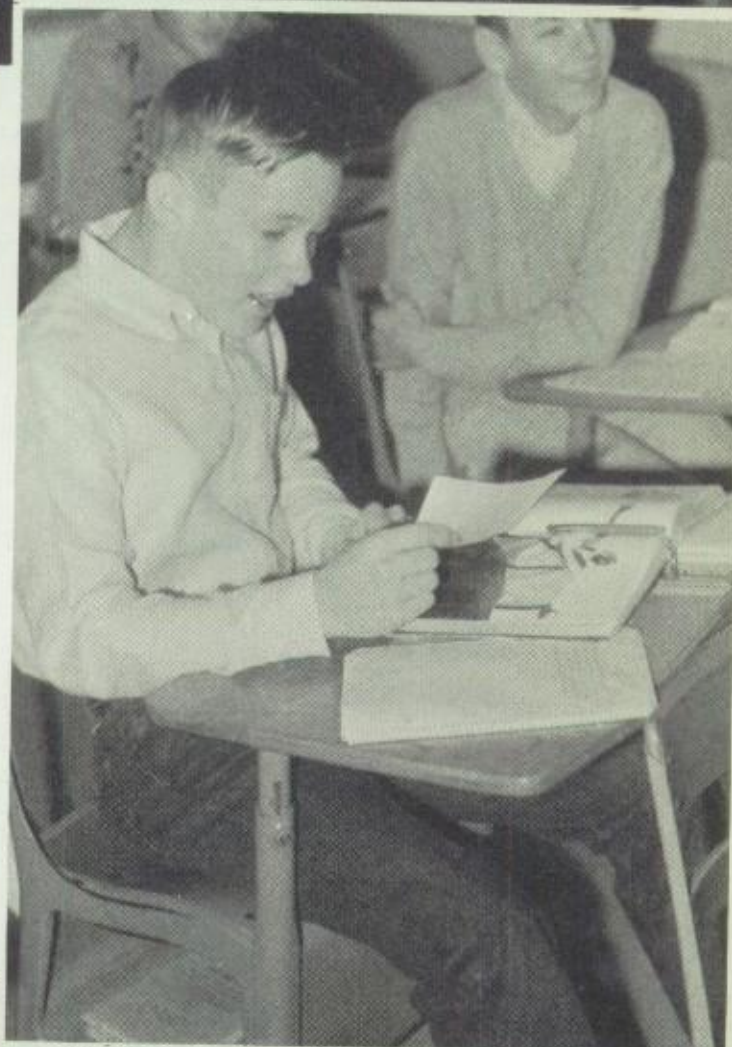

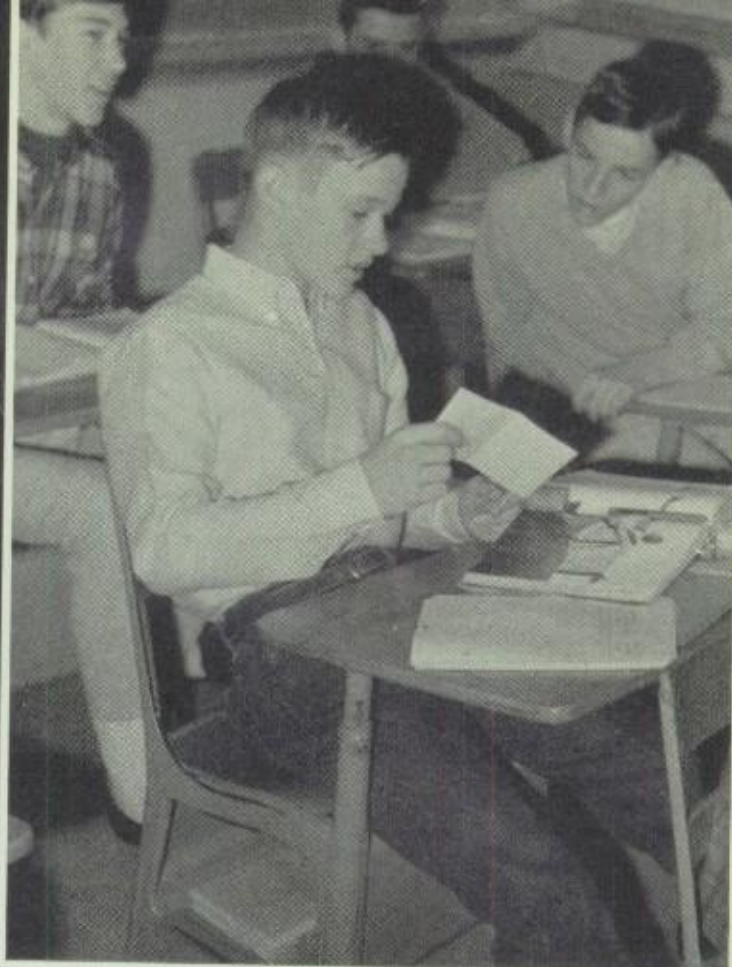

ADMINISTRATION

The distribution of report cards marks the end of another six weeks and symbolizes the communication of thoughts and ideas prior to this time. Through this communication the administration tries to instill in the students the knowledge to meet the challenges of the future.

"For Every Action there is a . . . Reaction."

Administrative Officers

The Superintendent and Administrative staff interpret the program of education to the Board of Education and the public. The Administration

selects, assigns personnel and is responsible for operation and functioning of schools in accordance with the policies of the Board of Education.

Left to right: Hollis Allen, Assistant Superintendent—Administration; Don E. Matthews, Assistant Superintendent—Special Services; Dale Douglas, Assistant Superintendent—Business; C. C. Miller, Assistant Superintendent—Organization; Dr. W. T. White, Superintendent

of Schools; Robert H. McKay, Assistant Superintendent—Operations; Dr. Frank L. Williams, Assistant Superintendent—Instruction; Dr. E. D. Walker, Assistant Superintendent—Personnel.

Board of Education

The Board of Education evaluates the effectiveness of the educational program, directs expenditures of the

school system, and informs the public of the educational, financial, and physical needs of the schools.

Left to right: James E. Joy; John Plath Green; Mrs. Vernon D. Ingram; J. Willard Gragg; Robert S. Folsom; Dr. W. T.

White; Donald M. Bruton; Lee A. McShan, Jr.; Percy E. Luecke, Jr.; Field Scovell.

Mr. C. C. Smith, Principal

Mr. Smith is an efficient administrator and finds time to attend and support the extracurricular activities of the Thomas Jefferson student body. He received his Bachelor of Arts degree from Austin College and his Master's degree from S.M.U. During World War II, Mr. Smith served as a naval officer; and before assuming the duties of principal at T.J., he was principal at several other schools in Dallas and other cities. We are indeed fortunate to have such a qualified and enthusiastic administrator as Mr. Smith.

Mr. Smith approves *Document* with Terrie Seltzer and Miss Kimmell, *Document* sponsor.

Mr. J. H. Malone, Assistant Principal

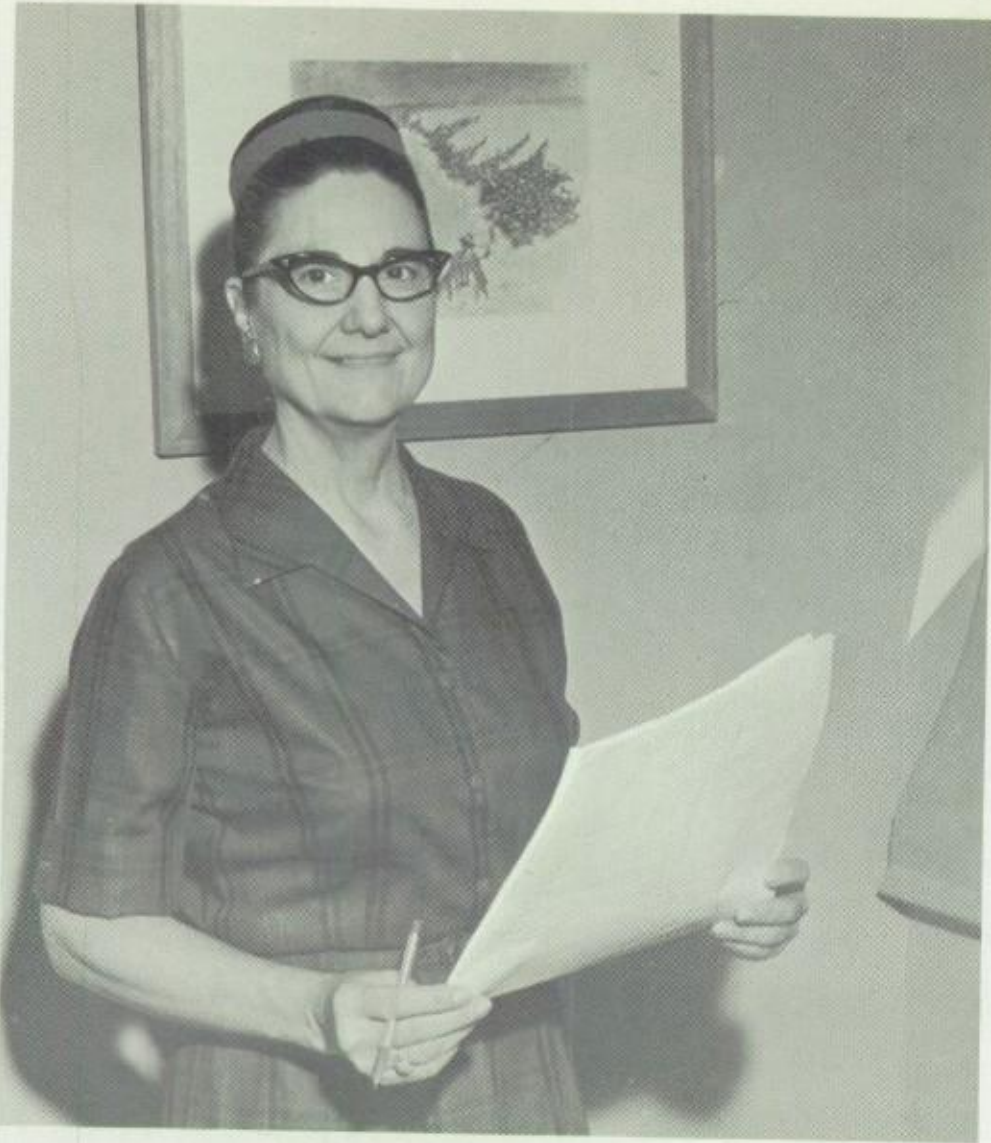

Among his many responsibilities, Mr. Malone administers student disciplinary action.

Mr. Malone received his Bachelor of Science degree from NTSU and his Master of Education degree from SMU. His teaching experiences include being a naval instructor during World War II and a former basketball coach at Merce University in Macon, Georgia. Because of his congenial personality, Mr. Malone is admired by both the faculty and the student body.

In the background is one of Mr. Malone's favorite paintings by his wife, a portrait of a rebel.

Counselors Advise and Assist Students Throughout High School

Mrs. Edith Cooper, Counselor for Pupil Personnel

Mrs. Cooper has served as Counselor for Pupil Personnel for nine years. She obtained B.S. and M.S. degrees from NTSU. In addition to counseling duties, Mrs. Cooper handles the program known as American Field Service through which she makes lasting friendships with foreign exchange students.

Compiling college test scores, sending Senior transcripts, and recommending courses suited to the needs of the individual are only a few of the many jobs of the Counselors. Despite the large enrollment at T.J., Counselors give each student personal assistance.

Rebels get acquainted at an after school party initiated by the Student Council.

September . . .

Football and Fun

As the new school year opened, new experiences awaited all students. The sophomores eagerly anticipated the new idea of high school; the juniors looked forward to their second year as Rebels. The Seniors found it difficult to forget the thought of May and graduation just a short nine months away.

A Student Council party in the courtyard on September 14 gave Thomas Jefferson students a chance to get acquainted. The XL's provided the music, and refreshments were supplied by the newly-organized Student Council.

The first football game and pep rally with Turner High School gave the Rebels an excellent opportunity to show the famed Rebel spirit. So the 1965 school year began, and the students eagerly waited for the coming nine months filled with study and fun.

Sophomores puzzle over maps of the school on the first day at TJ.

Patsy Mitchell tells the Rebels the advantages of Junior Achievement.

T.J. Greets Students From

Dear Rebels,

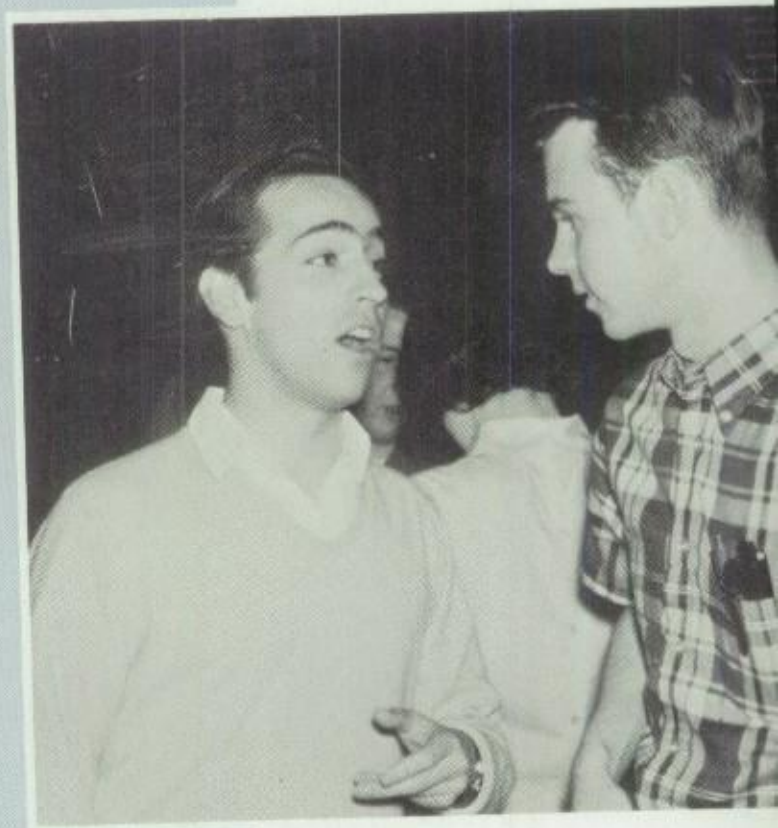

It's been a wonderful year for me in Texas with lots of experiences in Big D and in the great school, T. J. Rebels have much school spirit in both pep assemblies and in football and basketball games. I feel I am a part of the school along with many Rebs. Thomas Jefferson teachers and students have been very friendly and helpful to me.

I notice that you are very responsible and do a lot. I'm very fond of the work of the Student Council which shows the capabilities of young Americans today. I also like your having various courses for individual's interests and abilities to study besides plenty of clubs and activities.

American Field Service gives me the great opportunity to know many of you, learn your way of life, and of the U.S. in general in order to promote a better understanding between us and our countries. I learned a lot and gained much from my experiences of living with the Whitesides and of studying different subjects concerning the United States. When I go home, I will relate this expression to the people of my country. They will understand the U.S. better and I hope you will remember me, too, despite the fact that we live half the way around the world.

Lots of thanks to you all for this wonderful year.

Love and Sawaddee,
Chawee

**CHAWEEWAN
SILAPACHARANAN
Thailand**

Thailand and Argentina

NORBERTO BADANO Argentina

Dear T.J.'ers,

Big "D", Thomas Jefferson, the Lowerre family—these simple words mean for me something invaluable for my present and especially for my future.

All these incredible experiences that contribute to the further development of my personality make stronger my ideas with respect to my future vocation—law and the diplomatic service. All this was made possible by that great organization, The American Field Service, which gave me the opportunity to live my most profitable and wonderful experiences in the field of human intercommunication. Because of AFS, I also came to know and understand a most important factor, people.

T.J., you gave me the chance to meet the marvelous and friendly members of your student body as well as the excellent administrators, faculty, counselors, and other staff members.

I will always keep in my memory the "Rebel Spirit" from those picturesque football games, (especially my throat's condition after each of those). I will remember the fun of being a participant in the Senior Play and in the Musical. In my country we don't have so many extra-school activities, so all the clubs and sports will be particularly memorable.

I hope some day you will be able to visit my country and learn as I have that, although the customs are a little different, warmth and friendliness are basically the same everywhere.

Thank you again for a wonderful year,
Norberto

Exchange Students Bring New Ideas to T.J.

The American Field Service sponsors traveling students each year to try to provide an understanding between countries and the people of those countries. This year, we at Thomas Jefferson were fortunate to meet and learn to know Chaweewan Silapacharanan from Thailand and Norberto Badano from Argentina. Ann Moor, T.J.'s international representative, brought us a knowledge of Germany from her stay there this summer. We are grateful to have been a part of this rewarding program and hope that peace and understanding among our countries will be furthered by our experiences this year.

Ann Moor Represents TJ in Germany

Ann toured Germany with her German family.

Dear Rebels,

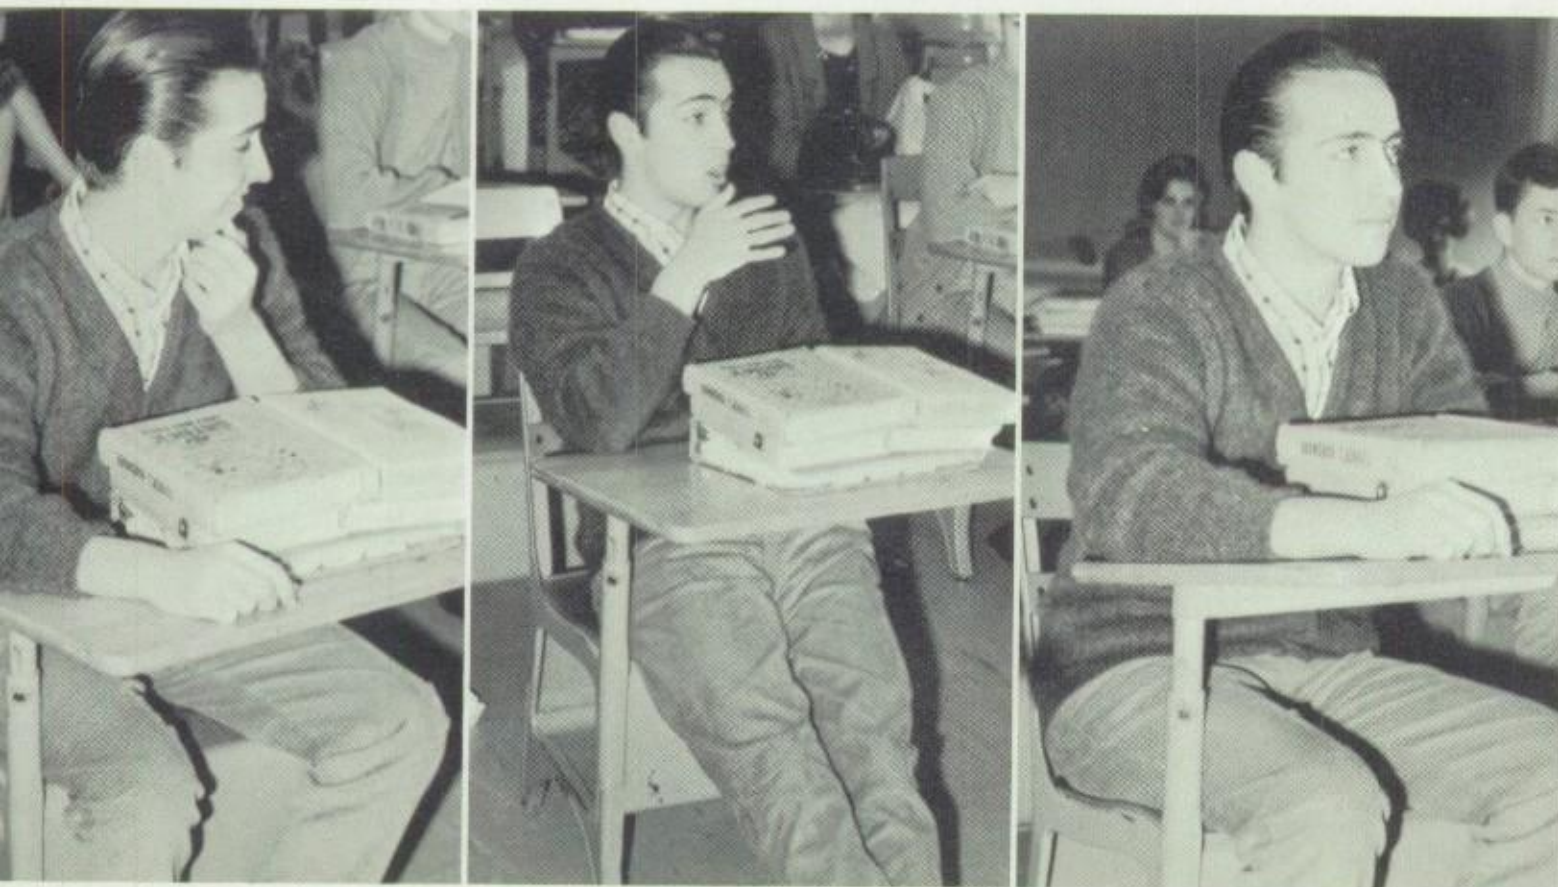

Many of you have read the letters I sent from Germany this summer, seen my movies, and heard me speak; but I would like to tell you again what a wonderful experience I had as an American Abroad student.

The voyage with the *Seven Seas* was a great thrill. In those ten days I was able to meet and really know young people from all over the United States. Besides having an indescribable amount of fun, we were able to learn so much about each other's homes and lives that by the end of the voyage we really felt like representatives from the whole United States rather than from our respective states. Our chaperones, all former AFSers, held orientation and language classes each day that proved to be invaluable during my stay.

I met so many interesting people and did so many wonderful things this summer that I cannot express them all. My family, the Schlunds, were always eager to show me their country and their way of living. They gave me memories of great personal value and memories of friendship between our countries and people.

This year I hope that I have been able to share with you at Thomas Jefferson some of what I have learned with AFS. This is what the American Field Service and Americans Abroad strive for—an exchange of ideas and an understanding among countries.

Mit herzlichen Glueckwuenschen,
Ann

October...College Representatives and Report

T.J. students join the throngs of teenagers at the 1965 State Fair of Texas.

Daniel Williams smiles happily as he hears the news of his election as Senior Class President.

The Student Council opened October by sponsoring a College Night on October 14. Representatives from many different colleges across Texas and the nation informed T. J. students about their respective schools. Later in the month the Rebels had their first holiday to attend the Texas State Fair on October 22 and returned to school the following week to receive the year's first report cards. Homecoming nominees were announced and Senior Class Officer Candidates were introduced at a Senior Assembly on October 27. With plans for the future, fun at the present, and rewards for the past, October added further experiences for the T.J. Rebels.

Cards

Student Council members await college representatives in the foyer on College Night.

Reb Belles transform a Continental Trailways into a Rebel band wagon with "Beat Abilene."

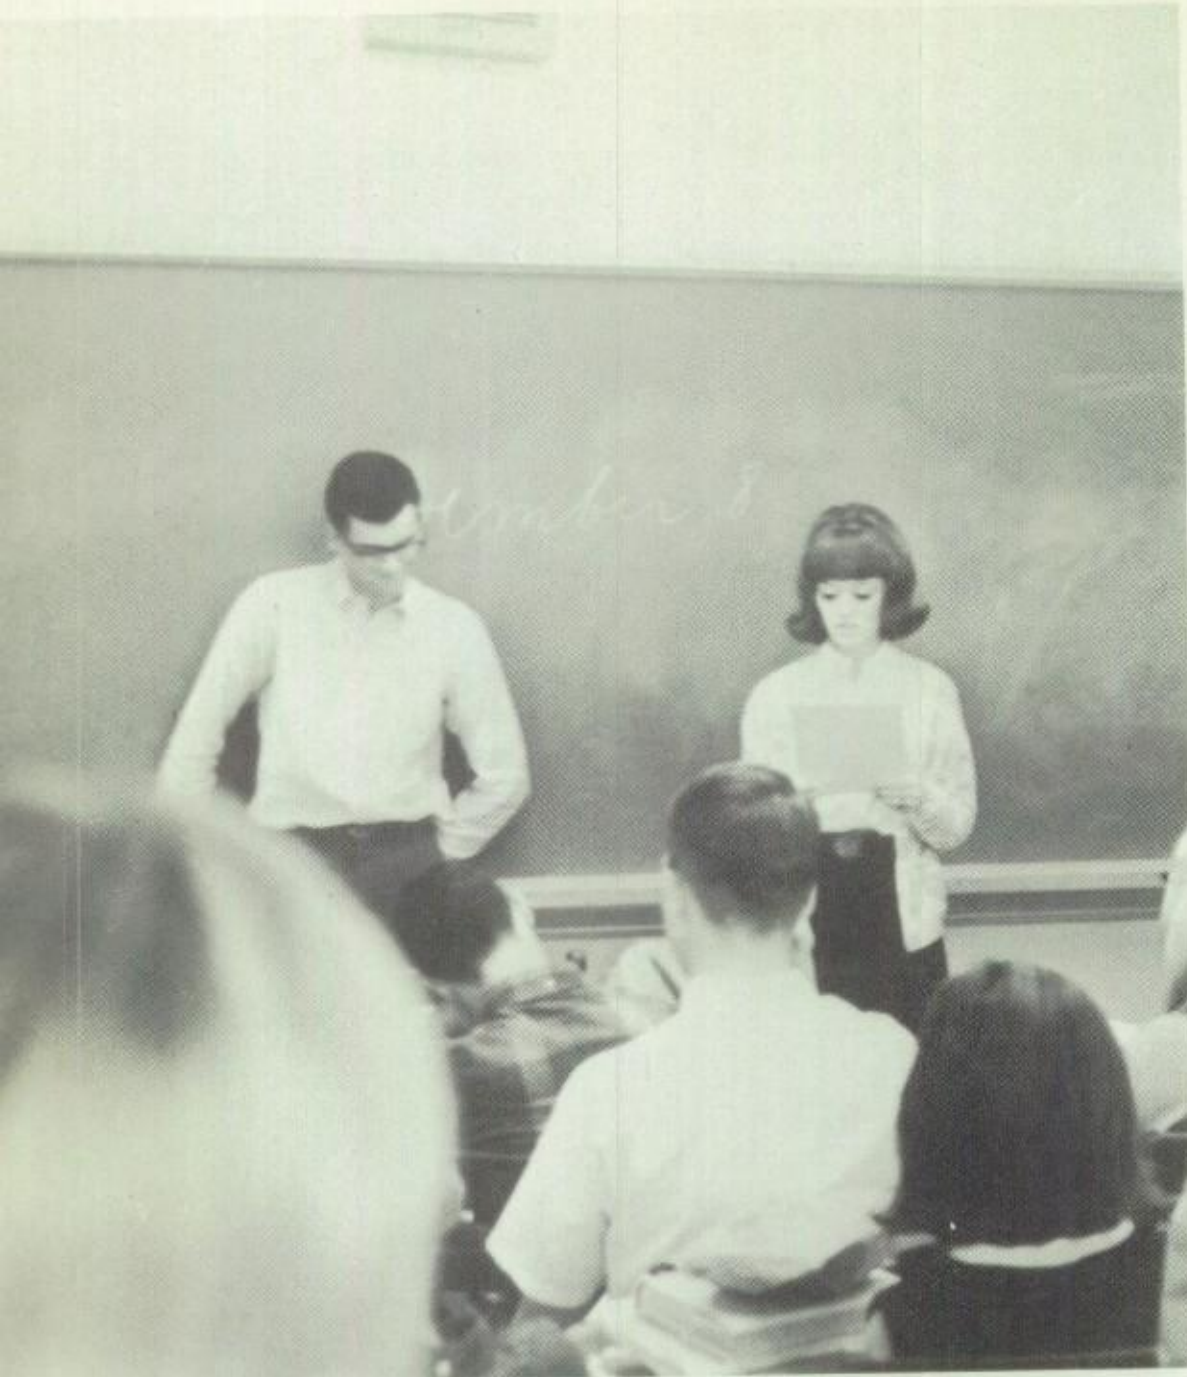

Football games drew large turn-outs although the season's record was 3-7.

November . . .

November was a busy month for the 1966 Senior class. Four capable seniors were elected to lead the Senior Class in its activities. Rehearsals were begun for the senior play to be produced in December.

Officer Whitman visited TJ to explain the rules of safety. Rebel parents were also given the opportunity to tour TJ and meet the teachers during American Education Week.

The students expressed their appreciation for their many blessings at Thanksgiving by sharing them with others. Thanksgiving baskets were filled in each homeroom and distributed to needy families. Then, needless to say, the Thanksgiving holidays were enjoyed by one and all.

The Student Council makes plans for Thanksgiving Basket project.

Miss Betty McLain discusses the problems of senior English with interested parents.

Parents and Praises

Members of the Speech Department lead the student body in songs for Thanksgiving.

Students welcome parents to TJ during American Education Week.

Officer Whitman encourages traffic safety.

Football, Coronation, and Dance . . .

The 1965 Homecoming Court: *left to right*: Princess Judy Sawyer, Princess Gail Burnett, 1964 Queen Esther McElfish, Queen Mary Jean Legg, Princess Sally Dedmon, and Princess Gail Alexander.

Thomas Jefferson High School's tenth anniversary was appropriately celebrated in the theme for the 1965-66 Homecoming, "A Decade of Dixie." The memorable events began on November 5 with the presentation of the five Homecoming princesses during the halftime of the football game with W. T. White. The fathers of the nominees escorted them onto the field, where each girl received a mum from TJ's own Colonel Reb, Neil Bowman.

The atmosphere was tense the next night as the students and exes of Thomas Jefferson anticipated the crowning of the 1965 Homecoming Queen. The audience applauded approvingly as the 1964 Queen, Esther McElfish, crowned her successor, Miss Mary Jean Legg. Then Queen Mary Jean and her court reigned throughout the semi-formal dance.

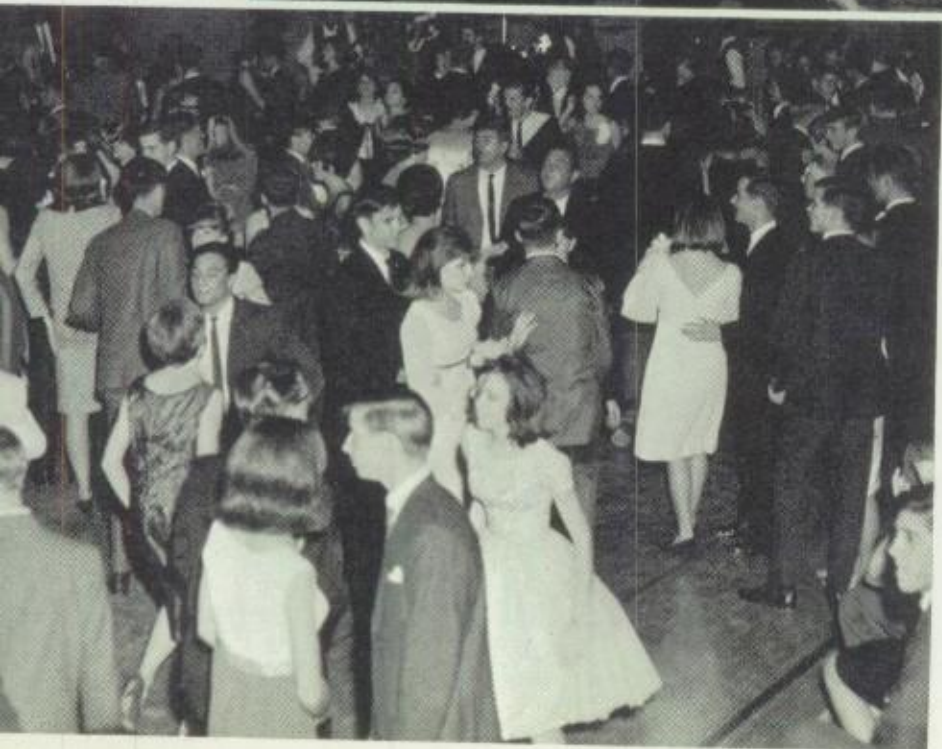

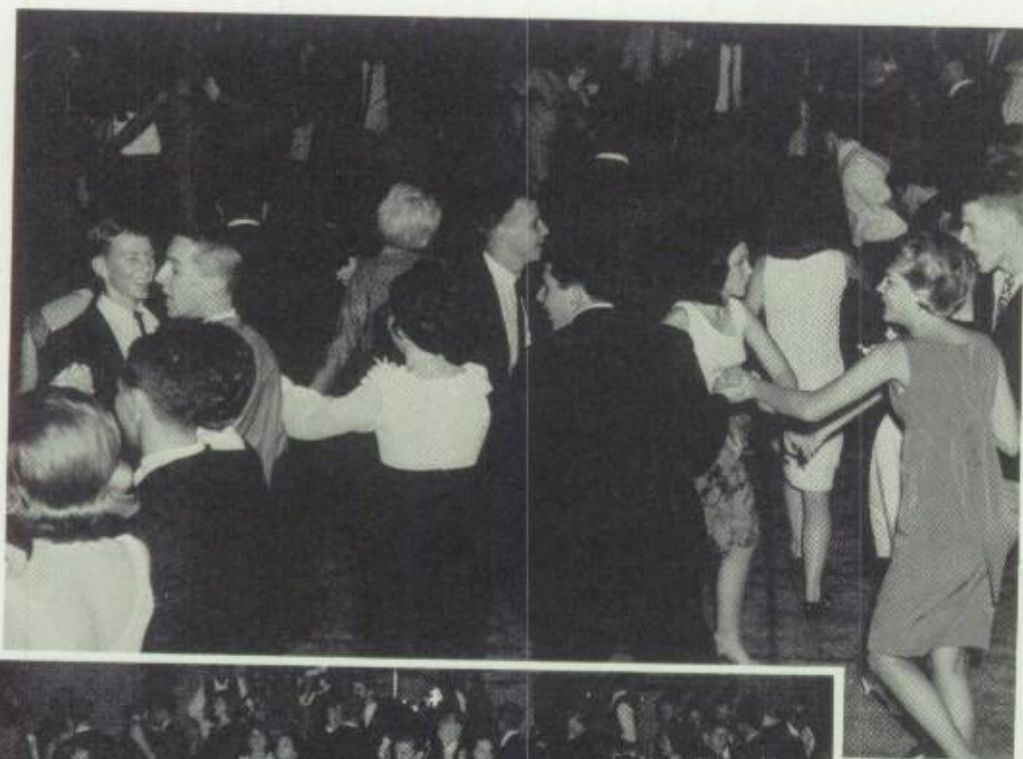

Coronation, an exhilarating moment for Queen Mary Jean.

Alumni of Thomas Jefferson and 1965 Seniors reminisce at the 1965 Homecoming dance.

Students Enjoy Four Play Performances

Under the capable direction of Mrs. Ann Adams and Mrs. Molly McKelvey, the Senior Class of 1966 presented *Thieves' Carnival*. This spirited comedy concerning the adventures of three thieves in Vichy, France around 1910 provided the Thomas Jefferson audience with a delightful evening of entertainment. The student assistants, Martha Downey, Cheryl Godwin, Diane Grisham, and Mr. Michael Moran, helped make the 1966 Senior Play one of the best in the history of T.J.

Cast I performed on December 8 and 10, and Cast II presented the play on December 9 and 11. The spirit of competition between the casts added to the fun besides giving everyone an opportunity to participate.

The town crier (Devin Dodson) makes the daily announcements as Peterbono (Rodger Whitney) enters to make some news of his own.

Peterbono (Rodger Whitney) and Juliette (Sally Eddins) discuss their plans for the evening with Lady Hurf (Julie Reavley).

The Dupont Duforts (Barry Benton and Gary Nelson) discover a robbery in the villa of Lady Hurf.

Senior Class members, playing villagers in Vichy, France, enjoy a typical afternoon in the park.

David McNichols as Peterbono

Rikki Stanley as Gustav

Thom Jackson as Lord Edgard

January . . .

Study and Snow

In January, Thomas Jefferson students returned from the Christmas and New Year's holidays with the prospect of exams before them. Before settling down for some intensive study, many Rebels attended a symphony in the Dallas Music Hall at Fair Park. The week-end prior to exams, the temptation was almost too great; and some TJ'ers had fun in the first snow of the year instead of studying for the semester tests. Exam week finally came, and students faced the reality of their limited knowledge. As soon as the tests were over and grades received, the Rebels were ready for a rest, but had only a short breather before the new semester and new classes kept them busy.

Students get in some serious study before exams.

Many Rebels were given the opportunity to board buses and travel to the State Fair Auditorium, to hear a symphony concert, a new plan instituted this year.

There was just enough snow after school to add more excitement to the student parking lot.

Thomas Jefferson takes on an added glow thanks to new fallen snow and bright lights.

No question as to where loyalties stand here.

February . . . Education

Thespian and Drama Club members prepare for their assembly, "It's a Mad, Sad, Glad, Bad World."

Career consultants await their introduction at the Career

What's it? Concert Choir begins advertising for the Musical i
March.

And Entertainment

February seemed to be a month of preparation. Students were working fast and furiously to get their Science Fair projects ready for the fair in early March. The Thespians and Drama Club prepared and presented an assembly for the student body on Feb. 16 and 17. Entitled "It's a Mad, Glad, Sad, Bad World," the show was composed of folk singing, a "Batman" skit, "Macbeth Revisited," and other numbers. Rehearsals were continued as the date of the musical neared. Preparation for future careers was aided by the Student Council in the form of a Career Day on Feb. 11. Many interesting speakers told of the advantages and drawbacks of their respective vocations to interested students. The Brotherhood Assembly was presented to T.J. on Feb. 27 to emphasize the need of fellowship in our society.

Ward Warren, Career Day Chairman, talks with Marsha Redding and her consultant during coffee for faculty and consultants following the conference.

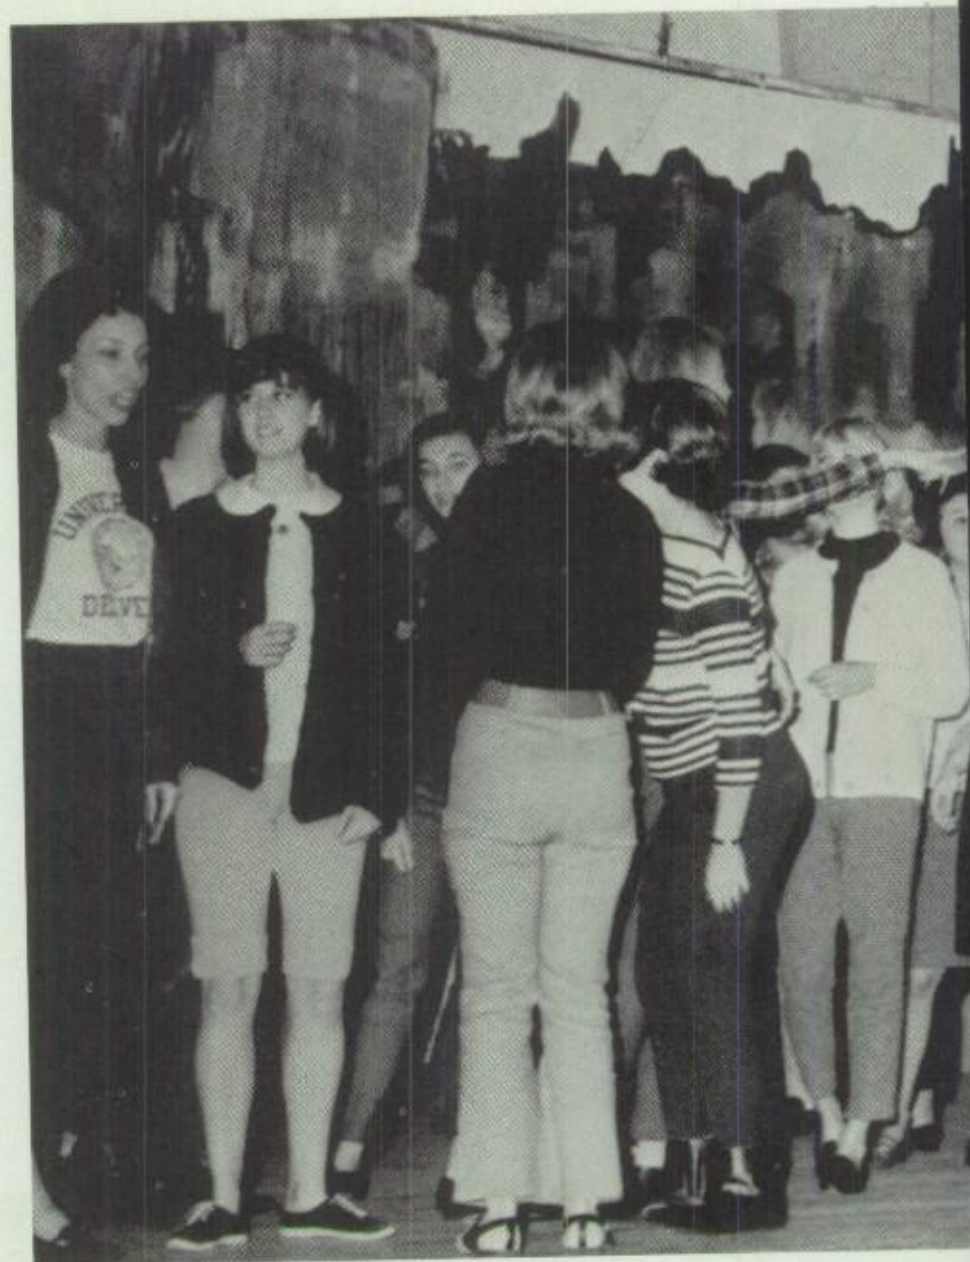

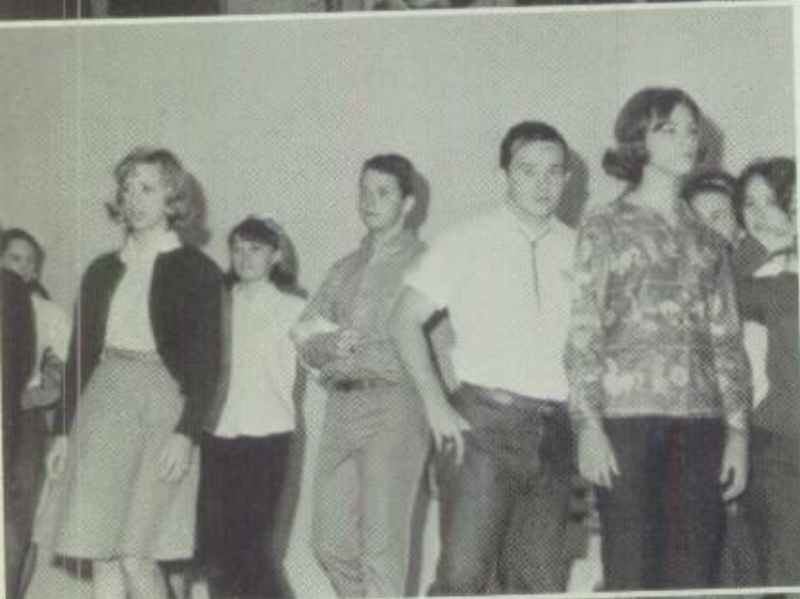

Coach Dowd and Rebel fans face a crucial point in a tough zone game.

Physics classes use slinkies to study waves.

March . . . Rehearsals and Brigadoon

and
The Townspeople of Brigadoon

"Down on McConnachy Square" you meet the strangest people.

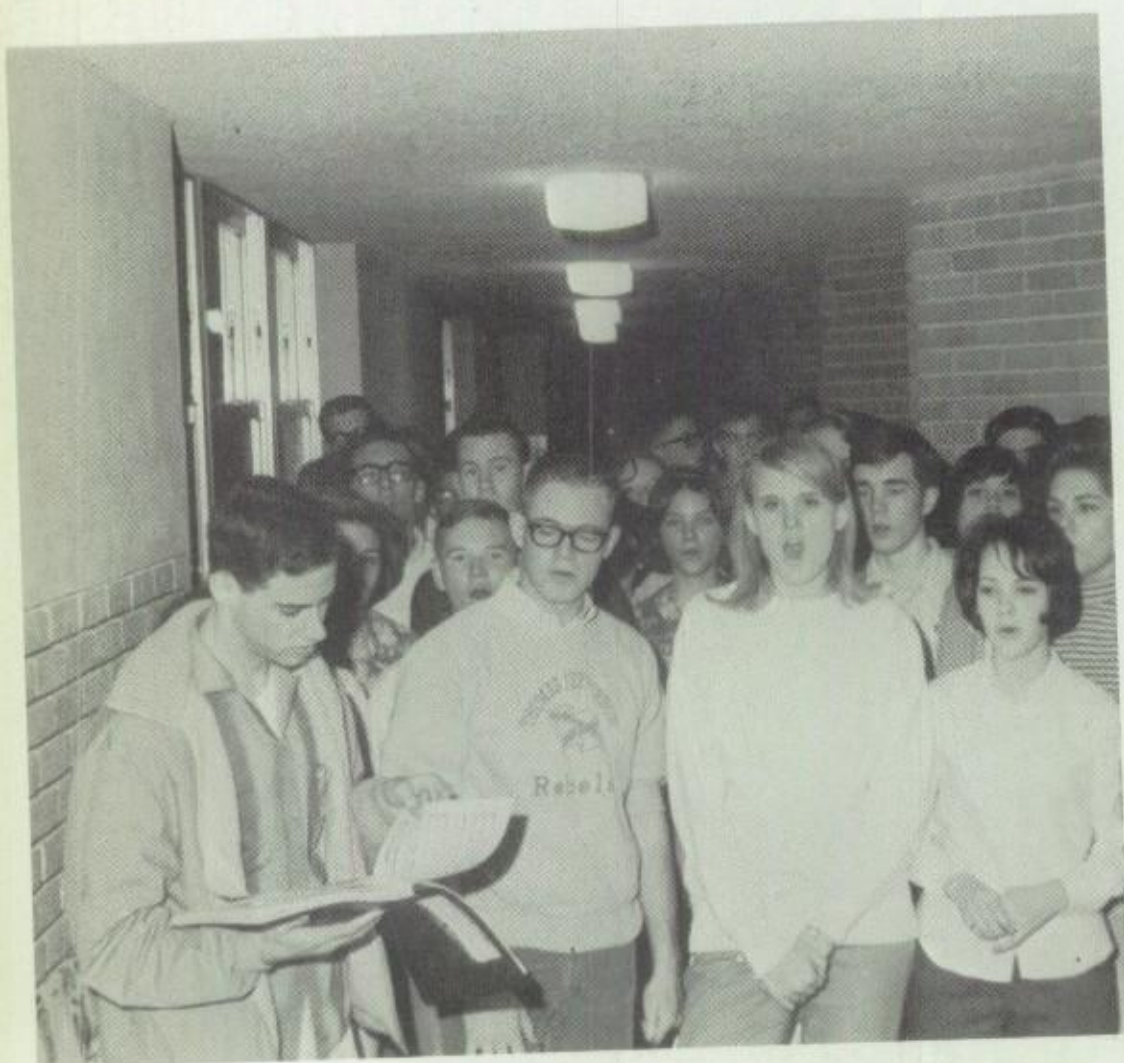

This is in Brigadoon?? It looks more like "Where's Charlie?"

Members of the *Brigadoon* cast rehearse in street clothes until the original costumes from the New York production arrive.

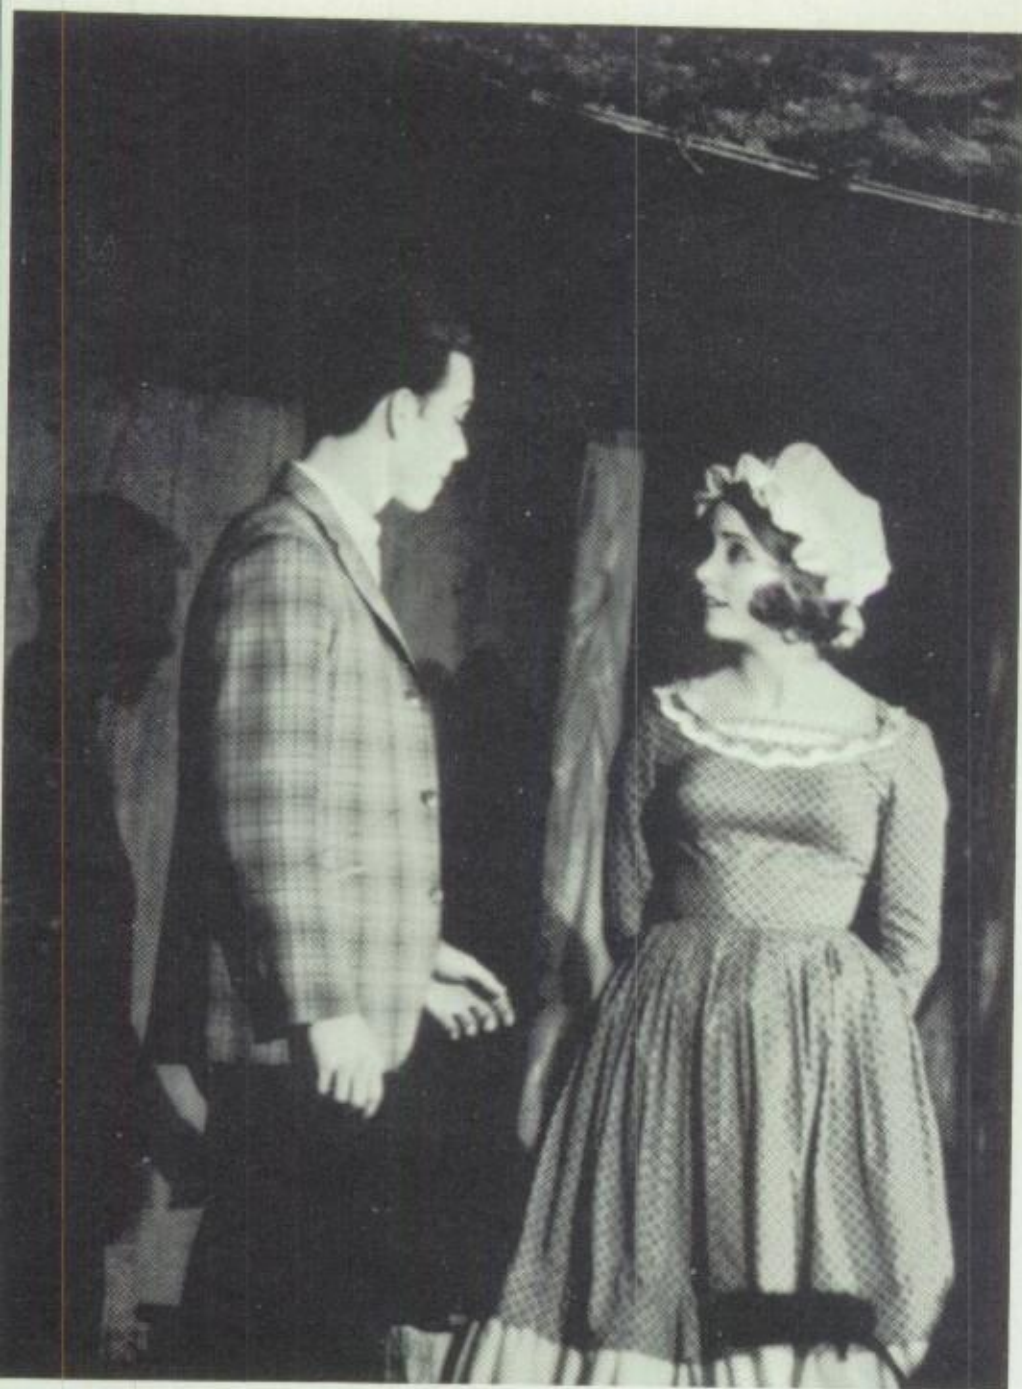

Brigadoon Applauded by Standing Ovation

The unbelievable idea of a town appearing for one day every one-hundred years and then vanishing for another one-hundred years provides the inspiration for the 1966 spring musical, *Brigadoon*. The curse on a quaint, friendly, Scotch town can be broken only by a very powerful force—love.

The musical was directed by Mr. Jack Cannon and produced by the Thomas Jefferson Concert Choir on March 17, 18, and 19. The hard work of all people involved in this production was rewarded by a polished performance enjoyed by all in attendance.

The Concert Choir practices to produce an eerie effect as the strains of *Brigadoon* filter into the auditorium.

Meg Brockie (Judy Sawyer) lures Jeff Douglas (Tom Brewer) to her shanty on the hill.

Tommy Albright (Ron Park) and Fiona McLaren (Joan Farry) sing of the heather on the hill.

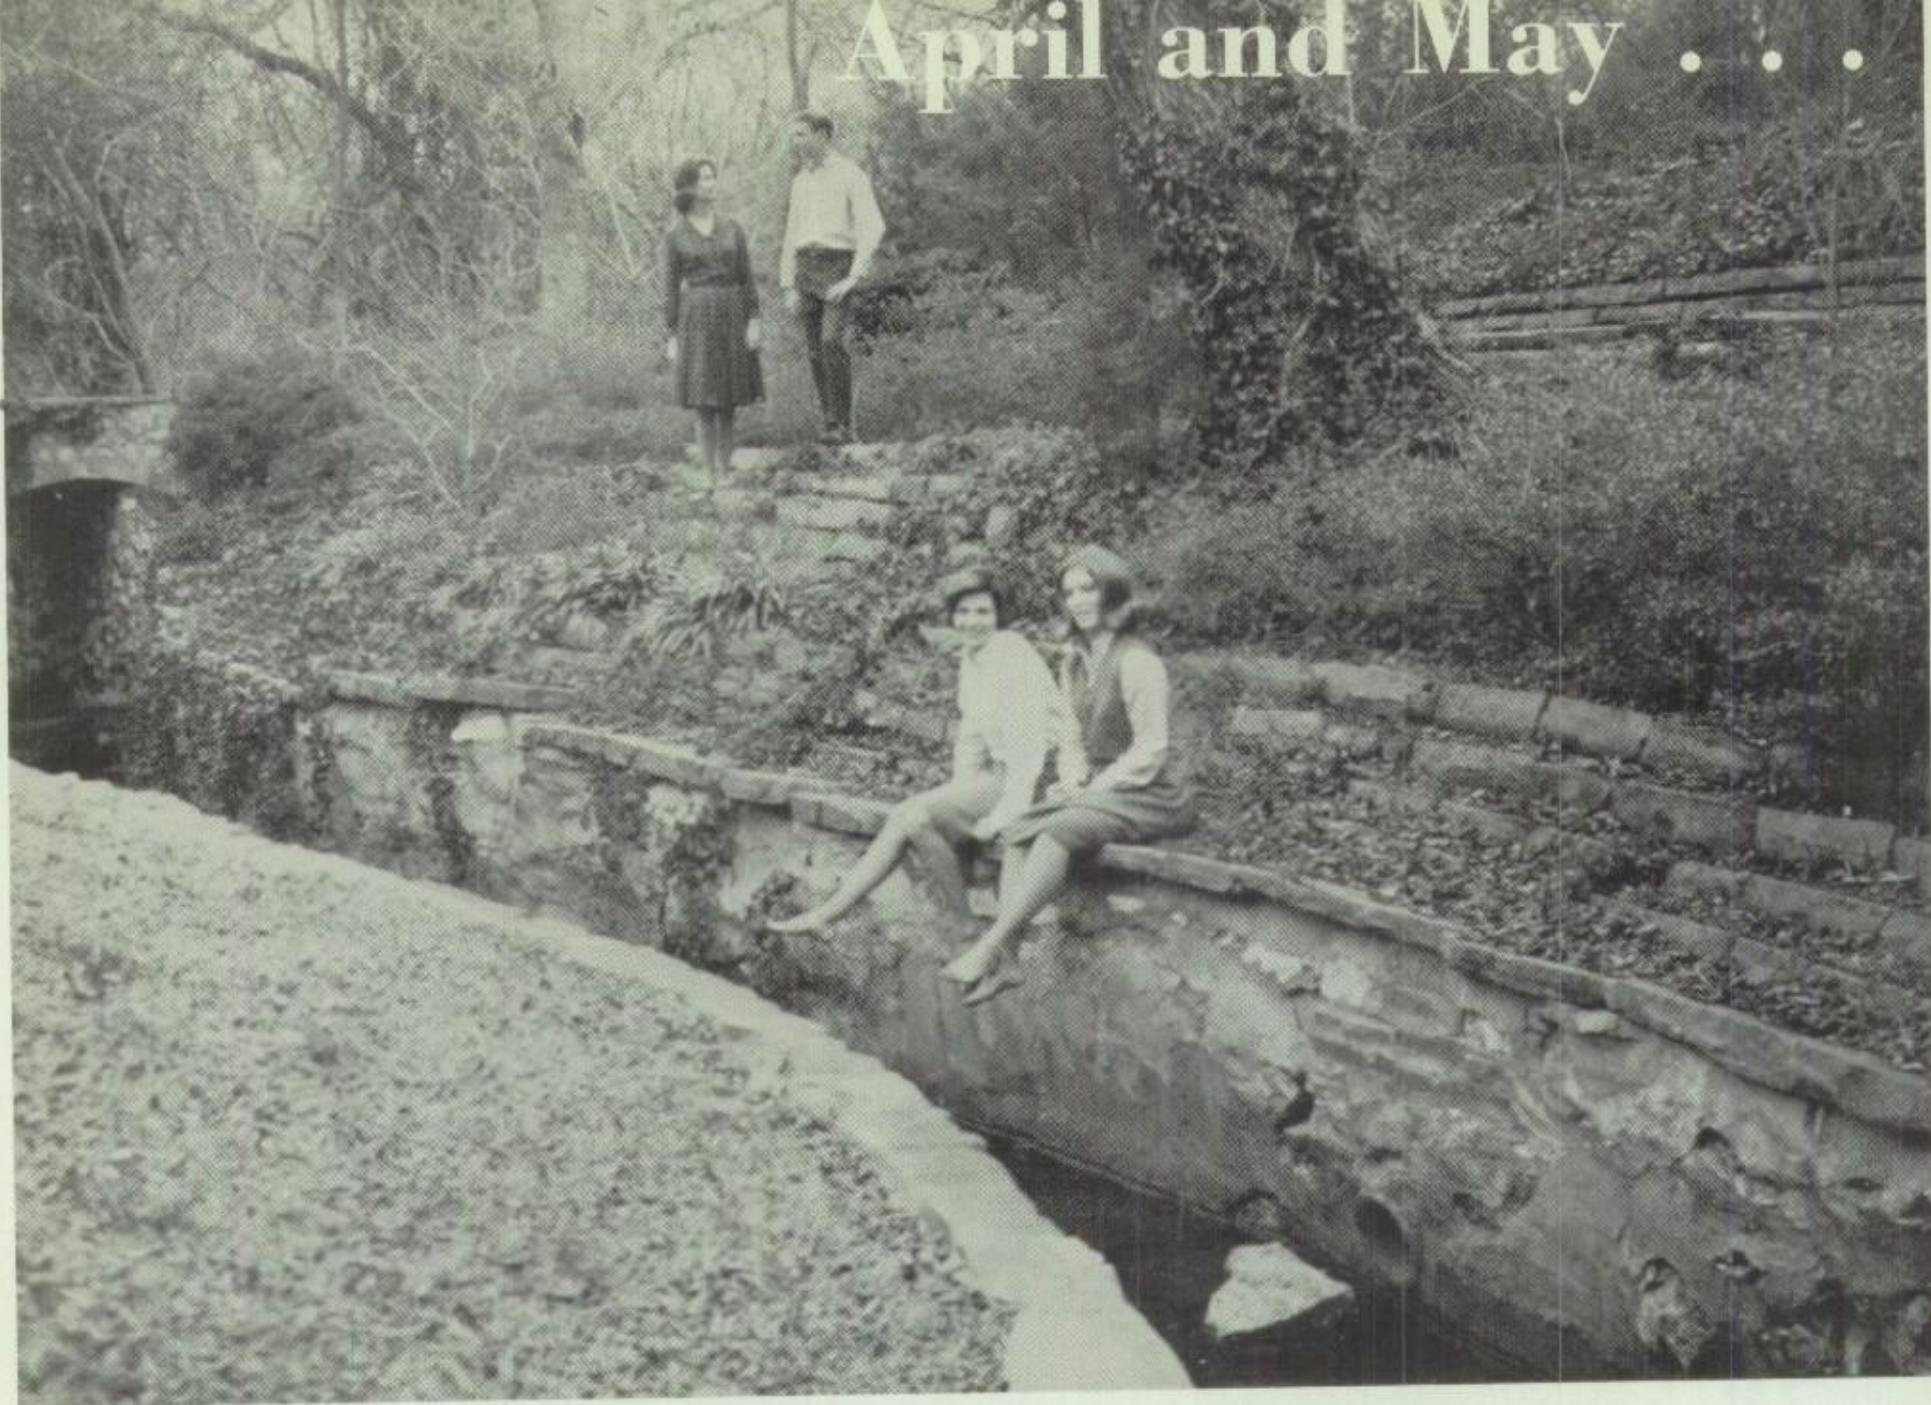

The marriage scene with Jean McLaren (Sharon McClendon) and Charlie (Chuck Larson) provides romantic interest.

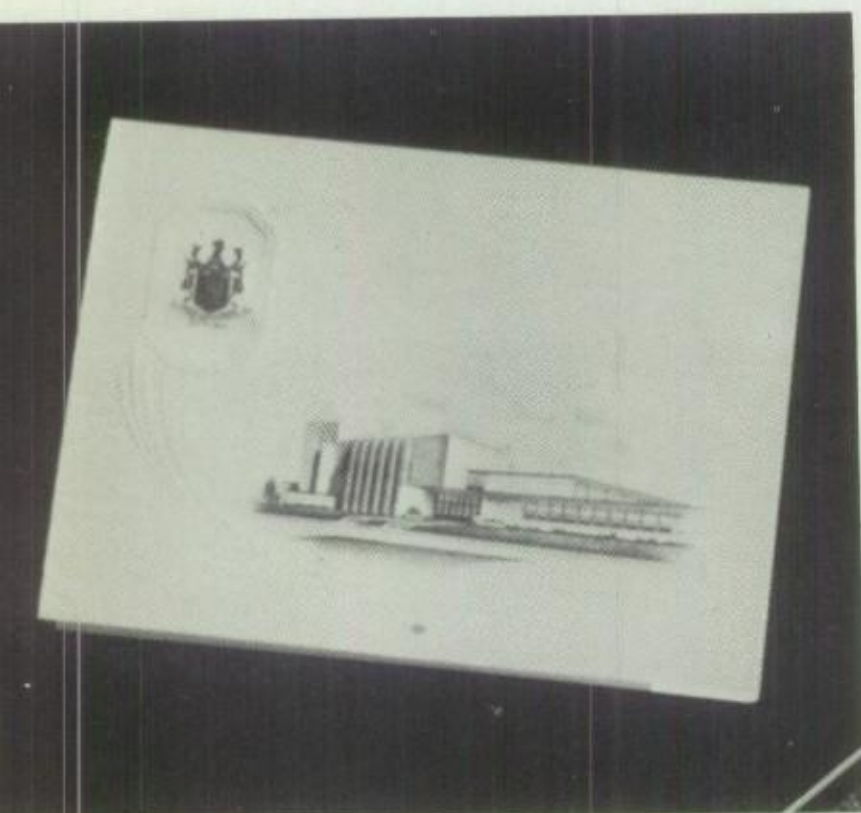

Girls' ensemble joins Fiona in "Waitin' for My Dearie."

April and May . . .

The beauty of Spring—exciting, enchanting, but all too fleeting . . .

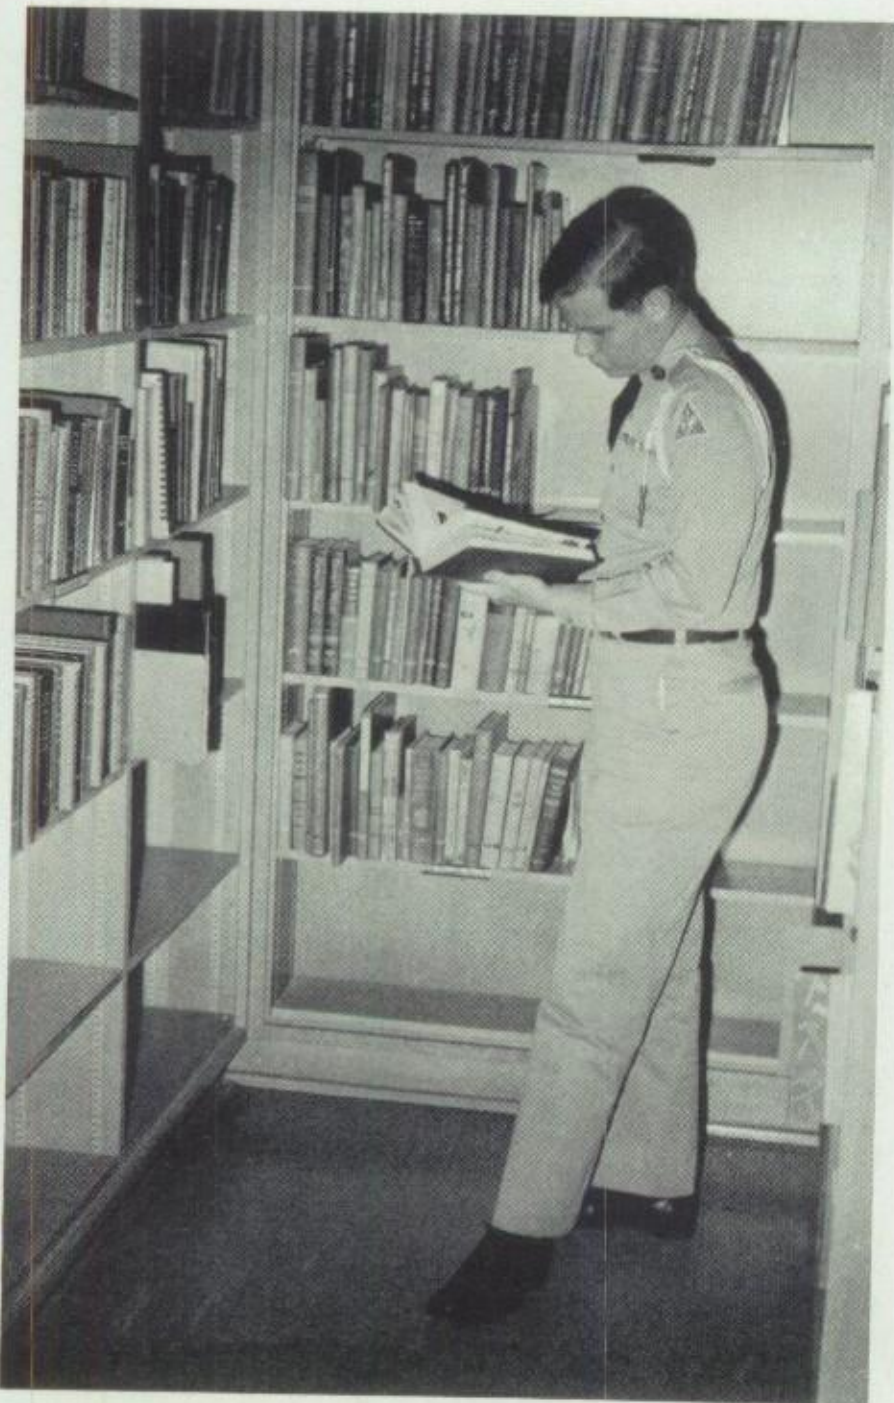

1966 graduation announcements symbolize the end, yet the beginning, for Seniors.

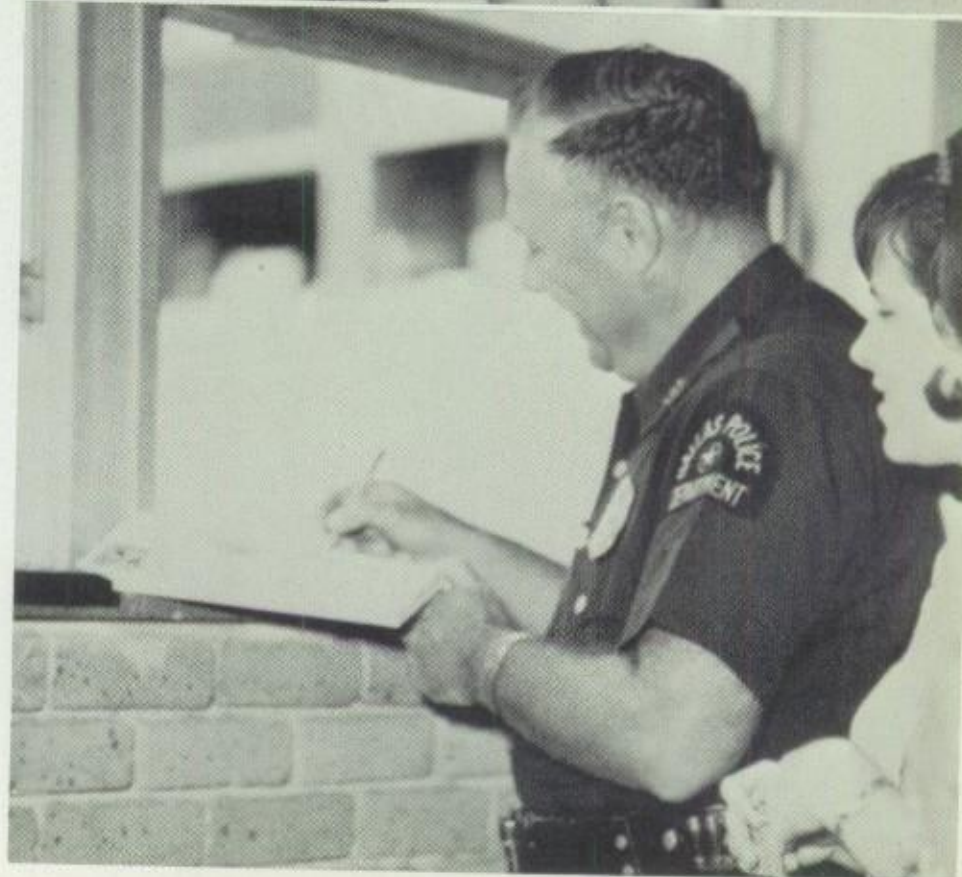

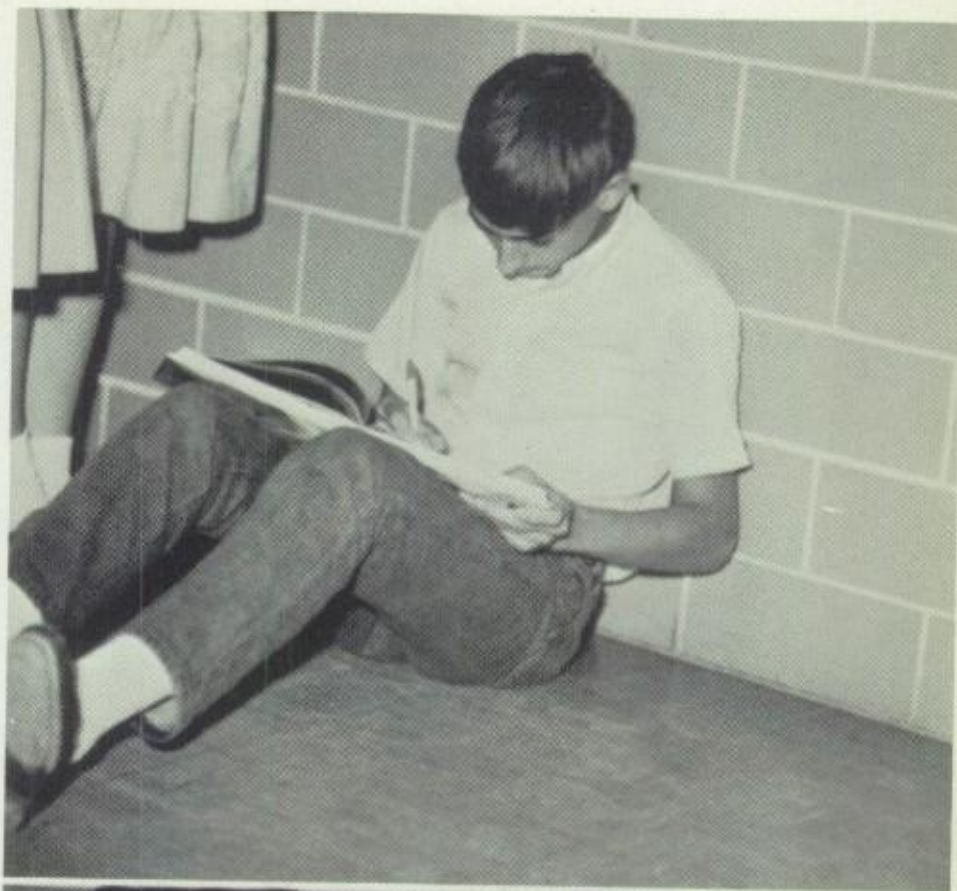

Trips to the parking lot bring back memories to many Thomas Jefferson students.

Goals and Graduation

In April and May, Thomas Jefferson students begin to think ahead about the summer months, but they also think back over the experiences that they had as sophomores, juniors, or seniors at Thomas Jefferson. The common daily happenings as well as the major events will be long-remembered by the Rebels. Each moment of each day during this year has added something to each student's life. It is now our responsibility to use these experiences to make life better for ourselves and others as we pass another phase of our lives.

Thomas Jefferson students complete last minute research for term themes.

THE 1966 SENIOR PERSONALITIES

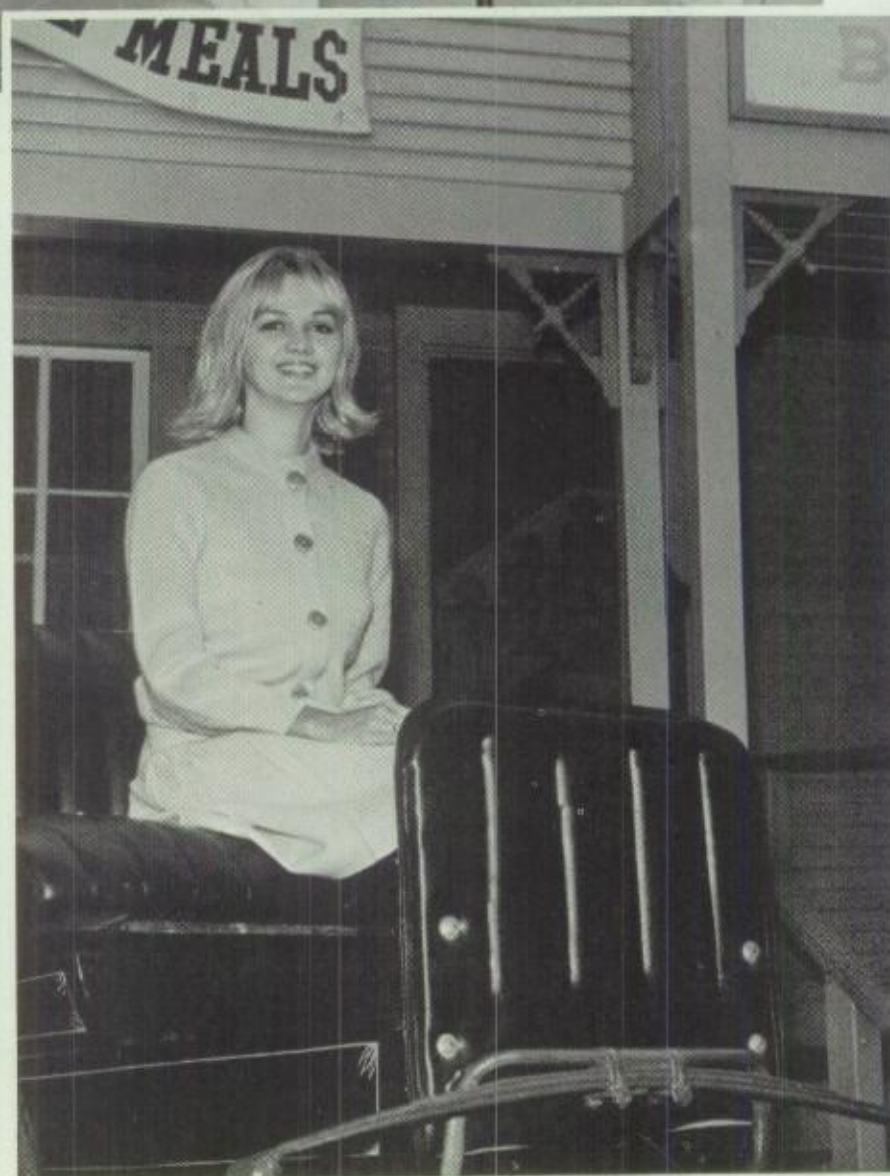

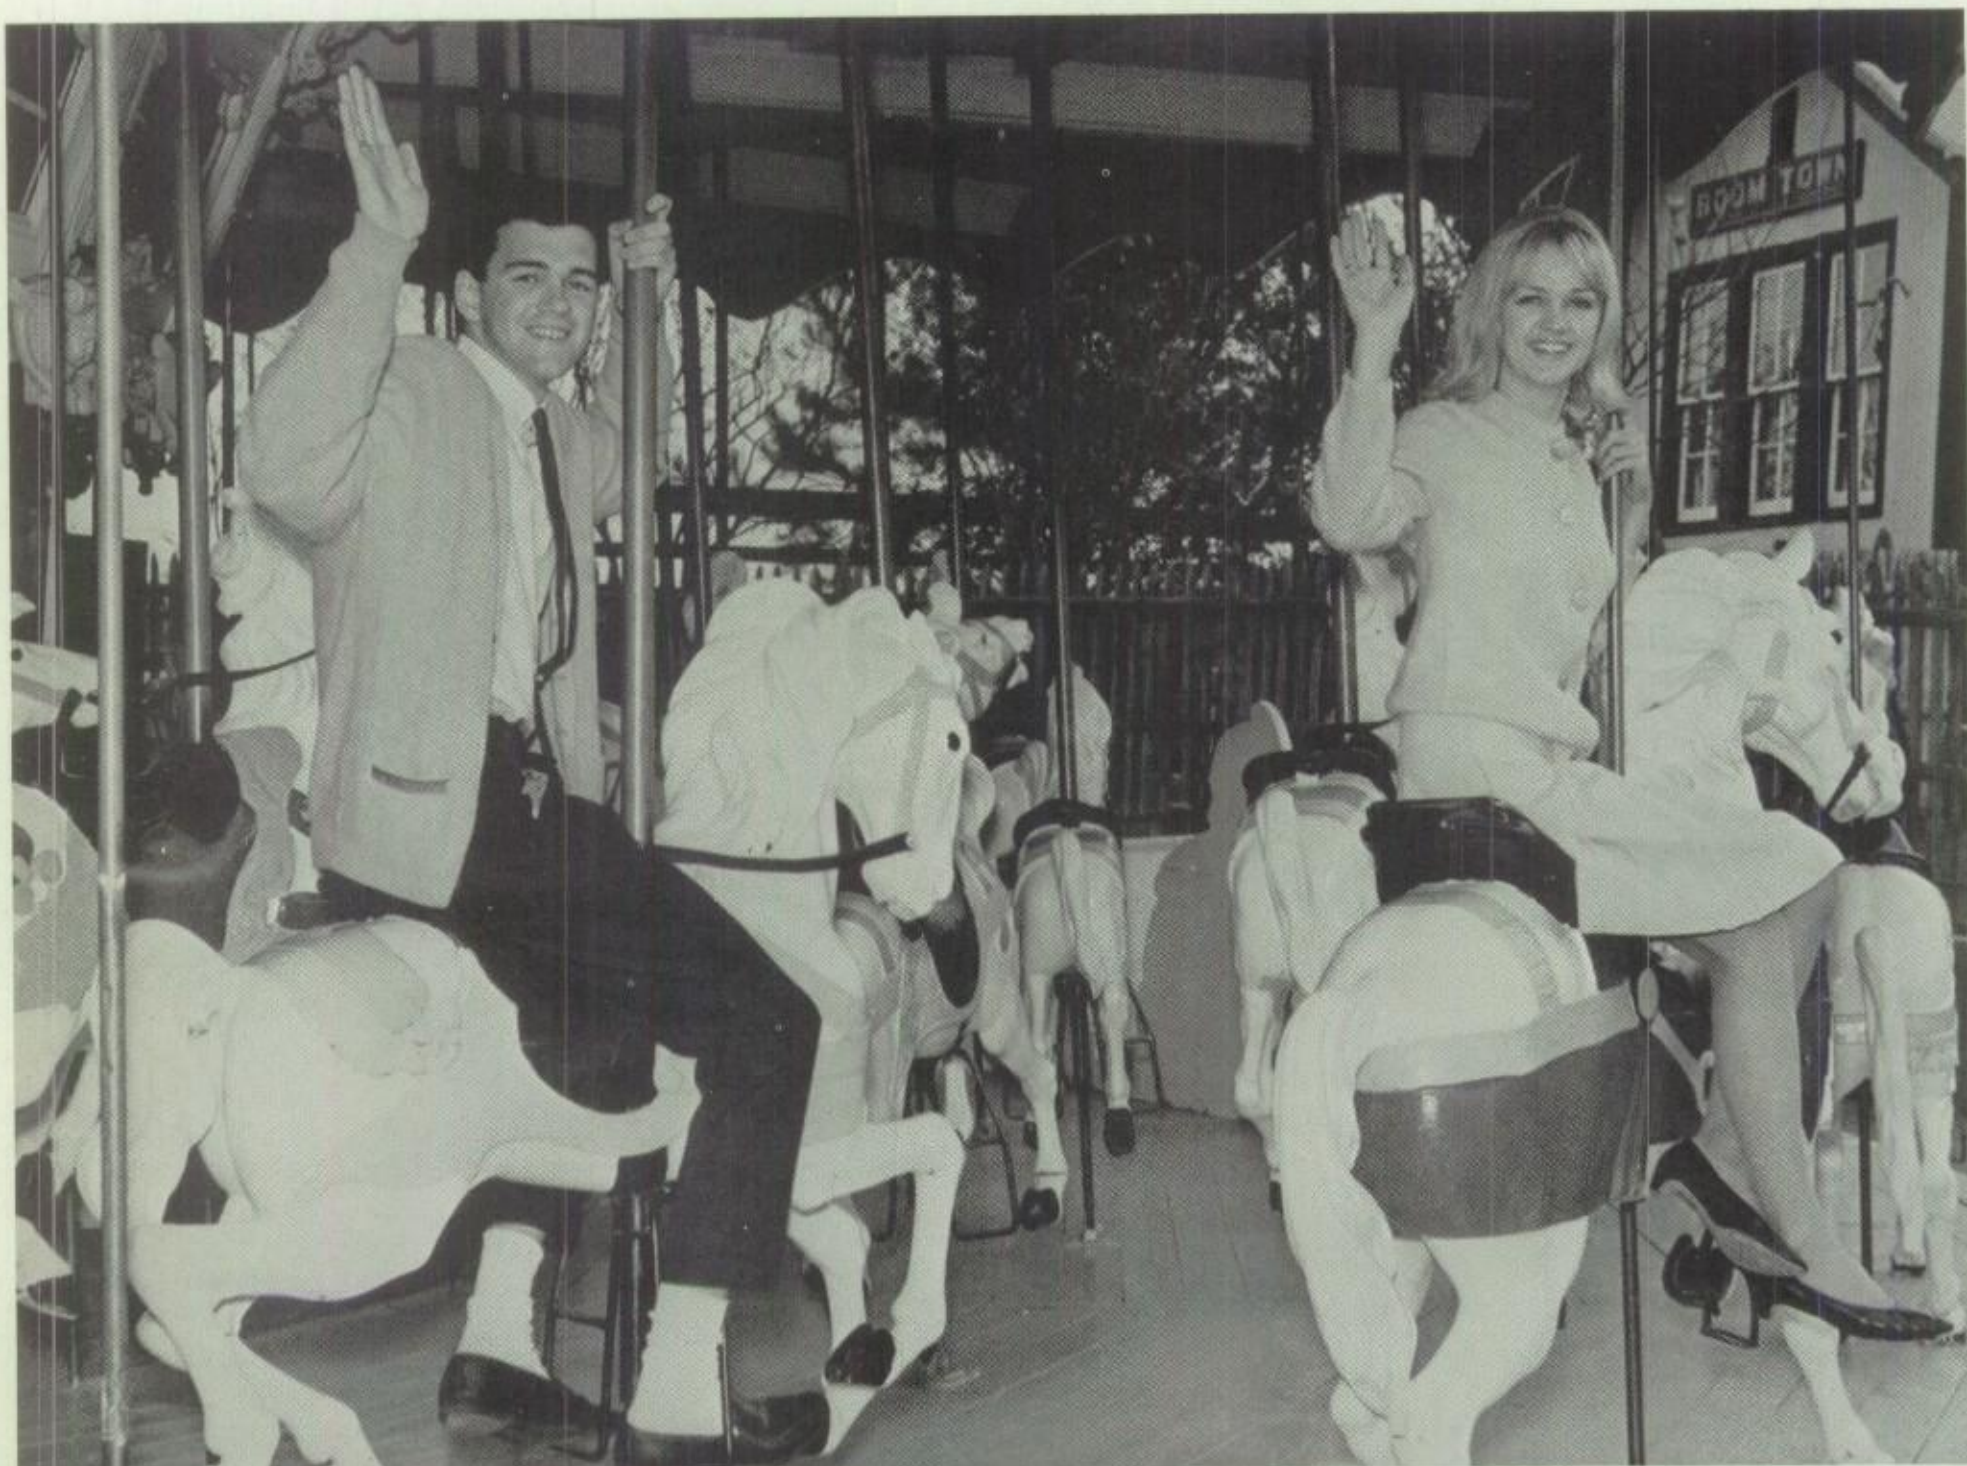

Standing left to right: Joe Dowd, Bruce Ismael, Lonnie Furbay, Stewart McNairy, John Carris, Joel Williams, Ron Park, Rodger Whitney.
Seated left to right: Betty Werner, Nancy Starnes, Gail Alexander, Sally Dedmon, Mary Jean Legg, Kathy Anthony, Valerie Slattum.

At Six Flags

In November the Thomas Jefferson Superlatives journeyed to Six Flags Over Texas on a picture-taking expedition. The pictures were taken in three hours, and then there was time for a little extra fun and food.

Rebels Earn Outstanding Recognition

National Merit Letter of Commendation winners are in the top picture, *standing*: Craig Glickman, Cindy Bonnick. *Seated, left to right*, Judy Sawyer, Anna Allen. *Bottom picture, left to right*: Rick Peiser, Val Slattum, Tommy Hill and Vicki Epp.

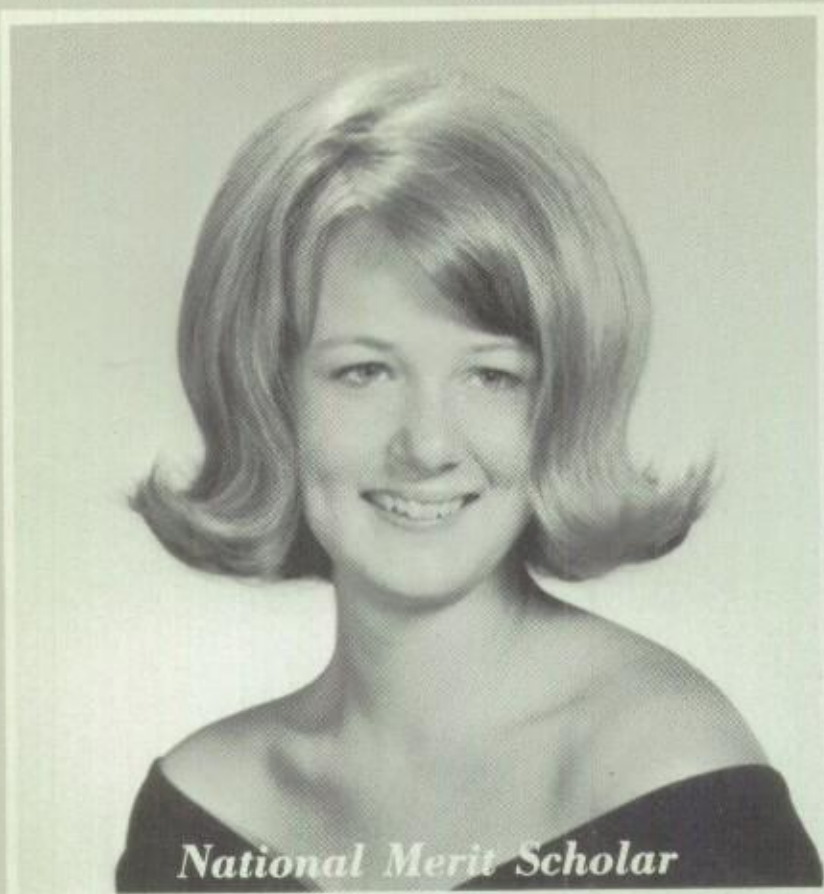

Kay Woods won a citizenship award from the Daughters of the American Revolution.

Eight Students Receive Letter of Commendation

Students taking the National Merit scholarship test, but not making quite a high enough score for semifinalist or finalist awards, received a letter of commendation. There were nine such students at Thomas Jefferson this year who are to be congratulated for their scholarship. Another outstanding student, Kay Woods, was awarded for exceptional citizenship by the Daughters of the American Revolution.

National Merit Scholar

Linda Aaker

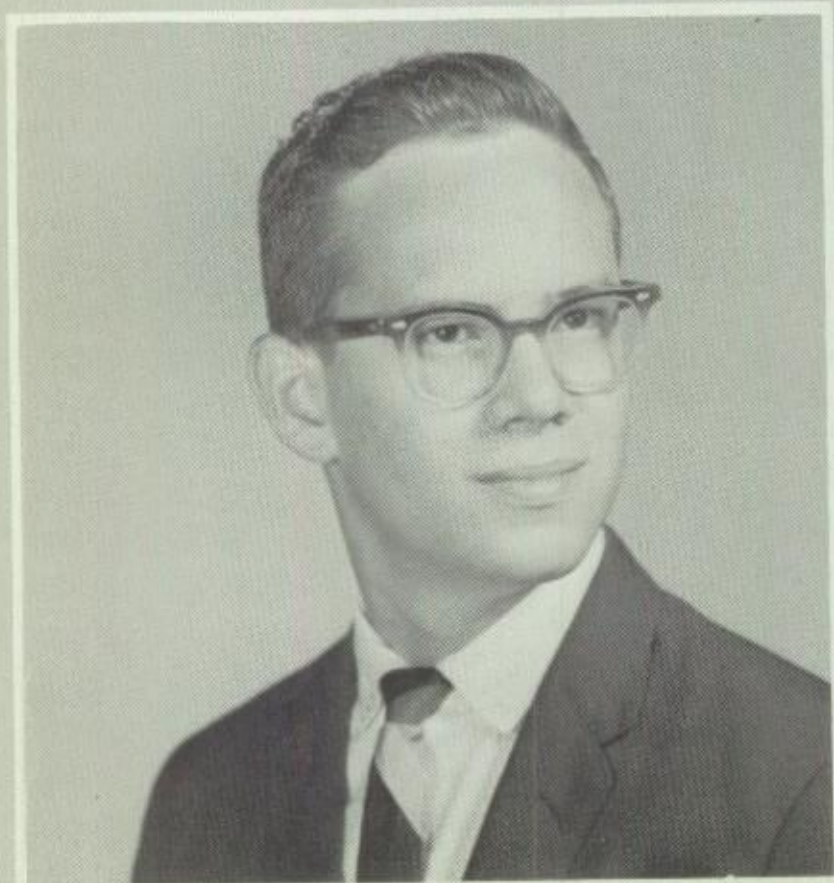

Jack Bryant

National Merit Finalists Number Eleven

In February, 1965, many TJ juniors competed against high school students across the nation for National Merit Scholarships. Early this year eleven seniors were announced as semi-finalists and recognized for their outstanding scholarship. After taking another test, these students were rated as finalists and eligible to be National Merit Scholarship winners. Out of the eleven finalists, Linda Aaker, was announced as a National Merit Scholar early in April.

Special Talents Recognized With Awards

Elizabeth Parker won a city-wide essay contest on "Careers in Public Health."

The National Forensic League is composed of students who have done exceptionally well in speech activities.

This year Thomas Jefferson had honor students in many fields of education. Students in the speech department won honors at the various tournaments throughout the year; and English honors were awarded to students for essays, poetry, and other creative writing activities. Many ROTC corpsmen were honored for their military achievement. Girls in the homemaking field were acknowledged for their work in home economics. The *Document* staff would like to add to the previous recognition its congratulations to these students.

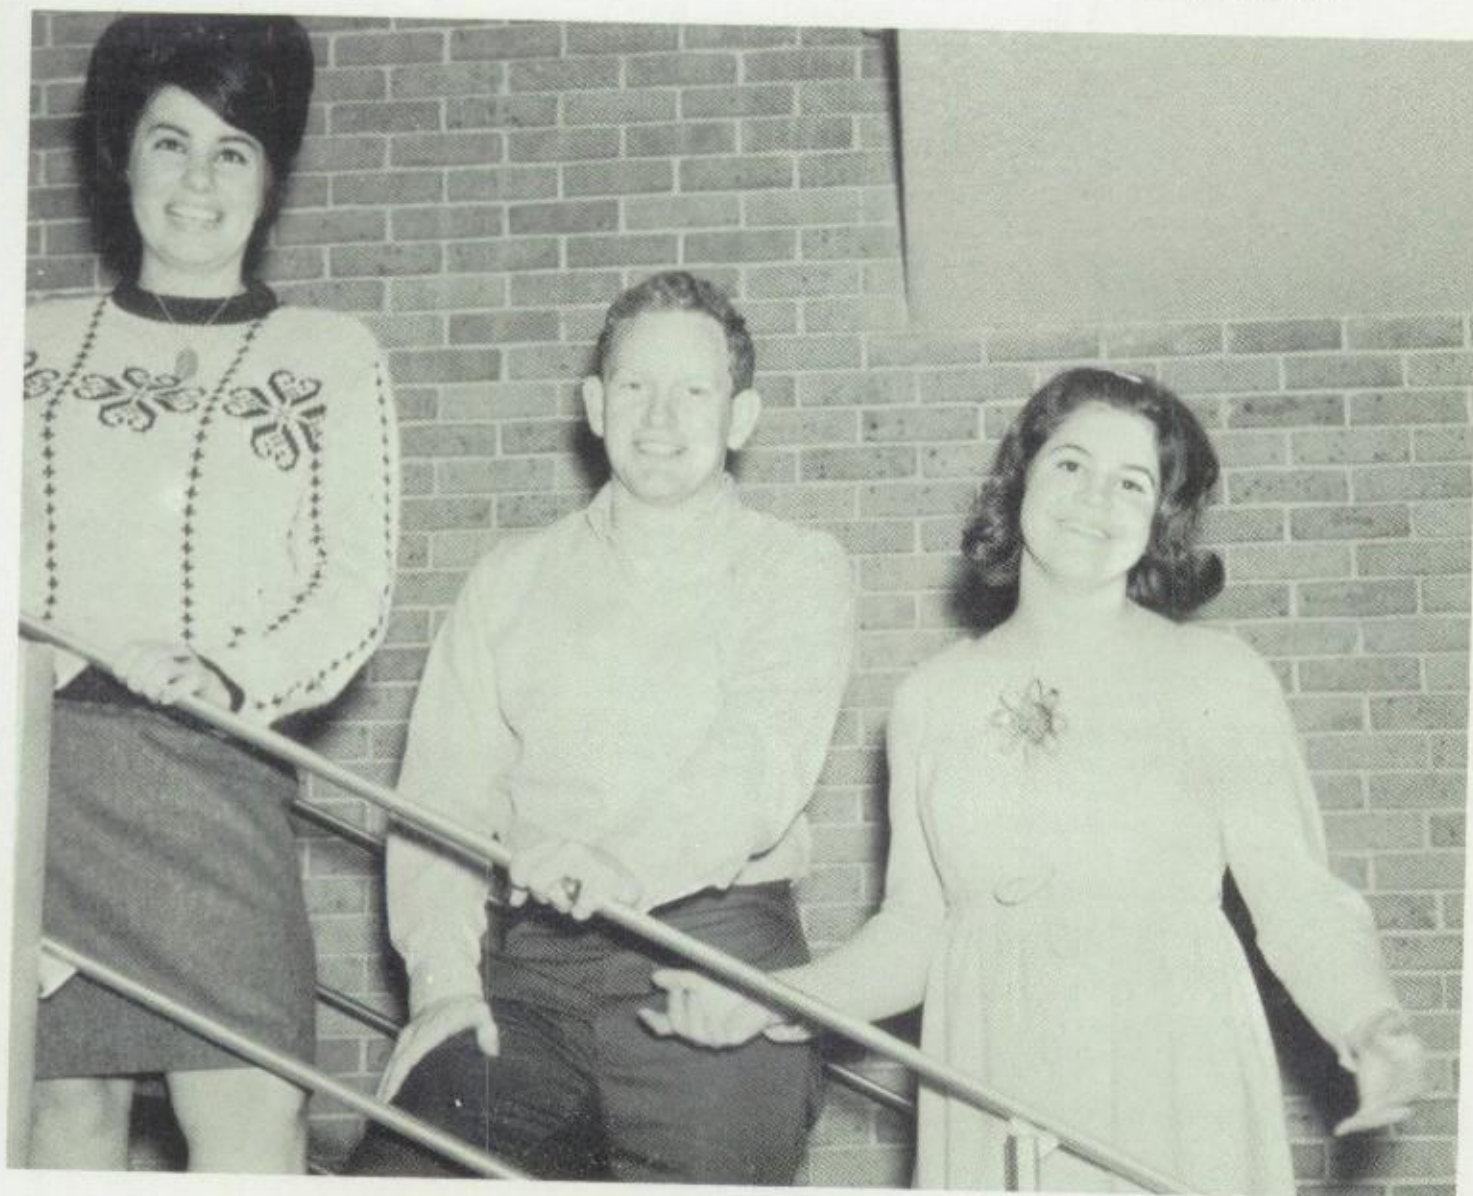

Laura Crook won a Betty Crocker Homemaker Award.

George Hafkemeyer won military honors for being the high firer in the Texas-A-and-I postal matches.

Katie Petersen won second prize in Dallas Poetry Society's contest.

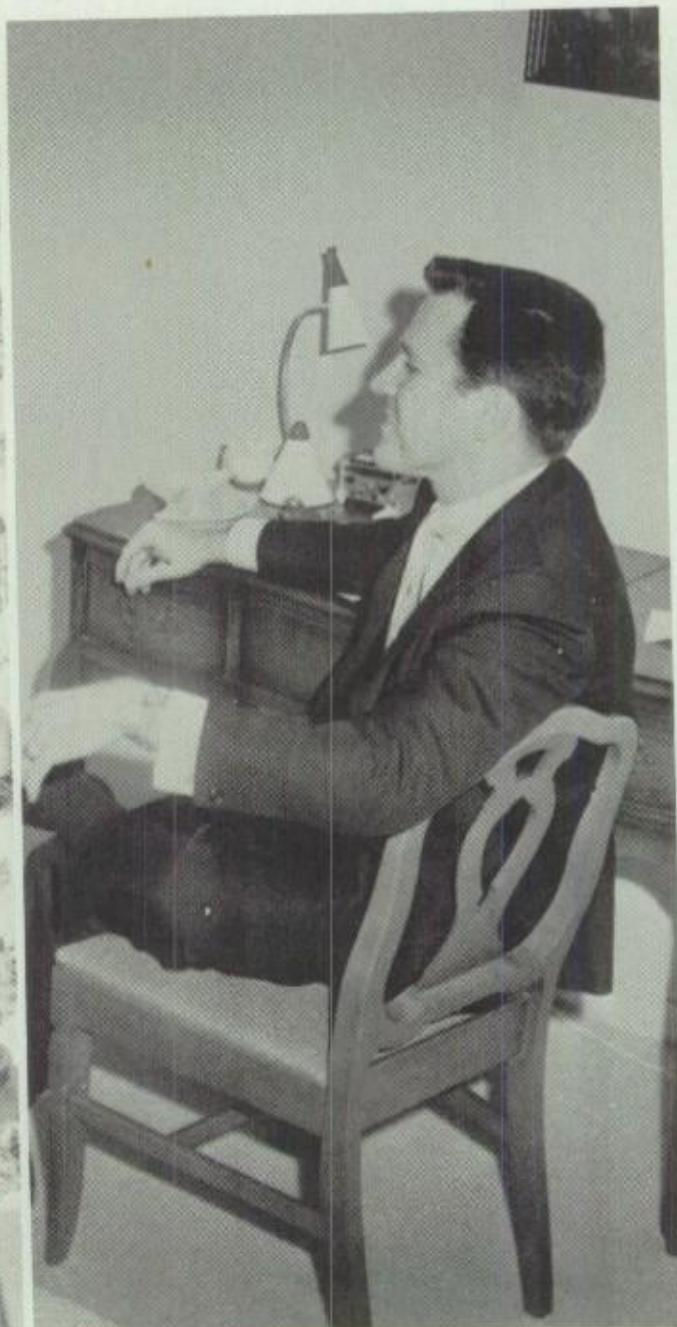

Students that placed in speech tournaments during the year were from left to right: Dana Craddock, third in girls' dramatic interpretation; Thom Jackson, first in boys' dramatic interpretation and second in poetry; Carol Nathan, first in prose reading.

Beauties Selected at Annual Tea by Judges . . .

Bill Dana

Francis Marlow

Pierce Allman

In the opinion of three qualified judges, the ten most beautiful girls at Thomas Jefferson were chosen at a tea at the home of Mr. and Mrs. Clarence Hafer on January 16. The twenty-four semi-finalists were judged on the basis of facial beauty, poise, and personality. The judges were Mrs. Francis Marlow, a fashion model from Neiman Marcus; Mr. Pierce Allman, Executive Director of S.M.U. Alumni Association; and Mr. Bill Dana, a television personality better known as José Jimenez.

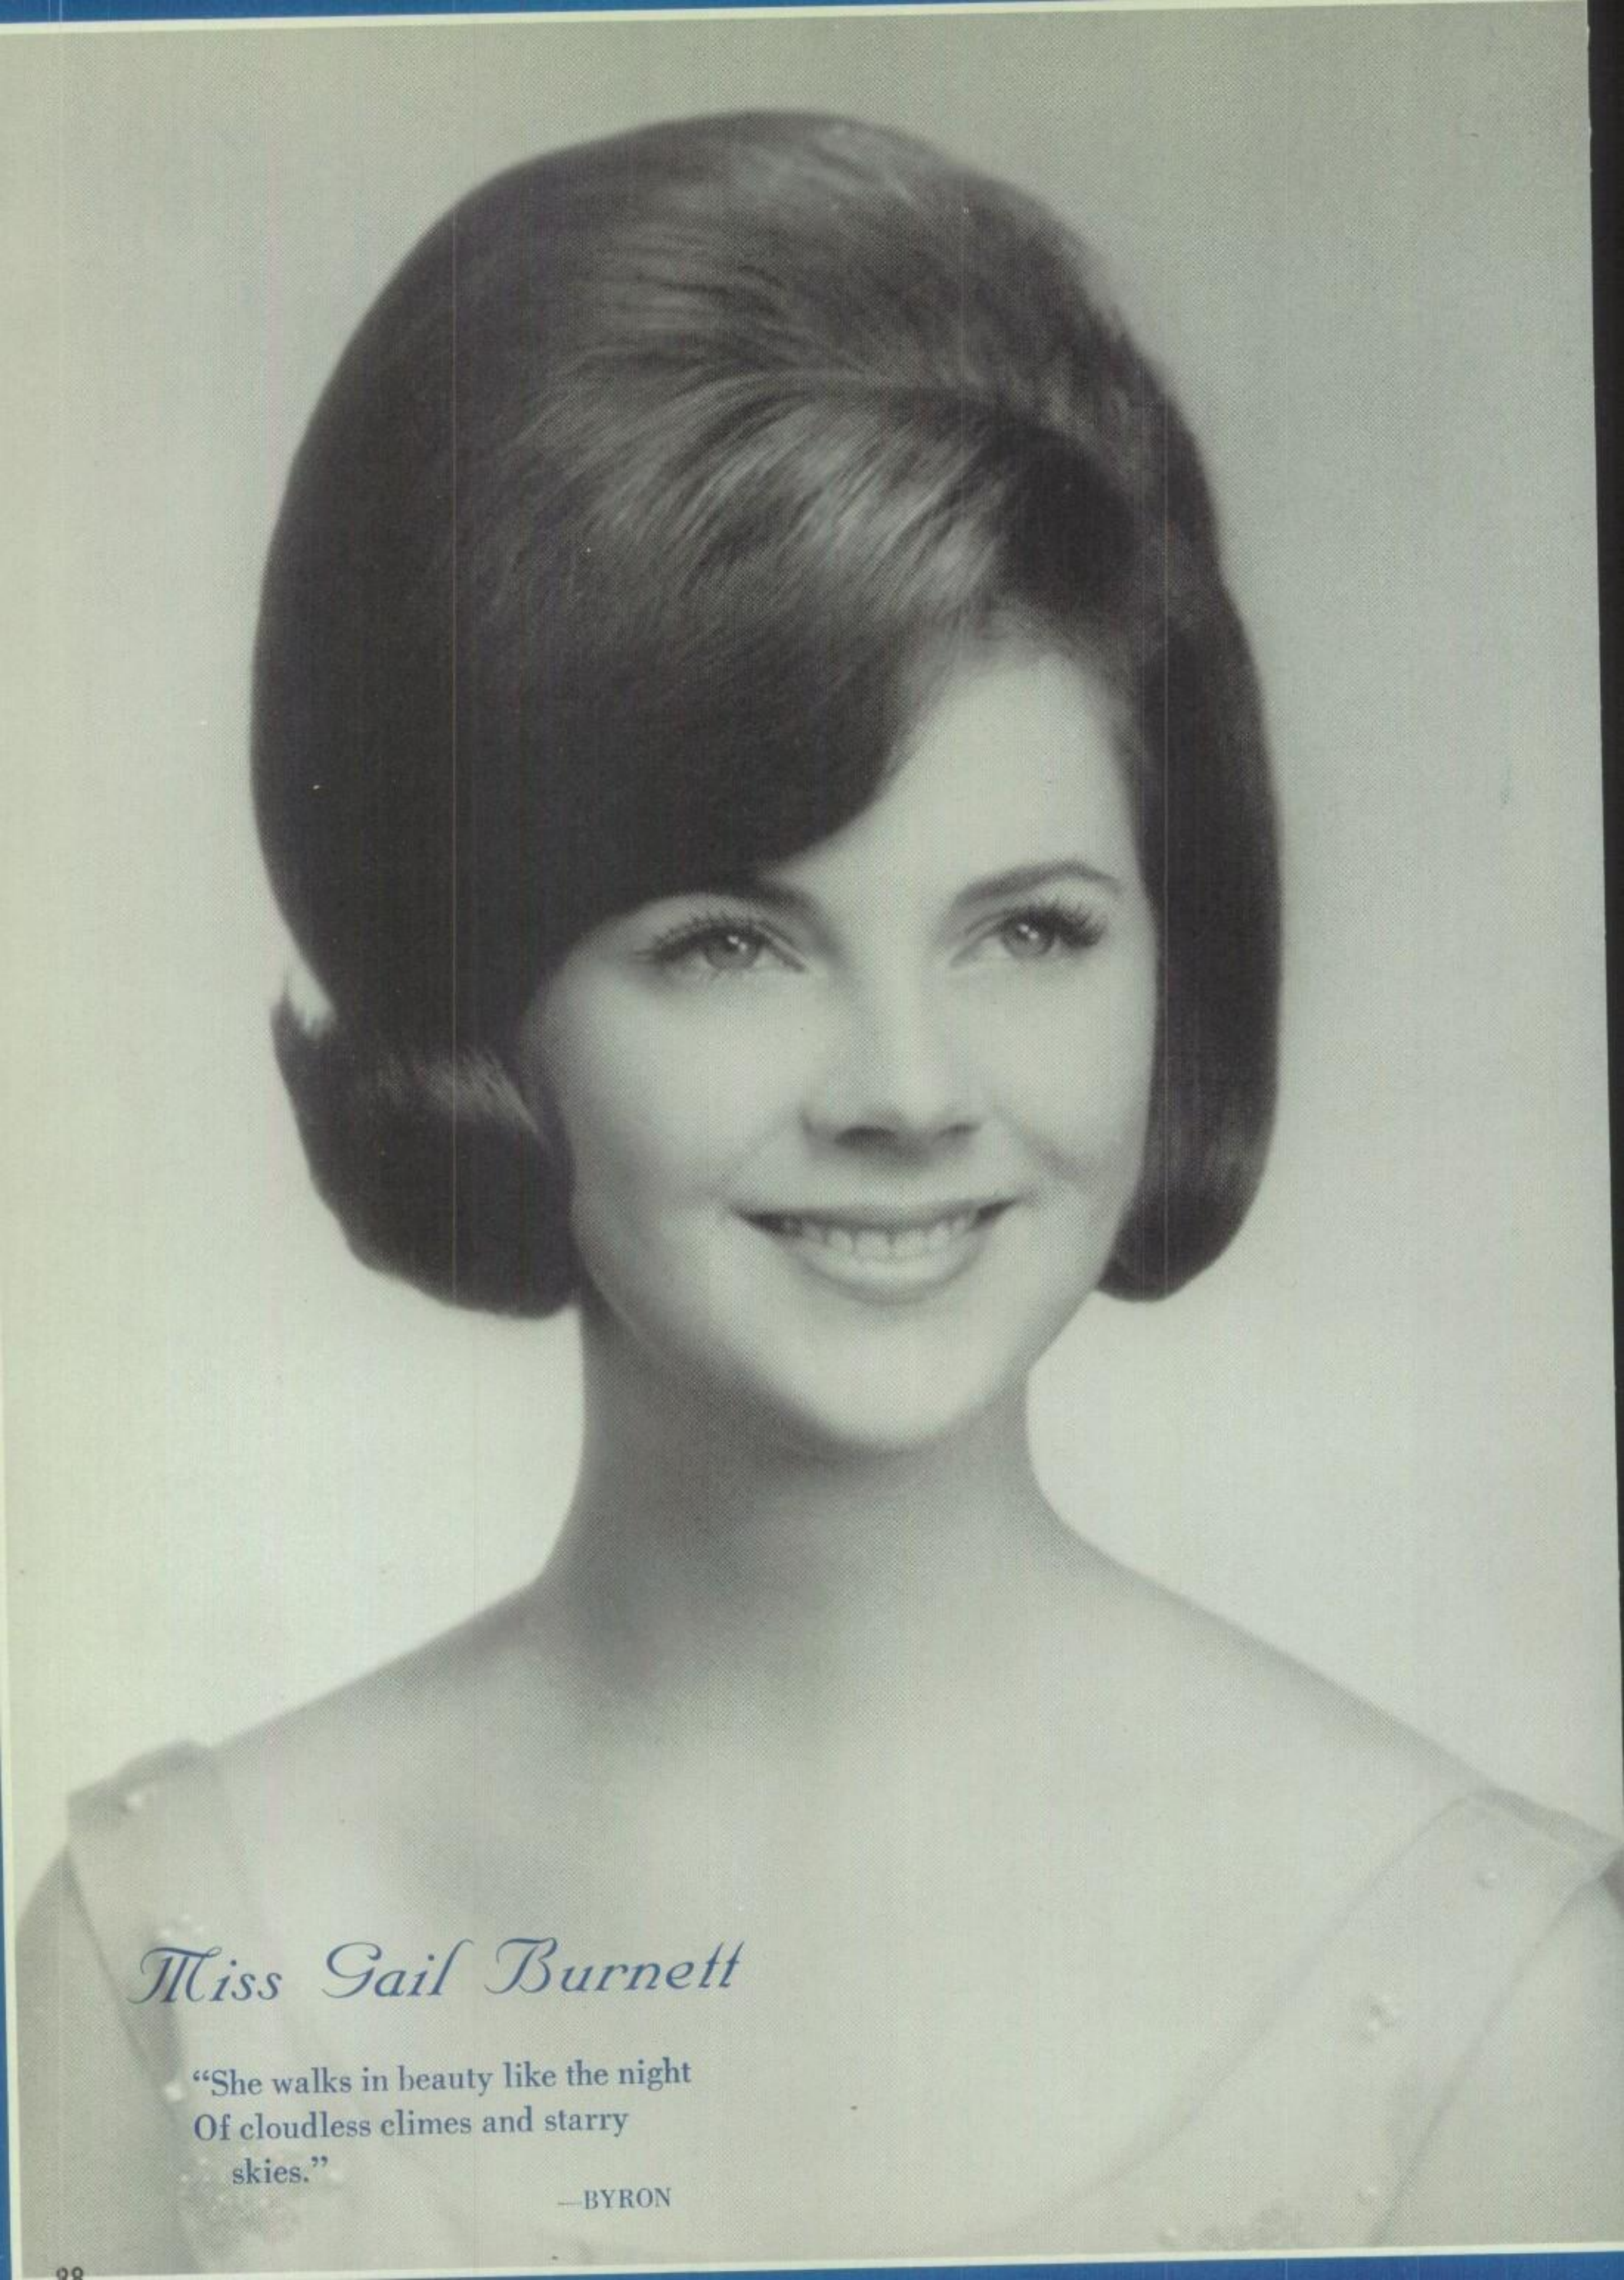

Each girl had been nominated by several homerooms in the fall and eagerly awaited her judging at the tea. The girls received grades on their photographs and their interviews. The *Document* staff is pleased to announce the judges' results.

Nominees discuss their interviews.

The Thomas Jefferson Beauty nominees chat while they wait for their interviews.

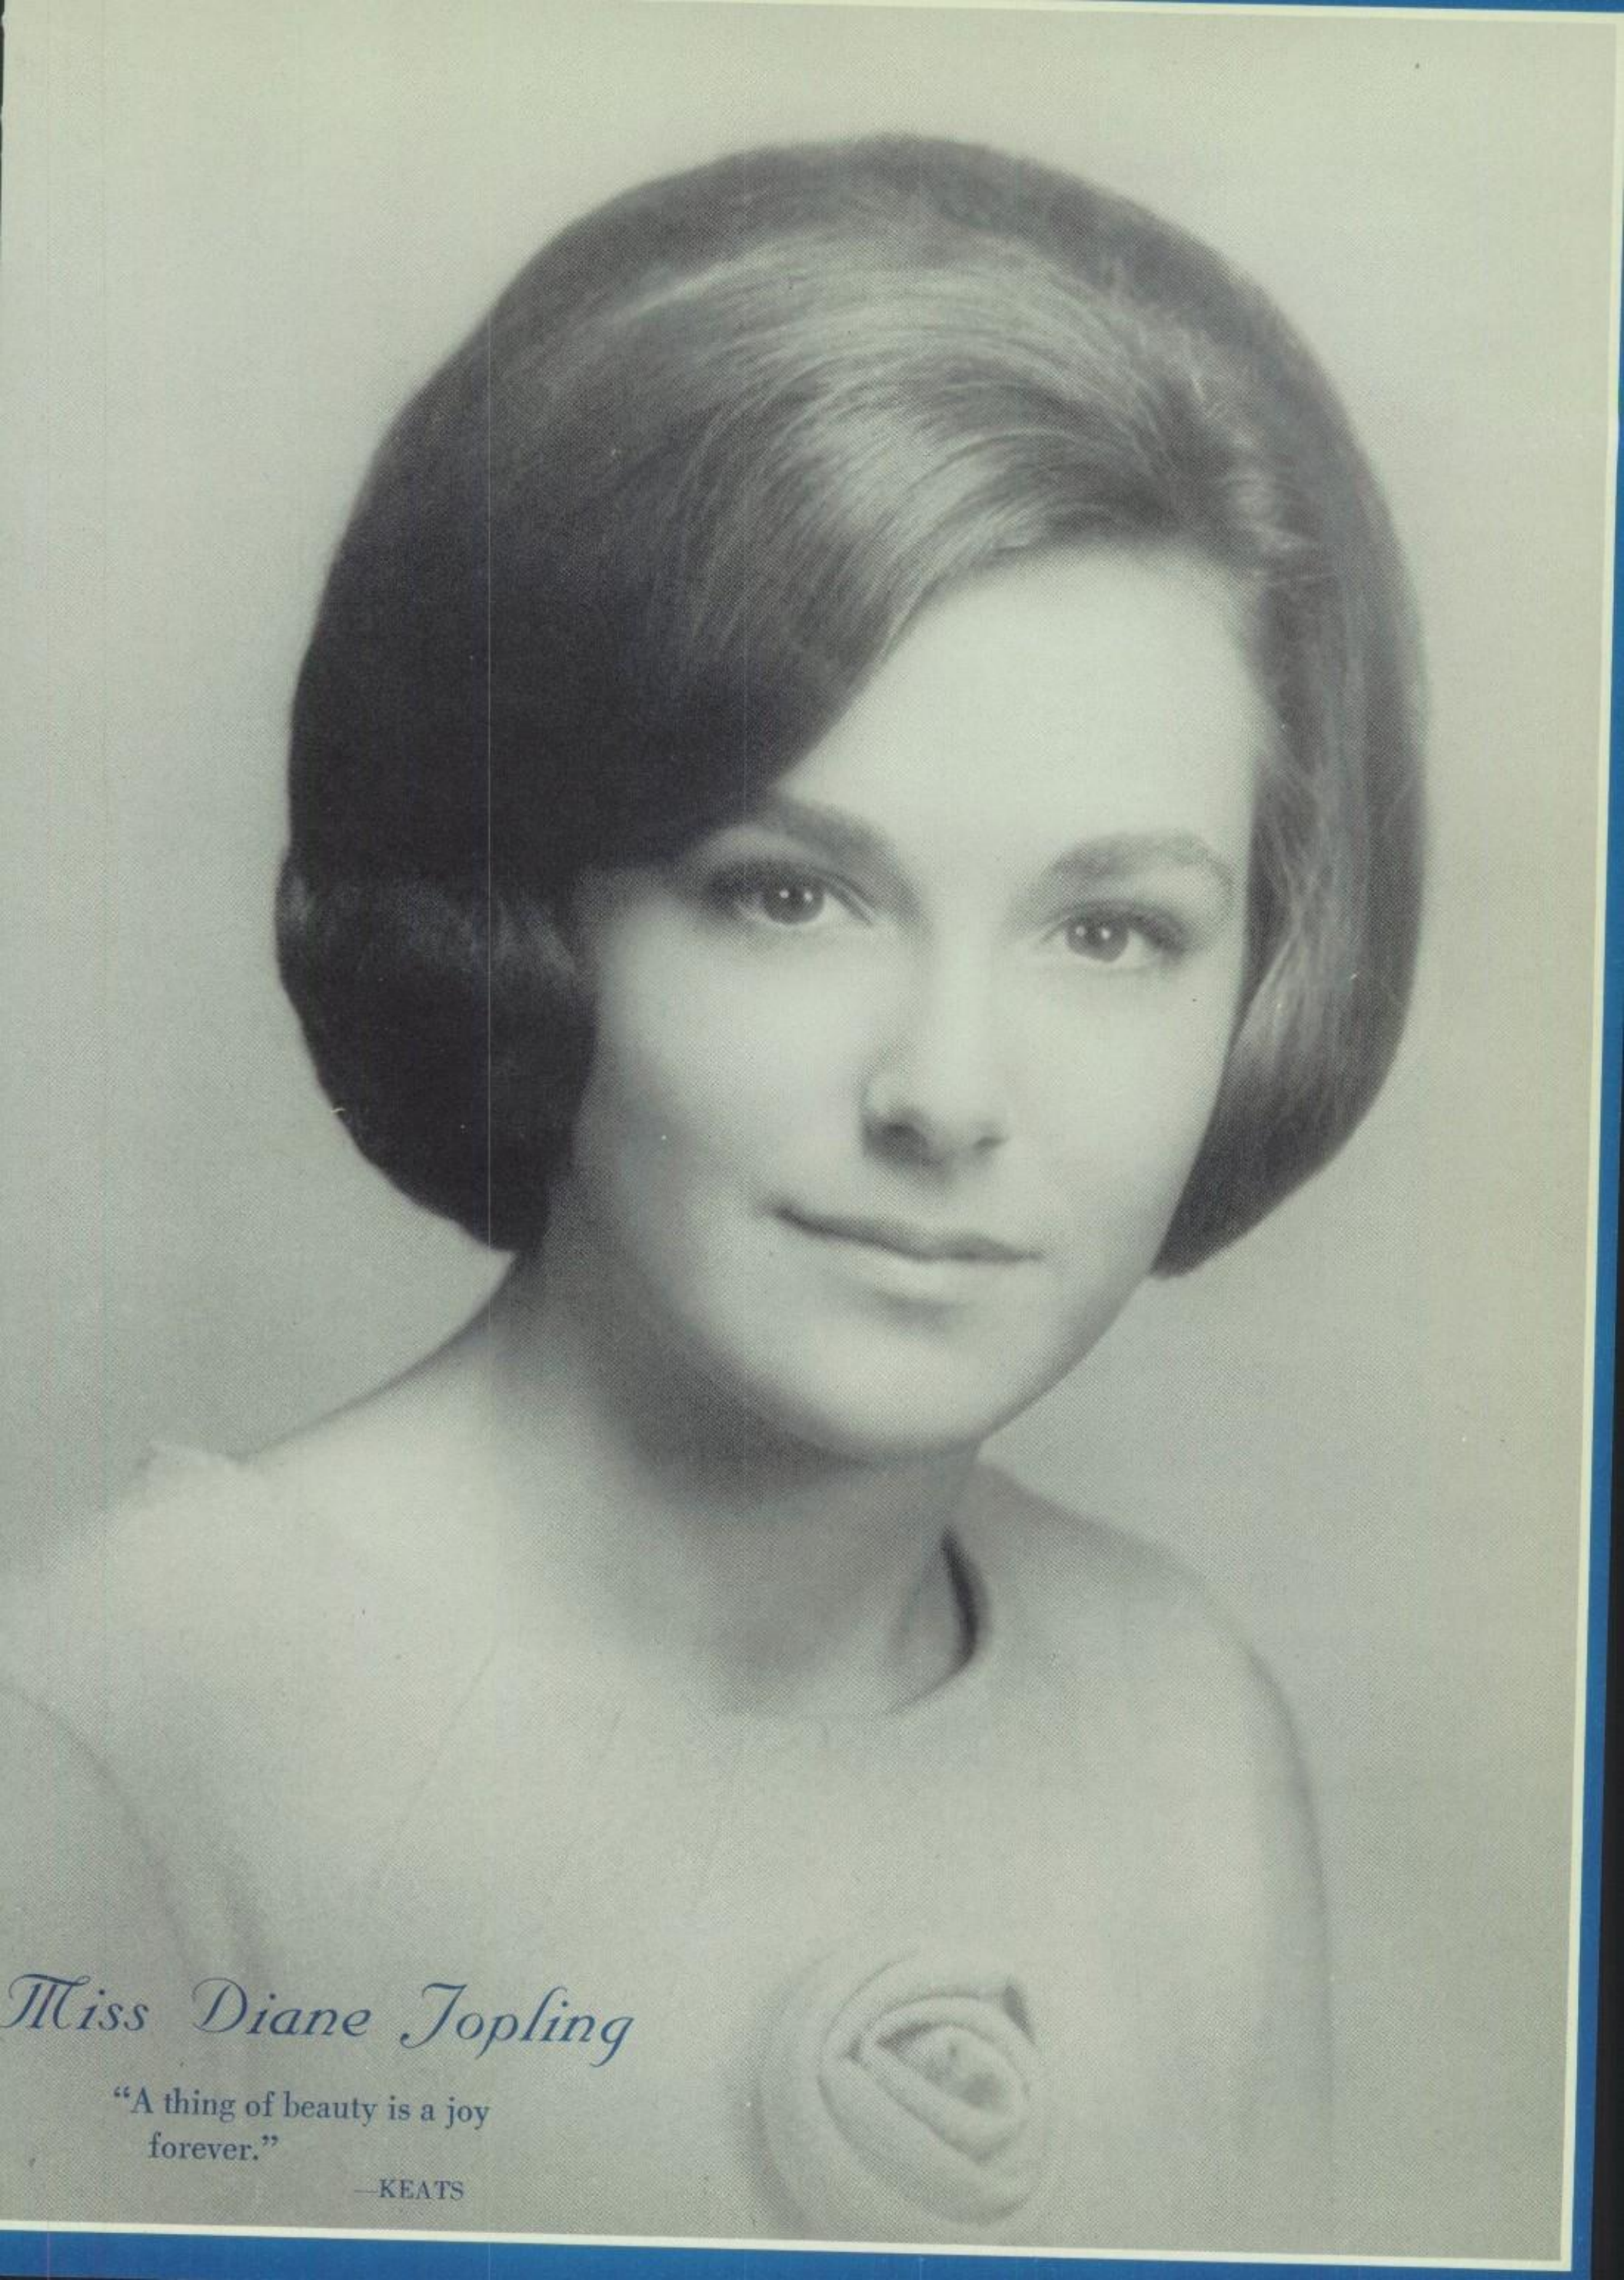

Miss Gail Burnett

"She walks in beauty like the night
Of cloudless climes and starry
skies."

—BYRON

A black and white portrait of a young woman with dark, wavy hair, looking directly at the camera with a slight smile. She is wearing a light-colored, possibly white, garment with a small, circular, textured brooch or pin on the left side of her chest. The background is a plain, light color.

Miss Diane Jopling

"A thing of beauty is a joy
forever."

—KEATS

Miss Chris Kageler

"Never lose an opportunity of seeing anything
that is beautiful; for beauty is God's handwriting."

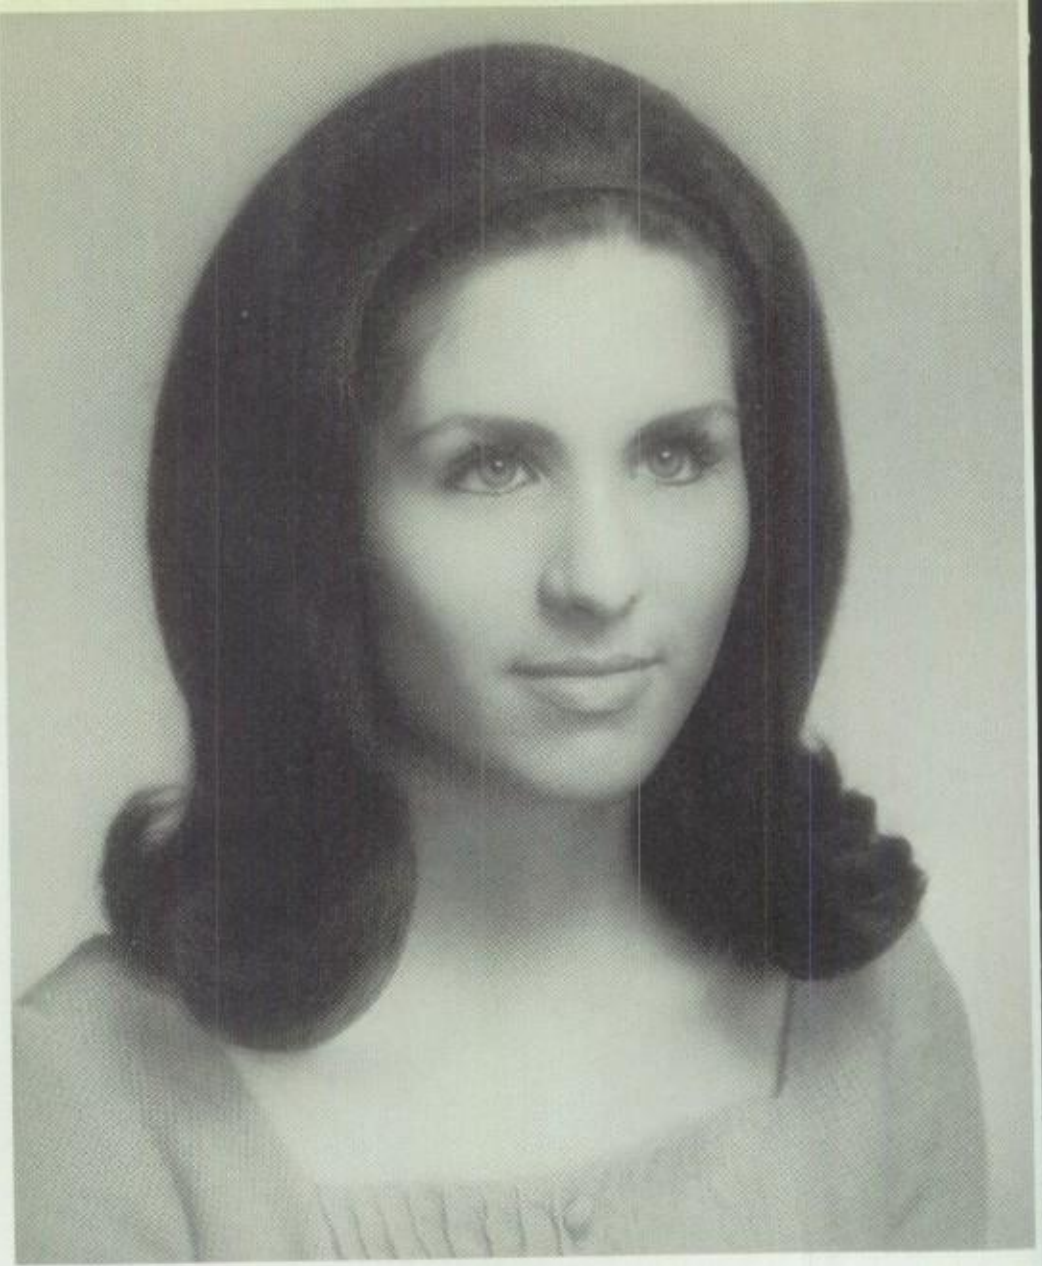

Browne & Browne

Miss Cindy Simmons

"A beautiful face is a silent commendation."

Seniors Participate in Varied Activities

After twelve years of hard work, it is with great anticipation that the Seniors look forward to their activities. They soon learn that their first activity, the Senior Play, calls for more labor. Thanks to the combined efforts of Mrs. Adams and Mrs. McKelvey, we were treated to a very professional production. As soon as the activity of that last high school exam is over and all seniors breathe a sigh of relief, they look forward to the Ice Skating Party given on the Monday after the Easter holidays by the Senior Mothers' Committee. On the last Friday that the seniors are in school, they meet in the auditorium for the Senior Assembly; after the assembly, they attend the Senior Luncheon sponsored by the Senior Mothers. That evening, the attire becomes formal as the seniors congregate at the Conquistador Ballroom for their Senior Prom. The following Sunday the seniors and their parents are invited to attend the Baccalaureate Sermon in McFarlin Auditorium. The Commencement Exercise is Tuesday evening, May 31, at Moody Coliseum. Parents and friends of the seniors were invited to watch as the graduates end their high school careers and begin their college and business careers. Finally, to end all formality, the seniors celebrate their graduation at Six Flags at the All-Night Party sponsored by the Senior Mothers.

Senior Class Sponsors are, *left to right*: Mrs. Mary Ann McClure, Mr. E. Boyd Curtis, Mrs. Patricia P. Ewert.

Thomas Jefferson

Senior Year . . .

"Blowing in mists
our dreams bring to mind
happenings of days gone by—
the timidity of our sophomore days,
the laughter
throughout our junior year,
and the busy,
yet somehow, carefree days
of our senior year.
Little remains
of our high school days
but memories;
all else has evaporated
into nothingness.
Solemnly we try to remember
all the forgotten faces.
Our hushed thoughts still the night.
. . . a cloud of memories."

The Junior Year

a time to belong . . . to be a part
. . . to become involved . . . to care

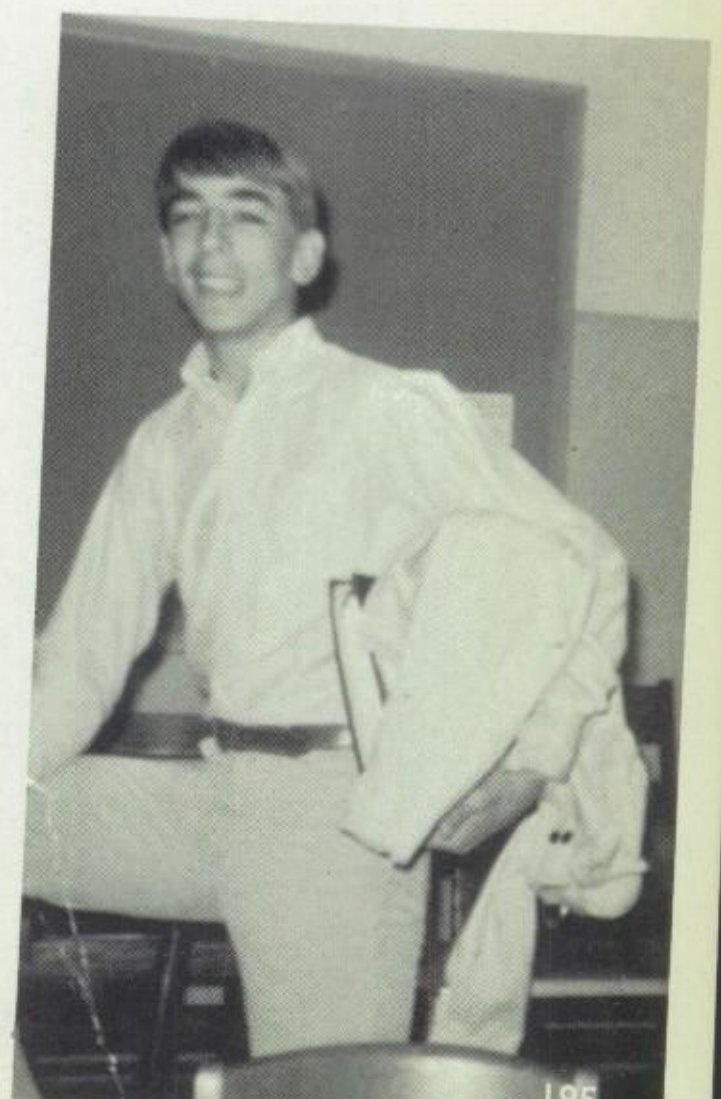

a time to dream
. . . to ponder the future

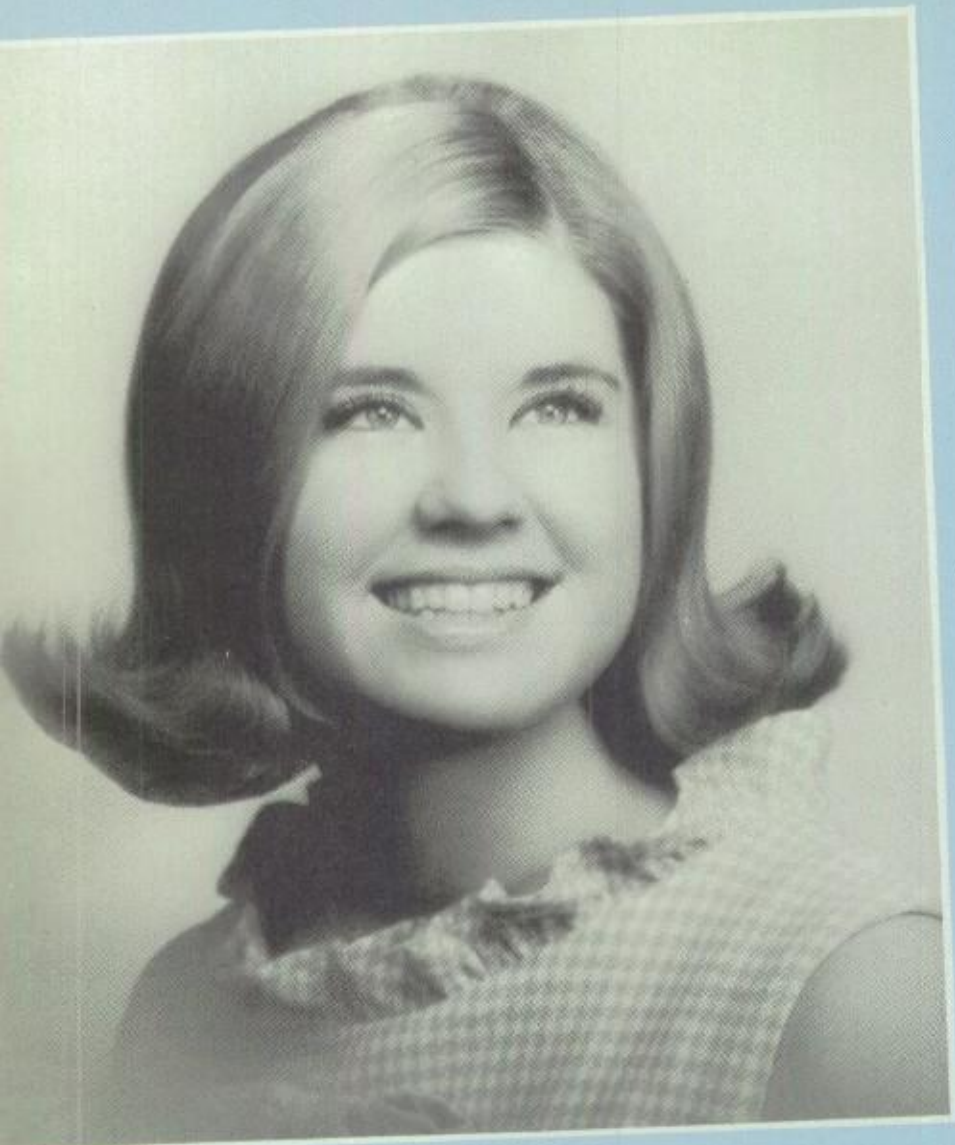

a time to feel important . . . to
carry weight and significance

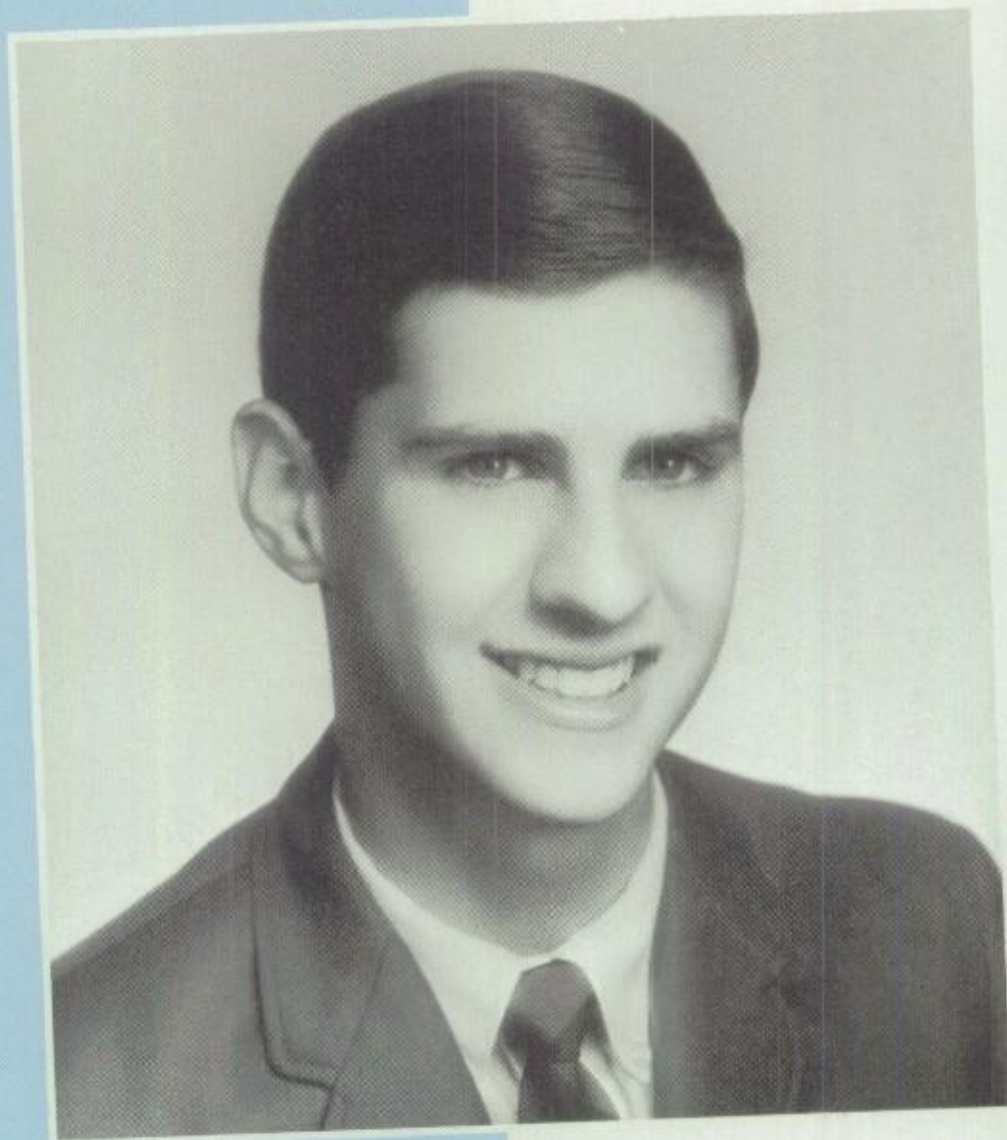

a time for laughter, fun, and happiness . . . free of the
inhibitions and fears of sophomores . . . free of the pres-
sures and responsibilities of seniors

Memories Are All That Remain . . .

Memories are all that remain of our Sophomore
Year at T.J. . . .

That first day of school . . .

Rushing through the crowded halls . . .

Bumping into strange people . . .

Then your driver's license . . .

That first car date . . .

The terrifying experience of getting out
of the T.J. parking lot . . .

Striving to adjust to the Rebel way of life . . .

Joining clubs and organizations . . .

Struggling to make snow and exams mix . . .

Rebel Spirit . . .

"The Sophomore Victory Cry" . . .

Then all of a sudden . . .

It's all over . . .

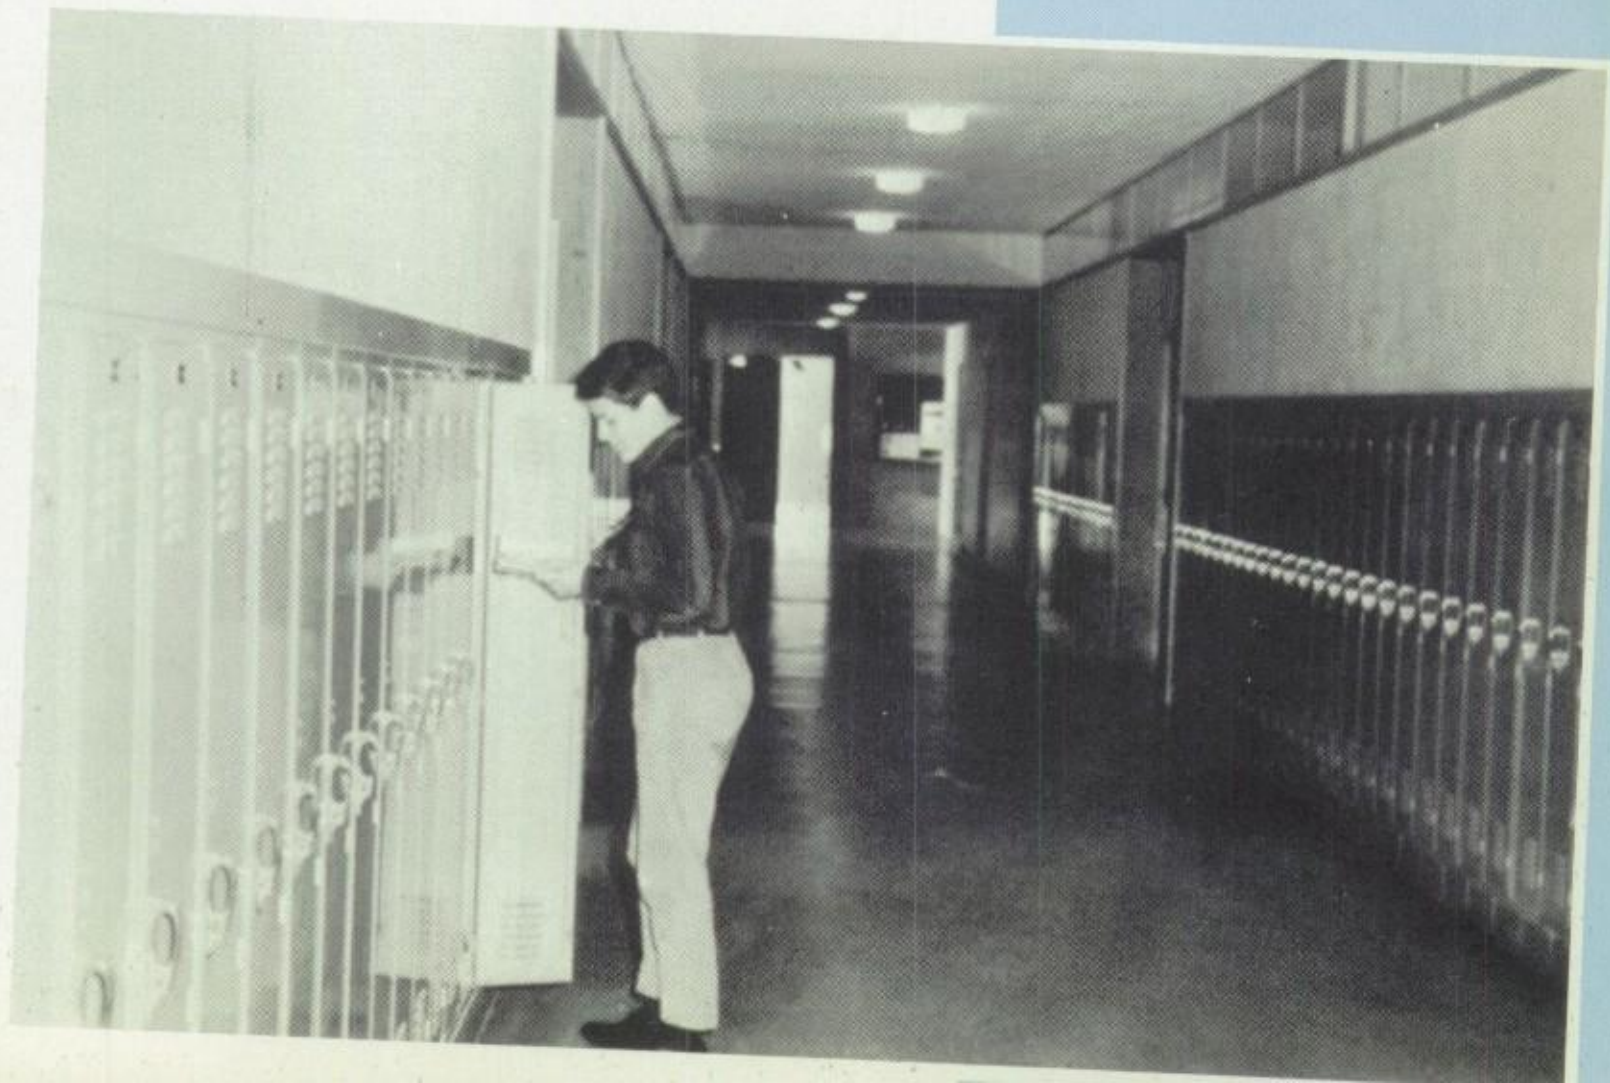

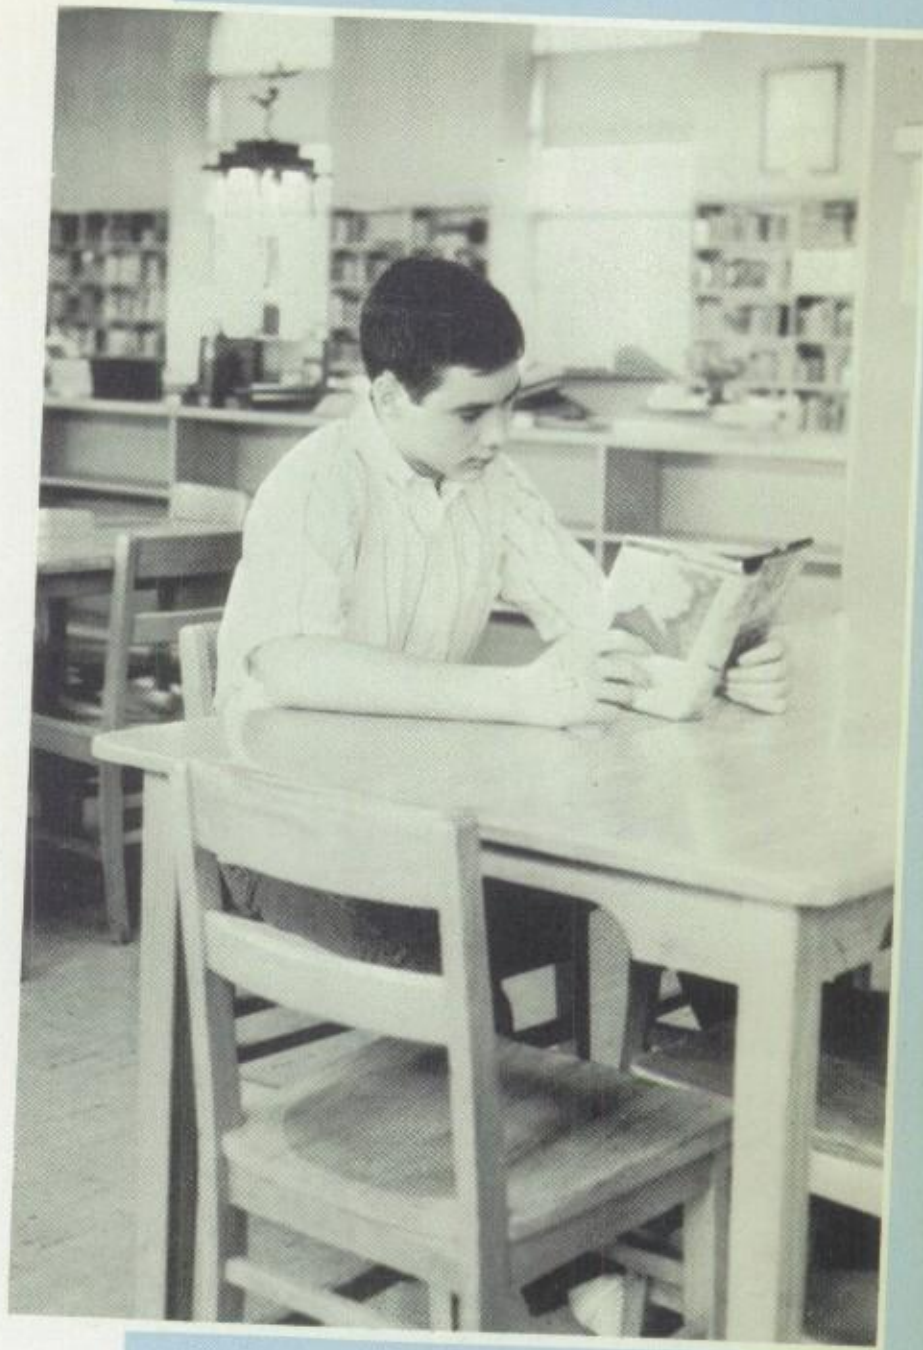

You are a Junior now . . .

The stairs aren't crowded any more . . .

And the halls are strangely empty . . .

The Seniors are gone . . .

Loneliness.

Communication between the officers, sponsors, and members of a club is a vital factor in carrying on the activities of an organization. The reaction of the public to a performance by the Orchestra, the reaction of the Student Body to ideas of the Student Council, and the club's reaction to the words of a guest speaker—these present the many-sided facets of our organizations.

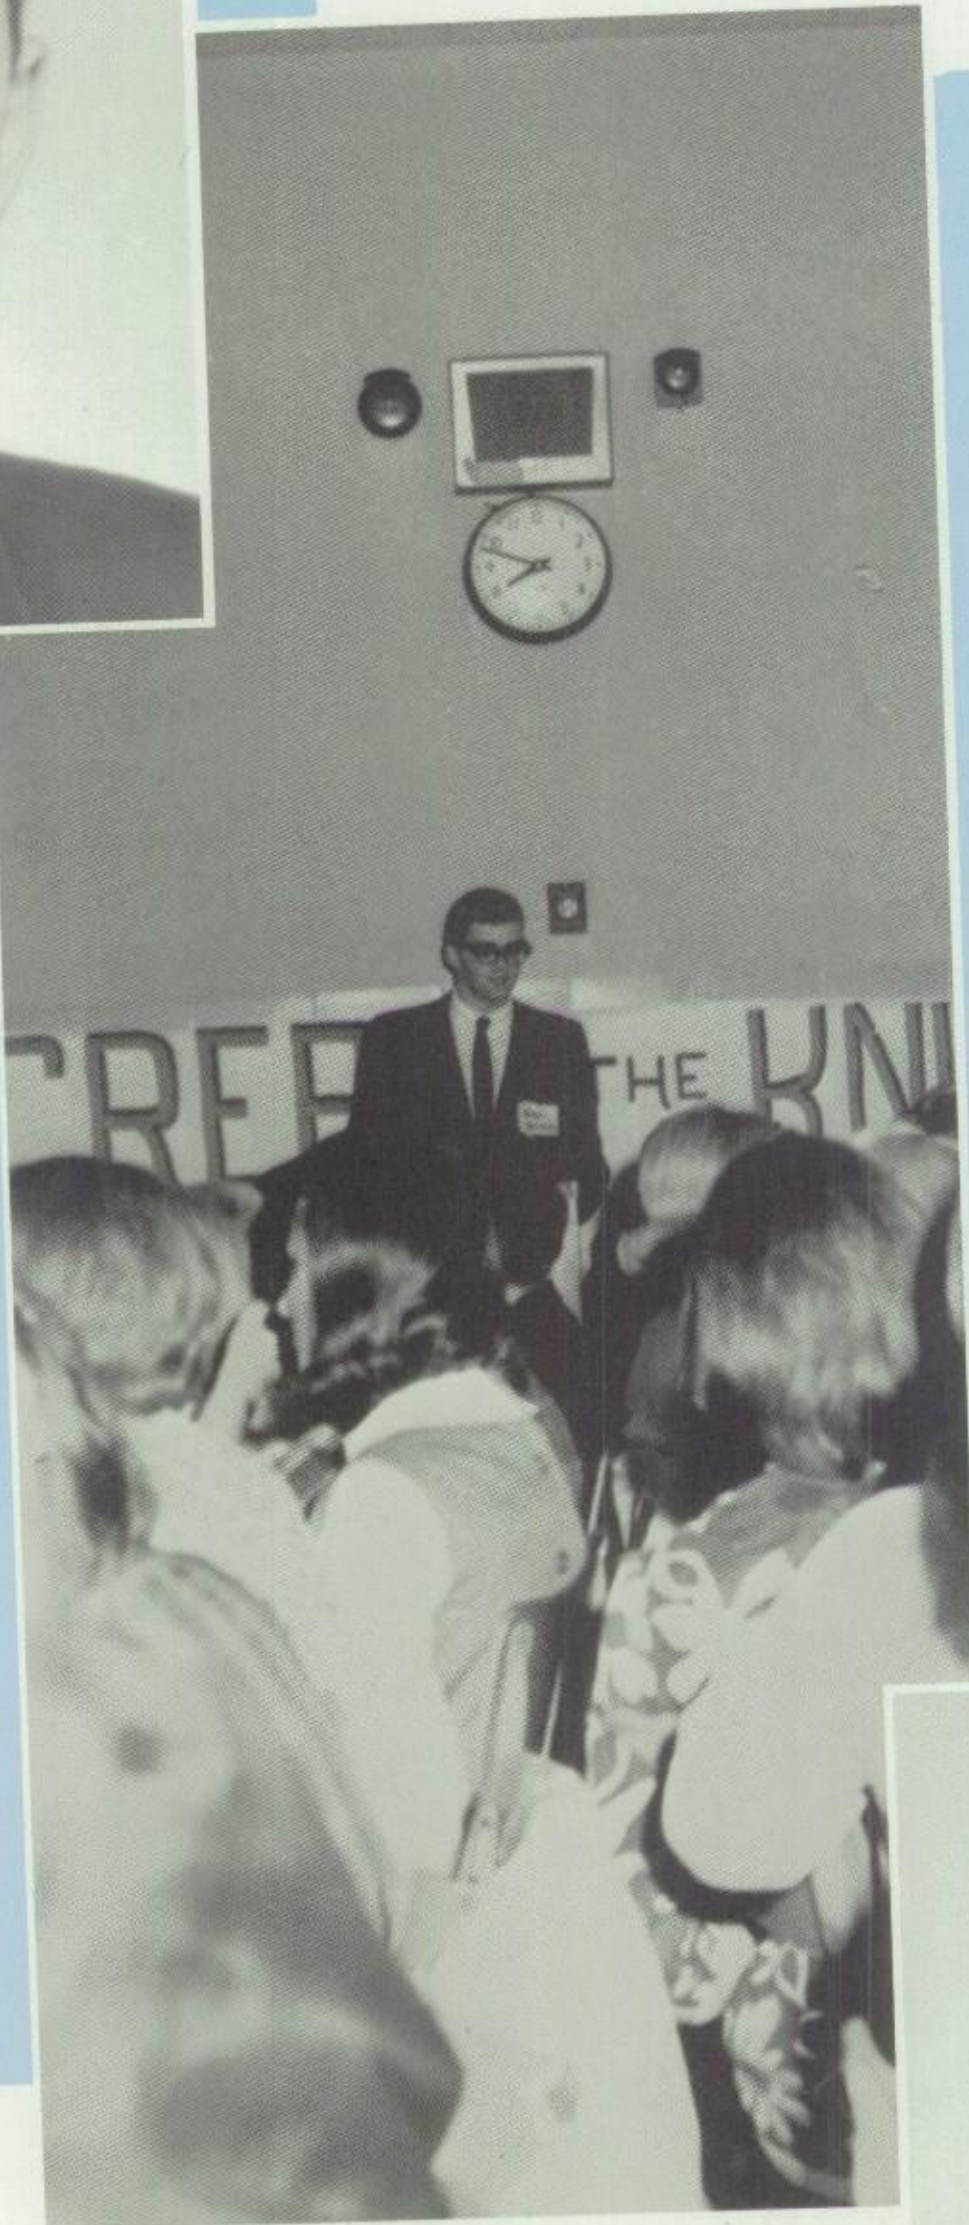

"For Every Action, there is a . . . Reaction

Initiates Thomas Jefferson Day

New faces, new ideas, and enthusiasm were three important characteristics of the Thomas Jefferson Student Council this year. From the orientation of the newly-elected representatives and alternates in late September through the organization of spring elections, the council represented the Student Body with its new and versatile ideas and activities introduced and enacted throughout the year. Besides the traditional projects, such as the Homecoming Dance, Thanksgiving Baskets, College Night, Career Clinics, and Teacher Appreciation Day, the council introduced two new activities. One of these was a Christmas service project; and the other was Thomas Jefferson Day, a time set aside to honor and to gain

greater understanding of the man for whom our school was named. Other projects were carried out completely by committees, such as welcoming new students throughout the year by the Welcoming Committee; organizing all elections by the Election Committee; and writing letters of recognition, gratitude, or condolence by the Correspondence Committee. The council also had representatives to the Dallas Youth Council and the Walnut Hill Recreation Building Teen Board. All in all, the Student Council enjoyed a very active and successful year which followed the motto it adopted at its first meeting: "Make the year '65-'66 one to remember!"

day morning executive meetings provided a time for representatives relate their ideas to the officers and to Mrs. Brock.

Initiates 104 New Members in Spring

"I pledge myself to uphold the high purposes of the National Honor Society to which I have been elected; I will be true to the principles for which it stands; I will be loyal at all times to my school, and will maintain and encourage high standards of Scholarship, Character, Leadership, and Service."

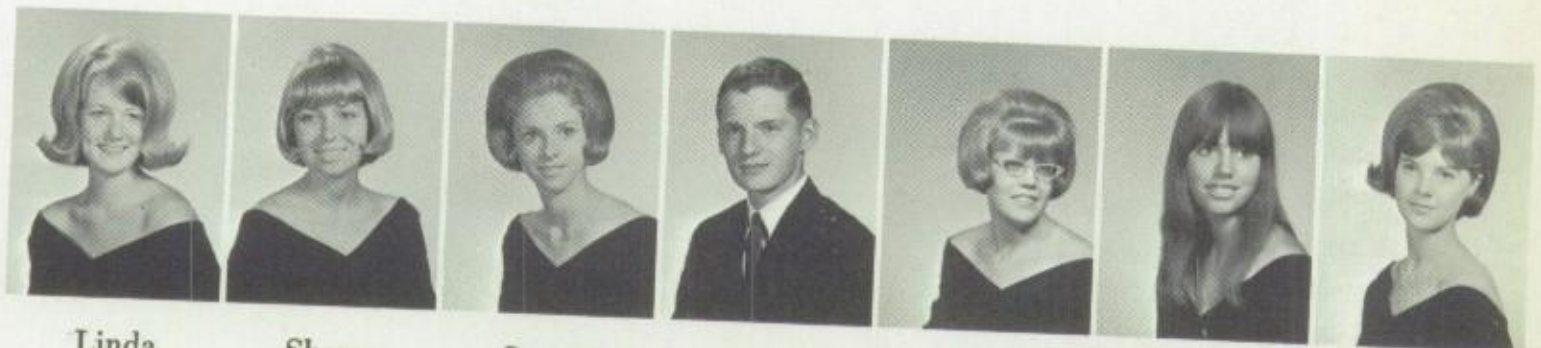

With this promise, new members of the Thomas Jefferson chapter of the National Honor Society are inducted each

spring. Membership denotes high scholastic standing, for each member must maintain a *B* average, with no grade lower than a *C* on the semester average in any subject. Although the Society rewards students for scholarship, it also recognizes character, leadership, and service as equally important qualities. This year's National Honor Society received 65 new senior members and 38 new junior members.

Key Club Elects First Sweetheart

Key Club is an international service organization sponsored by the Kiwanis International. It has many objectives: to develop initiative and leadership; to serve the school and community; to develop intelligent and aggressive citizenship; and to promote high ideals of patriotism, friendship, and unselfish service.

This year's projects included a Trick or Treat candy collection campaign, March of Dimes, Cystic Fibrosis, and other drives. The Key Clubbers had social as well as service activities with fall hayrides and Induction Banquet for new members. A new tradition was begun with the election of Sally Dedmon as Key Club Sweetheart.

Document and Reveille Staffs Recognize Outstanding Journalists

Quill and Scroll is an international honor society for outstanding students in the field of journalism. The Thomas Jefferson chapter of Quill and Scroll consists of those students on the *Document* staff or the *Reveille* staff who have done exceptional work. Membership is open to juniors and seniors ranking in the upper third of all classes, having been approved, recommended by their sponsors, and approved by the Executive Secretary of the society.

The *Document* is just what its name implies—a document of one year in the history of Thomas Jefferson. The book, enjoyed enthusiastically at its May issuance, gains importance, significance, and true meaning only with the passage of time. With every year that draws us farther away from high school life, the memories of our wonderful experiences at Thomas Jefferson become more dear. It is in retrospect that true appreciation of the *Document* and its significance can be realized.

What a monumental task it would be to create a book so full of memories: a book that must attain two levels of achievement—present, momentary enjoyment; and lasting, meaningful significance. Indeed, those responsible for such an undertaking are the first to comprehend its great importance and realize the scope, the depth, the difficulties of such a task.

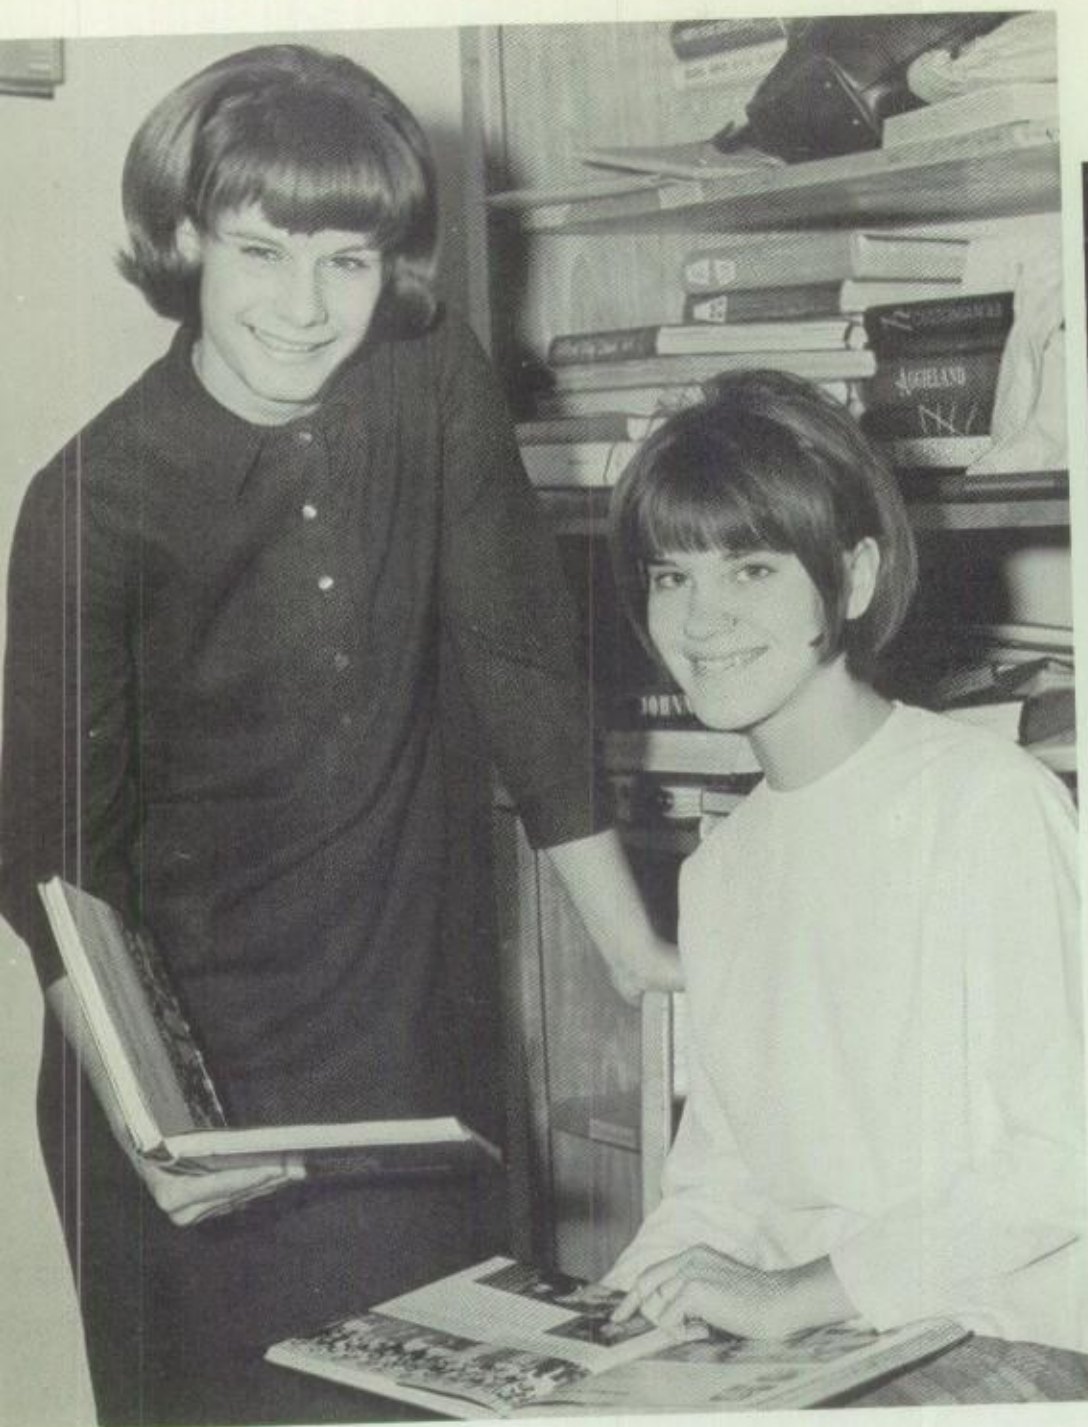

And yet they make the endeavor. From unorganized ideas, masses of mis-alphabetized class pictures, an overflow of casuals, deadline shattered nerves, and flaring tempers, the staff comes through and the annual is sent to press. The work, the strain, the shattered nerves are all replaced by a deep satisfaction and a deep pride as the staff looks upon its achievement. We hope you share our satisfaction and our pride in this, the 1966 *Document*.

Document Award

With the publication of the first edition of the Document, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The *Document* Award honors not only journalistic achievement, but also unselfish service and willingness to perform that which is beyond the expected; in honor of the first seven winners, no more than seven elections will be recognized in any one year. It is hoped that each successive group will live up to the standard of excellence begun by the first and continued by the following award-ees.

The Reveille

Mrs. Maurine Fussell
Sponsor

Many hours of diligent work are put into each edition as *The Reveille* is published bi-monthly. Stories must be assigned, events reported, pictures taken, advertising sold, leads and headlines written, copy checked, galleys proofread, make-ups completed, and deadlines met before the paper goes to press.

Coverage in features, editorials, special columns, and articles present the subscribers the best of newsworthy information on the happenings about school. *The Reveille* is the printed spirit of Thomas Jefferson, and it maintains a high journalistic standard.

Stage Band Sets Serendipity to Music

Jazz . . . Blues . . . music that swings is the trademark of the Rebel Stage Band. The ensemble is composed of members of the Symphonic Band. Although the group is small, they spend their time in making good music and learning improvisation under the outstanding leadership of James Fox and Doug Saxon. The club this year was a pleasurable addition to the acting and antics of the Thespians in Serendipity and was excellent entertainment at various social functions.

Practice makes perfect
and all that "jazz."

Rebel Band Is Nationally Televised

The Thomas Jefferson Rebel Band is an active organization within itself; but composed of the marching band are two separate bands, each with independent functions and abilities. The Rebel Band is divided for rehearsal purposes and concert practices.

Sixty outstanding musicians compile the Symphonic Band, which meets first period every day. The varied activities include a Christmas Concert in December, a Winter Concert in February, the T.J. Festival and Concert in April, a concert with combined elementary bands in April, and the University Interscholastic League and City Band Contests in May.

Second period, the Cadet Band meets, which is the training band. The activities of this facet are attending and participating in the City and T.J. Contests.

These two bands together compose the Thomas Jefferson Rebel Band, which is a main key to the Rebel Spirit as it attends all pep-assemblies and games during the football and basketball seasons. This year the Rebel Band also marched in the nationally-televised Cotton Bowl Parade as an escort for the Dallas float.

Reb Belles Put Best Foot Forward

Rebel spirit personified ... in their bright smiles, shining eyes, and glowing faces ... as they cheer in assemblies; as they let their spirit burst forth in enthusiastic yells at games; and as they proudly, expertly march on to the field at halftime. Making the Rebels proud ... as they travel to out-of-town games to carry on the TJ spirit; as they perform on national television in the New Year's Day Parade. Reb Belles—spirit, talent, friendship—proud of TJ and making TJ proud of them.

TJ Orchestra Achieves Five Members in All-State Orchestra

The All-State Symphony Orchestra is composed of the most talented high school musicians in the state of Texas. Five members of the Thomas Jefferson Symphony Orchestra were selected for the All-State Orchestra. Each applicant had to pass a regional audition before qualifying to send a tape recording of his audition to Houston for final selection. Membership in the All-State Symphony Orchestra is the highest honor an orchestra member can receive.

Throughout the years, Thomas Jefferson has been fortunate enough to have an unusually high percentage of its students selected for membership in the All-State Symphony Orchestra. This year's representatives are: Marilyn Sanders—Cello; Charles Fox—Violin; Ken Travis—Violin; Kathy Rogers—Cello; and Craig Logan—Trumpet.

Girls' Choir Strives for Excellence

Mr. Jack
Cannon
Director

In its second year the Girls' Choir has proved itself to be among the best in the city.

Under new direction of Mr. Jack Cannon, the Girls' Choir has been working in correlation with the Concert Choir to present to the student body and the general public many ex-

citing programs. The Thanksgiving, Christmas, Easter, and P.T.A. performances are just a few of the choral activities to its credit this year. The highlight of the year was their performance at the North District Choir Program where they were the only girls choir in the city.

Art Service Designs Set for Senior Play, *Brigadoon*

Miss Marian Cole
Sponsor

Art Service is one of the oldest, largest, and busiest clubs in the school. Each year the club sets out to tackle the many projects of service in an effort to create interest in all phases of art for the students of TJ. ASC's motto is, "The difficult is done right away, but the impossible takes a little longer."

Some of the club's projects included:

decorating for Homecoming, assorted dances, and banquets; painting scenery for the Senior Play and spring musical; plus many poster activities. Also through films and guest speakers the Art Service Club tries to explore the many realms of creativity, craftsmanship, originality, and design, with emphasis on creating interest and appreciation in art.

Library Service Club

Encourages the Use of Books

To promote reading and knowledge of libraries and books; to serve the school by helping with the preparation of books for shelves, organization of materials on shelves, and circulation of books; to provide recreation for student library staff; and to promote fellowship within groups—these are the purposes of the Library Service Club. Some of the club's activities this year were a trip to the Dallas Public Library, Christmas party, and a final spring banquet.

Actors Shine During Drama Club's Second Season

The Drama Club, after only its second year in existence, rose to a position known and honored by many of the student body. While this club provided the chance for its members to become more affluent in drama and the art of speech, it also performed worthwhile services to the school as a whole by entering city and statewide speech tournaments and producing memorable programs such as the Thanksgiving assembly. Because membership in the Drama Club is obtained by an audition, the club is composed of the talented students needed to make this facet of the school's speech department the success it has been.

Providing theatrical entertainment for TJ, the Thomas Jefferson Thespians, honor society of the school's drama club, completed its second year of active participation in school and community dramatic productions. In December several members of the club took leading roles in the Senior Class play; and early in the second semester, the club competed in two speech tournaments, the first at Bryan Adams and the second at Waco High. The Thespians sponsored their annual variety program "Serendipity" in May and after this successful production, many of the members participated in the P.T.A. program presented later that month.

JCTC Supports "Safety in '66" Program

The Junior Citizen's Traffic Commission has assumed the role of keeping safety foremost in the minds of Thomas Jefferson students. Through such activities as the Safety Assembly on November 4, the Lock Your Door Campaign, weekly posters and announcements, and the annual Youth for Traffic Safety Conference at S.M.U., the council continually strives to establish and maintain an atmosphere of safety with our school's drivers.

Christmas Project Highlights Year

Mrs. Patsy
Cloud
Sponsor

A main representative group in Thomas Jefferson is the school's chapter of the American Red Cross. This club is handled similarly to the Student Council. Each homeroom, at the beginning of the school year, elects both a representative and an alternate to be the voice of that class in the Red Cross. These representatives attend the monthly meetings expressing their homeroom's ideas for club projects, and they report to their homerooms on the club's activities. So through his representative, everyone is able to be an active participant in the school's chapter if he chooses.

One of the major projects is the annual Red Cross Drive which is held in all schools all over the country. The club usually sponsors other activities throughout the year, such as filling Christmas-stockings as a service project.

During December the Y-Teens enjoyed a holiday party and wrapped presents for South Dallas children.

Y-Teens Send Books to Vietnam

Y-Teens were kept busy this year promoting goodwill through-out the Dallas area. The service projects included adopting a West Dallas family for the school year; taking orphans to the zoo, a dairy farm, and Fair Park; and collecting needed articles for the Coronation Home for the aged. The club also held a Christmas party for the children at Fowler Home and an Easter Party for the mentally retarded children at the Ann Dalton Home. In response to a city-wide project, Y-Teens sponsored a book drive for the soldiers in Vietnam.

Speeches and Trips Keep Future Nurses Active

Peggy Crow
President

Jean Cryder
Vice-President

Susan Crozier
Treasurer

Through the expressed interest of its members, the Future Nurses Club determines activities which will acquaint the members with the nursing and pre-medical fields. Some of these activities this year were: speakers from St. Paul's Hospital, the Mental Health Foundation, Timberlawn Psychiatric Hospital, and the Denton State School. The club sponsored a program at the Cerebral Palsy Center, toured Wadley's Blood Bank, entertained a panel of student nurses from the Dallas area, and attended Science Day at the Texas Woman's University. One of the last official gatherings was a tea honoring the graduating seniors.

English Guild Opens Door to Sophomores

The English Guild was formed by students who have a more-than-moderate interest of drama and creative writing. The club's plan was to alternate the meetings; every-other-one had an activity relating to the theater, and the others to some form of writing. Trips to stage productions and movies were planned for every month. Miss Siddie Joe Johnson, a Dallas children's author, spoke to the group at one meeting which was one of the interesting programs. The club, previously for upper-classmen only, allowed sophomores the right to join this year.

Duces Latini Has Fun-filled First Year

Duces Latini is open to all first and second year Latin students who are interested in getting better acquainted with other classmates and club members through social activities. During its first year, the club had two dances, both very successful; a hayride in March; a banquet with Mrs. Mason's Latin Club in April; and a swimming party in May. Under the sponsorship of Mrs. Margaret Hastings, the club strives for a more social aspect of club activities.

German Club Led by Travelers

This year the German Club was greatly aided by the inspiration and enthusiasm instilled in the club by both the president and vice-president who had recently returned from summer trips in Germany. Many meetings consisted of lectures and movies presented by the two travelers about their journeys, and time was also used to organize a German play which was given in early spring. The club also sponsored the annual German banquet in late spring.

Ann Moor helped lead the club with vivid memories of her summer in Germany.

International Club Supports A.F.S. With Bake Sale, Garage Sale

The International Club does Thomas Jefferson, a great service, by working with the TJ chapter of the American Field Service to help provide the money needed to support our two foreign exchange students. Assisted by Mr. Arch Gibson, faculty sponsor, the club sponsors annually a garage sale, a bake sale, and a membership drive to help raise the funds.

Through the meetings and other programs, club members had an opportunity to learn more of other countries

and thus increase their understanding of foreign customs and problems. Ann Moor showed her films of Germany and discussed her stay there. Norberto Badano of Argentina, Chawee, Silapacharanan from Thailand, and Jacques Ruten of France held question-and-answer session of the respective homelands. A new feature for this year was a banquet featuring the favorite foods of foreign countries.

Science Club Spends Last Year With Mr. Blaser

The Science Club enjoyed a successful year, in its last under sponsor Mr. Blaser. The club devoted most of its energies to its quiz-down teams that competed interscholastically on Channel 13, and the members also heard numerous speakers from local industry talk at the monthly meetings. The first and second quiz-down teams of ten competed throughout the year to determine the Thomas Jefferson contestants for the Interscholastic League Contest; and, supplementing this activity, the club took several field trips to parts of Dallas.

Math Club Explores I. B. M., Russian Roulette

Thomas Jefferson students interested in increasing their knowledge of higher mathematics find that the Math Club affords them an excellent opportunity toward this aim. Some of the club's activities this year were trips to the I.B.M. plant and Texas Instruments; speakers from various industries; preparation for Number Sense, a math tournament; and lessons in Russian Roulette. The goal of many Math Club members is to earn membership, through club activities and good grades, in Mu Alpha Theta, a national math organization. Members of Mu Alpha Theta this year are: Susan Jordan, Joel Williams, Ricky Lowerre, Kay Woods, Tommy Hill, Jack Bryant, Shirley Coles, Nancy Starnes, Mary Phillips, Rick Peiser, and Reine Mitchell. "For Every Action, There is a . . . Reaction."

Long after we have forgotten the sports events that took place this year, we will experience a thrill when we see the Rebel flag. For the flag has become the TJ banner that leads an indomitable spirit on the field. It is a symbol of the hope for one more touchdown in the Homecoming game; the hope for another basket in the finals; the hope for a homerun at the last minute; the hope for a victory over men and time. Although we may forget whether we won or lost, we must always remember the fervent desire, the desperate hope, the spirit that followed the Rebel flag on the field.

Cheerleaders Perform Acrobatics With Precision

For the first time, cheerleading in Dallas has taken on a new trend, the use of special acrobatics. Cheerleaders perform hand-springs, flips, somersaults, round-offs, and others. Our cheerleaders have kept up with the changing times, and they are quite capable of performing any of these.

Our cheerleaders this year showed their precision by receiving two first place awards, three second place awards, and one honorable mention at the Southern Methodist Cheerleading School. All were received in competitive workouts.

Miss Sarah Hardy was the "Guiding Light" for the cheering squad this year, as she has been for the last seven years at T.J.

Cheerleaders lead pep assemblies and Rebel spirit.

Varsity Coaches Are the Backbone of the '65 Rebel Squad

THE '65 REBEL FOOTBALL TEAM has been fortunate for the third year in a row to have Robby Campbell as their head coach. The squad is also very lucky to have the leadership of assistant coaches Allen Kirk, Ralph Reynolds, and Barry Dowd.

The REBEL coaching staff not only teaches their boys plays and team strategy, but also helps groom their boys into fine citizens and good sportsmen. Because of the drive that it takes to produce a championship team, the coaches devised a method in which an incentive would be placed in all the team and teammates so as to make them work harder and create a team of precision and of victory. The way by which they achieve this is by giving awards, such as Colonel Reb, who is the player of the week; Defensive lineman; Offensive lineman; Offensive back; and others.

Rebels Cage Lions 14-13

The Rebels opened their football season with a tremendous victory over the Carrollton Lions. The Rebels were led by quarterback Joe Dowd and Senior back Andy Enlow.

The game was won by a margin of: T.J. 14 and Lions 13. One key toss which provided the victory for T. J. was a 15-yard pass from quarterback Joe Dowd to Senior back Andy Enlow. The actual driving force of the Rebels was made by Dowd, when

he made the first touchdown and a series of 13 plays for a total of 59 yards. The second touchdown was made by quarterback Dowd also when he couldn't find a receiver on a two point conversion play, so he ran the play himself for eight yards and a touchdown. The Rebels continued playing the same way for the remainder of the game and left no opening for the Lions to score; therefore, the Rebels became victorious.

After the Rebels had won their first and opening season game against Carrollton, spirits were high and the atmosphere was exciting. All were awaiting the climax of the game with the Woodrow Wilson Wildcats.

The Rebels fought hard and slowed down the Wildcats from their rushing yardage, and their offensive fought to infiltrate the defensive line of the Wildcats. But the team wasn't working as a team, and the breaks just weren't on the Rebels' side. The Rebels, however, did start to function in the fourth quarter when halfback Forrest Dunlap took a pitch back from quarterback Joe Dowd, backed up ten yards, then threw a 26-yard touchdown pass to Dowd. But it was too late because the end of the game was hurriedly on the heels of the Rebels.

The Wildcats had shown complete precision with their teamwork led by quarterback Leon Seith, who completed seven out of eight passes for a total of 199 yards to end Bill Jenkins. They were also aided by the graceful ease of running-back David Thomas.

The Rebels had not proven very "touch-down" conscious, and the stands had been cleared very unwillingly. But the Rebels still had faith in themselves, and they were going to show it because the season wasn't over. They knew that the spirit of T.J. was behind them all the way.

Eagles Claw Rebels 35-6

Phil Ray has refreshment during game.

Although the Rebels had traveled from Dallas to Abilene, they were ready for the Eagles; and they were going to win.

The Rebels fought hard, but the team just couldn't hold the driving force of Eagle Tim Thurman and the precision passing of Santos Rodriquez; and fatigue was slowly setting in.

The Rebels did start clicking towards the end of the game when Rebel quarterback Joe Dowd marched upfield for 64 yards in a series of 12 plays and on a one yard plunge made a TD.

After the Rebels had been beaten in Abilene by the Eagles, they decided to start playing football. But the Cougars were complete masters of the situation Friday night as they amassed 569 yards total offense while limiting T.J. to only 136. The Cougars never let up either, firing their last touchdown pass in the final minute of the game.

The Rebels' greatest threat came in the third quarter. Following a foul Bryan Adams' punt, the Rebels found themselves in motion from the Cougar "27." T.J. got as far as the Cougar "17" before passing out of contention.

The Rebels fought hard, but the precision ability of quarterback B.A.'s Bruce Strenrud and half-back Ronnie DeCapua were just too much, and the Cougars proved to be a very fine team.

Rebels

Catch Bulldogs

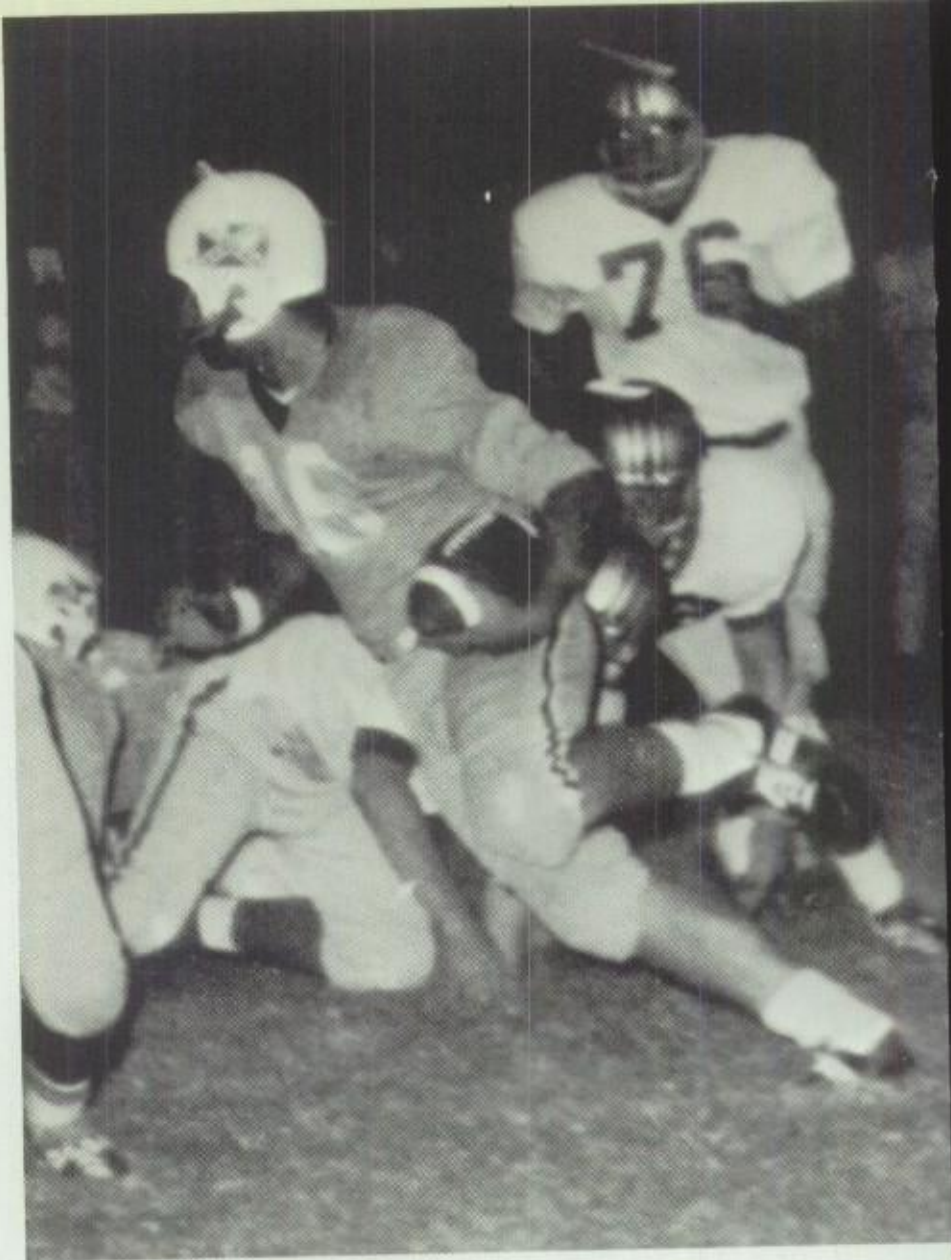

27-0

It was Thursday night, and the Rebels were all ready for their opponents, the North Dallas Bulldogs.

The team had worked very hard during the week, and all were confident about the outcome.

The Rebel defense was so dynamic and strong that the Bulldog running attack was held to a minus-two yards. The Rebel forward wall was led by Stan Johnson, Phil Ray, Trip Miller, and Leonard Hoffman.

The Rebels scored in the first, second, and fourth quarters. The initial outcome came on a 44-yard drive. The next Rebel touchdown came after a 75-yard drive with Randy Perry climaxing it by a 5-yard plunge into the end zone. The third touchdown came after a series of 6 plays, a penetration of 41 yards, a 16-yard run by Andy Enlow, and a 14 yard play by Joe Dowd. Then Dowd hurled over guard Harry Polly and in for the touchdown from two yards out. This made the third touchdown, and the fourth came just as easy when Dickie Enlow intercepted a pass on the Bulldogs 19 and ran in for the touchdown. This finished the game with T. J. 27—and the Bulldogs-0.

Quarterback Joe Dowd drills through Bulldog line and makes 27 yards.

Spartans Seize Rebels 31-0

Our Rebel football team was ready to play as they filed onto the football field and started their practice drills. All were eagerly awaiting the sound of the whistle and the starting of the game. It was a close first half, with our Rebels as well as the Spartans missing scoring chances. Our miss came when the Spartans' Shipp stole Forrest Dunlap's pass to end Rick Engstrom at the Spartan 2 yard line to kill the Rebel drive that started on the Rebel

16 yard line. The Spartans missed a field goal from the 31 yard line with Beeler booting the punt. Then the whistle sounded, and the half was over. The score was 0-0.

The tide changed; and with two long runs, a key pass, and some strong kicking by fullback Mike Beeler, the Spartans defeated the Rebels and chalked up a score 31-0.

Dickie Enlow removes Spartan lineman for quarterback Dowd.

Apaches Scalp Rebels 28-9

At the Pleasant Grove Field, the Rebels started the game full of steam and rolled up a 9-point lead over the Spruce Apaches. Rebel lineman Phillip Ray hit and downed Apache Williams in the end zone for a safety, and quarterback Joe Dowd engineered a 10-play drive that ended with a score for the Rebels with Andy Harwell kicking the extra point.

All this action took place in the second quarter.

The second half was downhill for the Rebels as they proceeded to give both the lead and the ball-game away to Spruce with interceptions, penalties, and deadly defensive lapses against the opportunistic Apaches. The final score told the complete story, T.J.:—9; Apaches:—28.

Rebels

Tilt Knights 13-7

The Rebels arrived at Sprague Field enthusiastic and ready to give the Knights a sample of the precision and maneuverability of their team.

The battle proved to be a tussle; and the tremendous power of the Rebels was working in a manner of ease, although the Rebels trailed 7-0 early in the 3rd quarter.

The alert Rebels started their charge by recovering a fumble and continued this charge through two touchdowns. Phillip Ray was the Rebel who started our charge by recovering the fumble on their own 20 yard line, and 7 plays later quarterback Joe Dowd rammed over from the Kimball 2-yard line. Although the Rebels failed the two point conversion pass from Dunlap to Enlow, they had proven their strength; and they were not ready to quit yet.

Later in the fourth quarter from our own 41-yard line, quarterback Joe Dowd put the icing on the cake by hitting end Robby Best for a neat 34-yard gain to position Rebels on the Knights' 25 yard line. Then halfback James Lane shifted around Kimball's left tackle for a big 38-yard gainer to the Kimball 2-yard line. And from there the dynamic force of Dowd charged through the Knights' defensive fortress for a touchdown. After receiving the extra point by Andy Harwell, they had become victorious, and the T.J. spirit had prevailed again.

Rebels Roast Longhorns 6-0

The Rebels' Homecoming Game had finally arrived; the atmosphere was both exciting and dramatic not only because of the game but mainly because of their opponents, the W. T. White Longhorns.

The first quarter ended with both teams scoreless, but early in the second quarter Junior quarterback Forest Dunlap fired two aerial passes to the glued fingertips of classmate Robby Best. The second was good for 22 yards. Then the skill of halfback Andy Enlow received 13 more yards and placed the Rebels on the White's 16 yard line; and two plays later Senior fullback R. J. Hagood plunged into the end zone from one yard out.

Then after the half time, the Rebels withstood the hard driving pressure of the Longhorns for the entire 3rd quarter, and the Longhorns remained scoreless. All was smooth also in the 4th quarter until Longhorn Mike Rider blocked Robby Best's kick and the Longhorns were on the Rebels' 1 yard line. But the Rebels proved to have the best strategy and such a dynamic defense that the Rebels held them for three straight downs, and the Longhorns on the fourth down even lost two yards. This assured the Rebels of the game and the tremendous victory over the rivaling W. T. White Longhorns.

Panthers Win After Score 27-24

The Rebel football team was all ready for the Hillcrest Panthers at Franklin Field, and the T.J. spirit was really fabulous because of their previous victory over the White Longhorns.

The Rebels started their charge by penetrating the Panther defensive line for 81 yards the first time they had possession of the ball, and after the penetrations Forrest Dunlap scored on a one-yard sneak. This made the score 6-to-nothing, the Rebels' favor. The Rebels scored again when Junior Robby Best, back to punt, on the fourth and one, clicked of an easy thirty-yard gain; and then fullback Joe Dowd charged over for the Rebel touchdown gave them a second touchdown before the half-time.

The Rebels fought hard after the half, but they lost their lead, slowly losing ground and the game.

Quarterback Forrest Dunlap tried to get off the ground again, but it couldn't be done, and the Rebels were defeated; but they had not played badly, they just could not keep the pace they had started out with. The score ended up with the Panthers 27 and the Rebels 18.

Wisdom. Second row: Pete Thornton (mgr.), Craig Glickman, Danny Berry, Steve Goldberg, Mike Collinsworth, Charlie Kremer, Barry Barrett, Gary Brobst, Coach Barry Dowd.

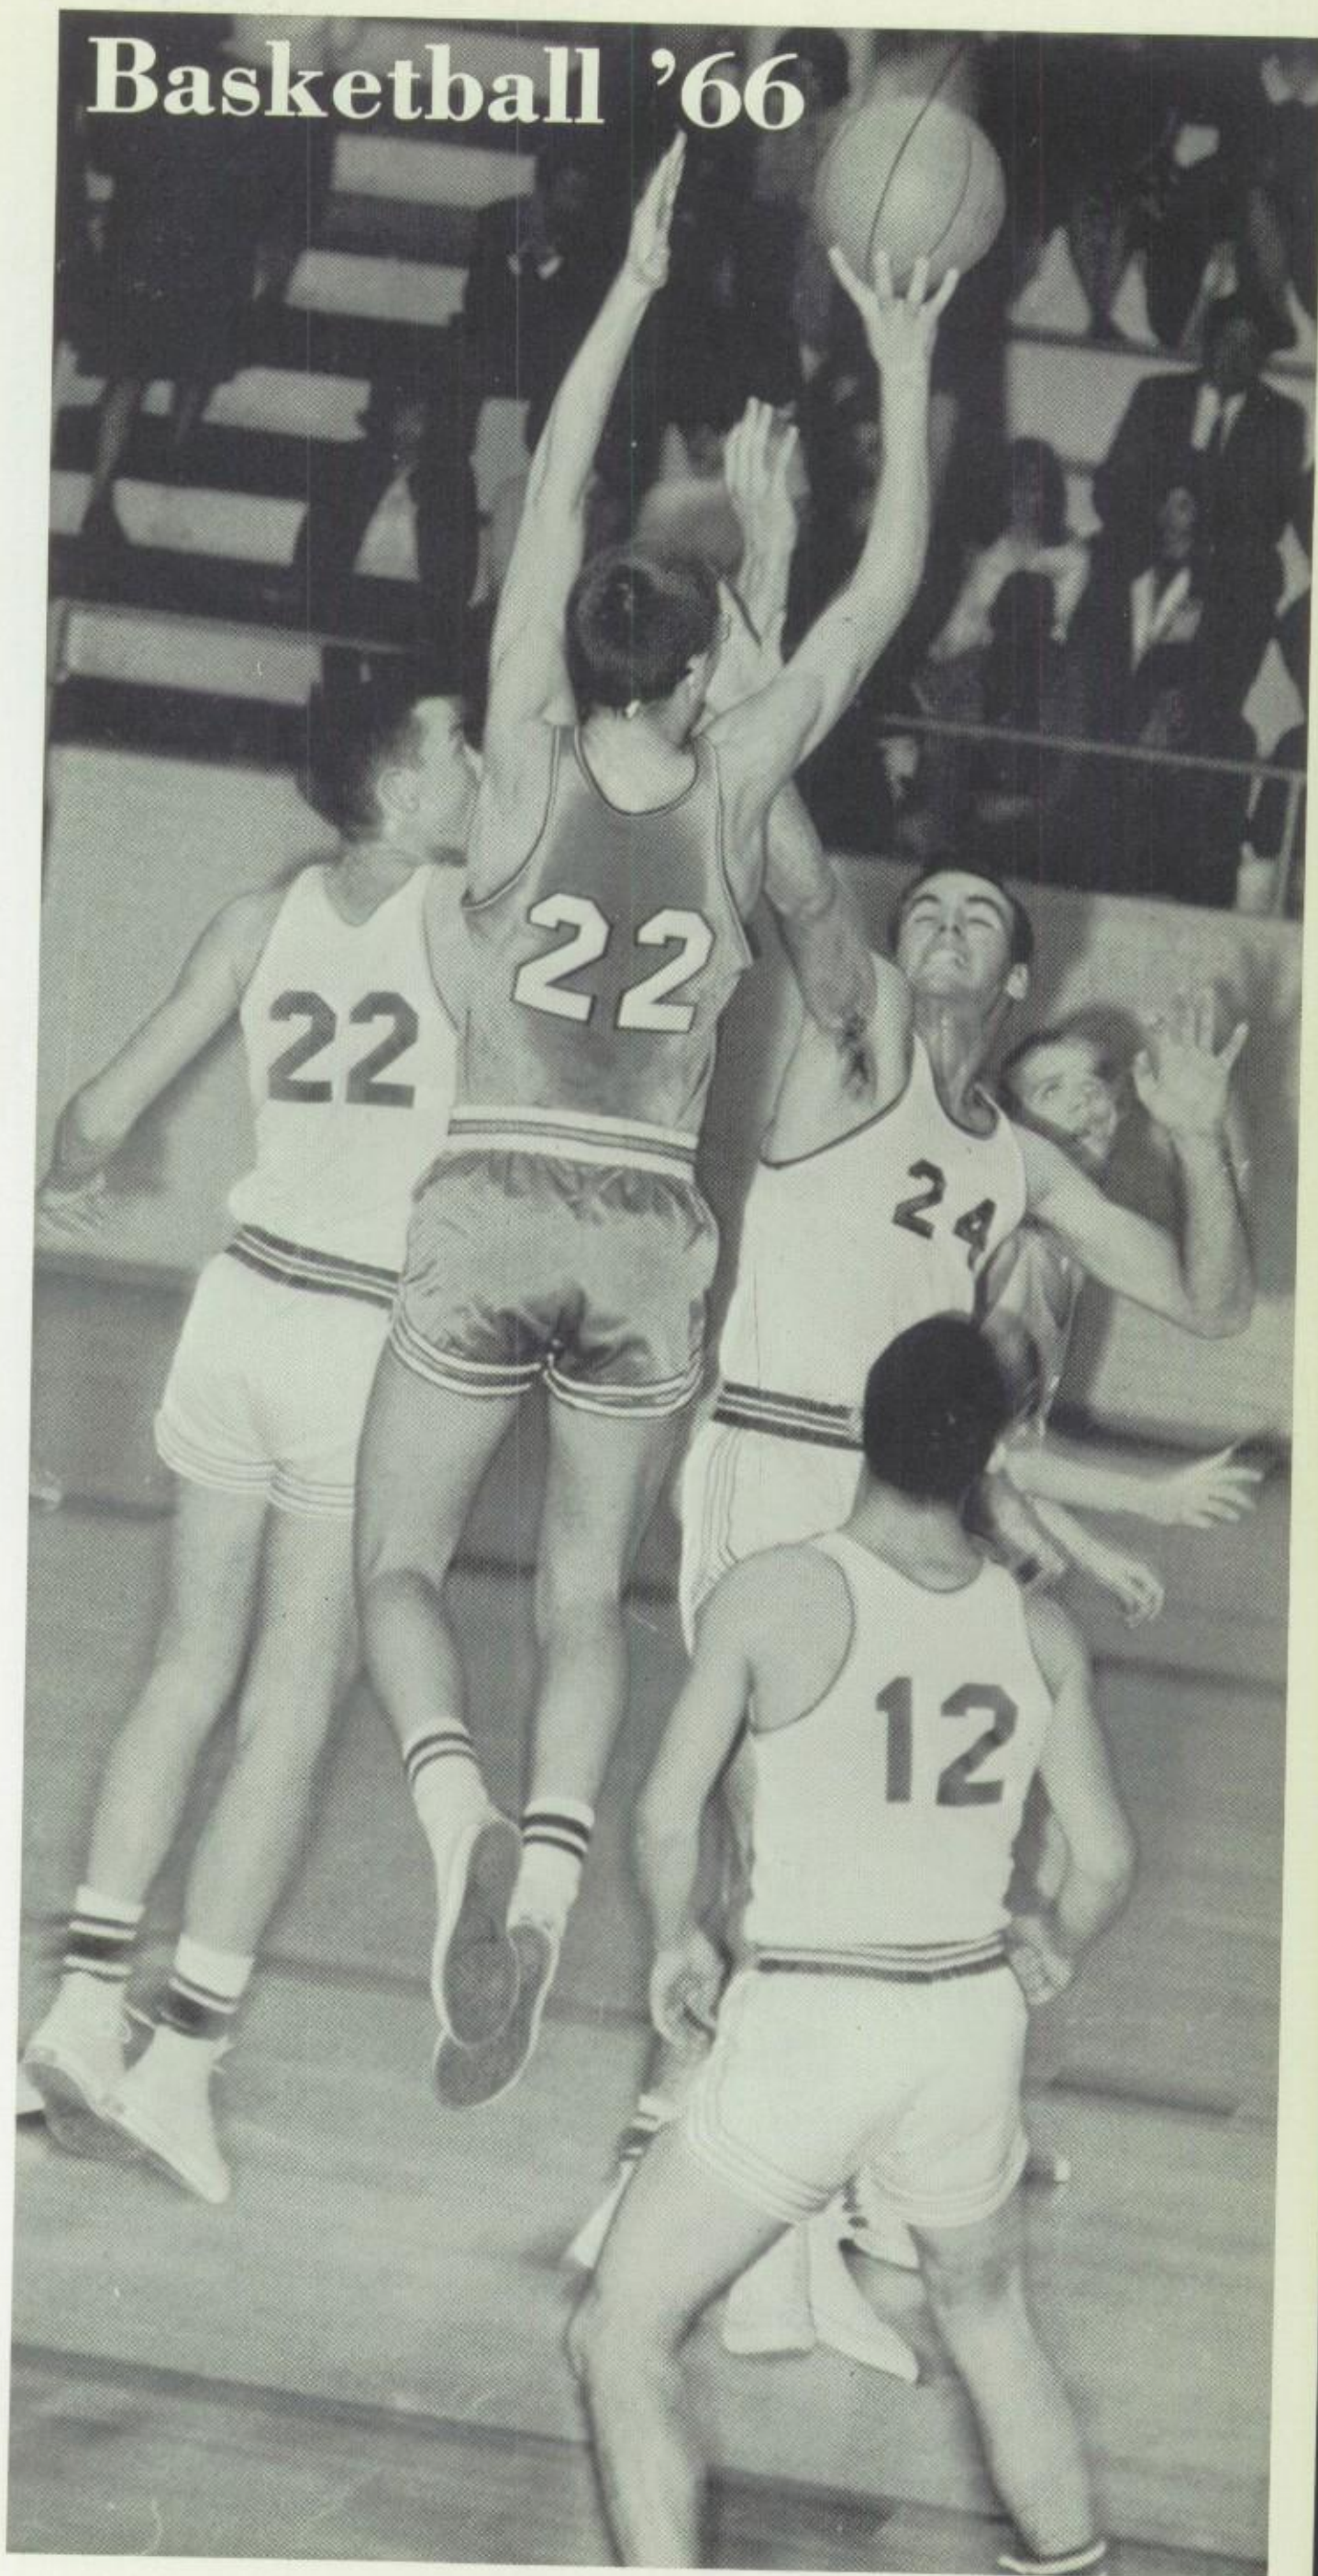

Cagers Place Second in Zone

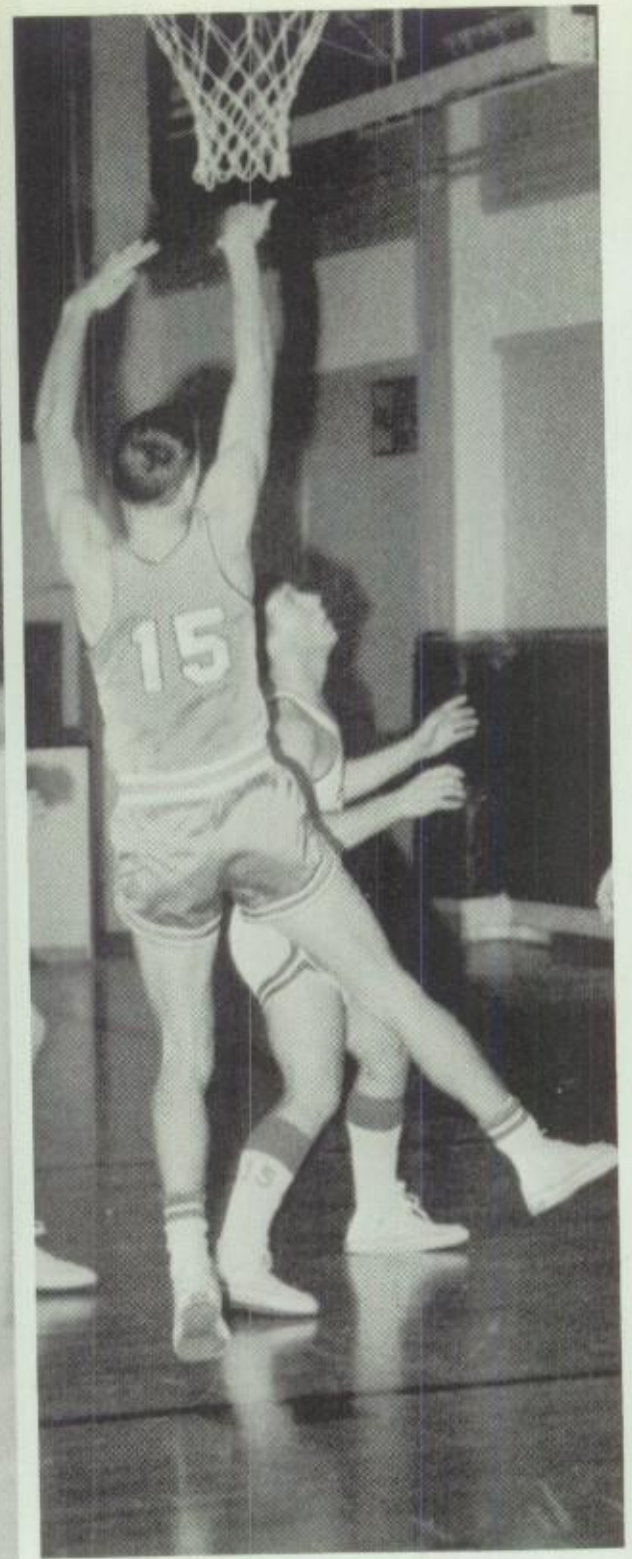

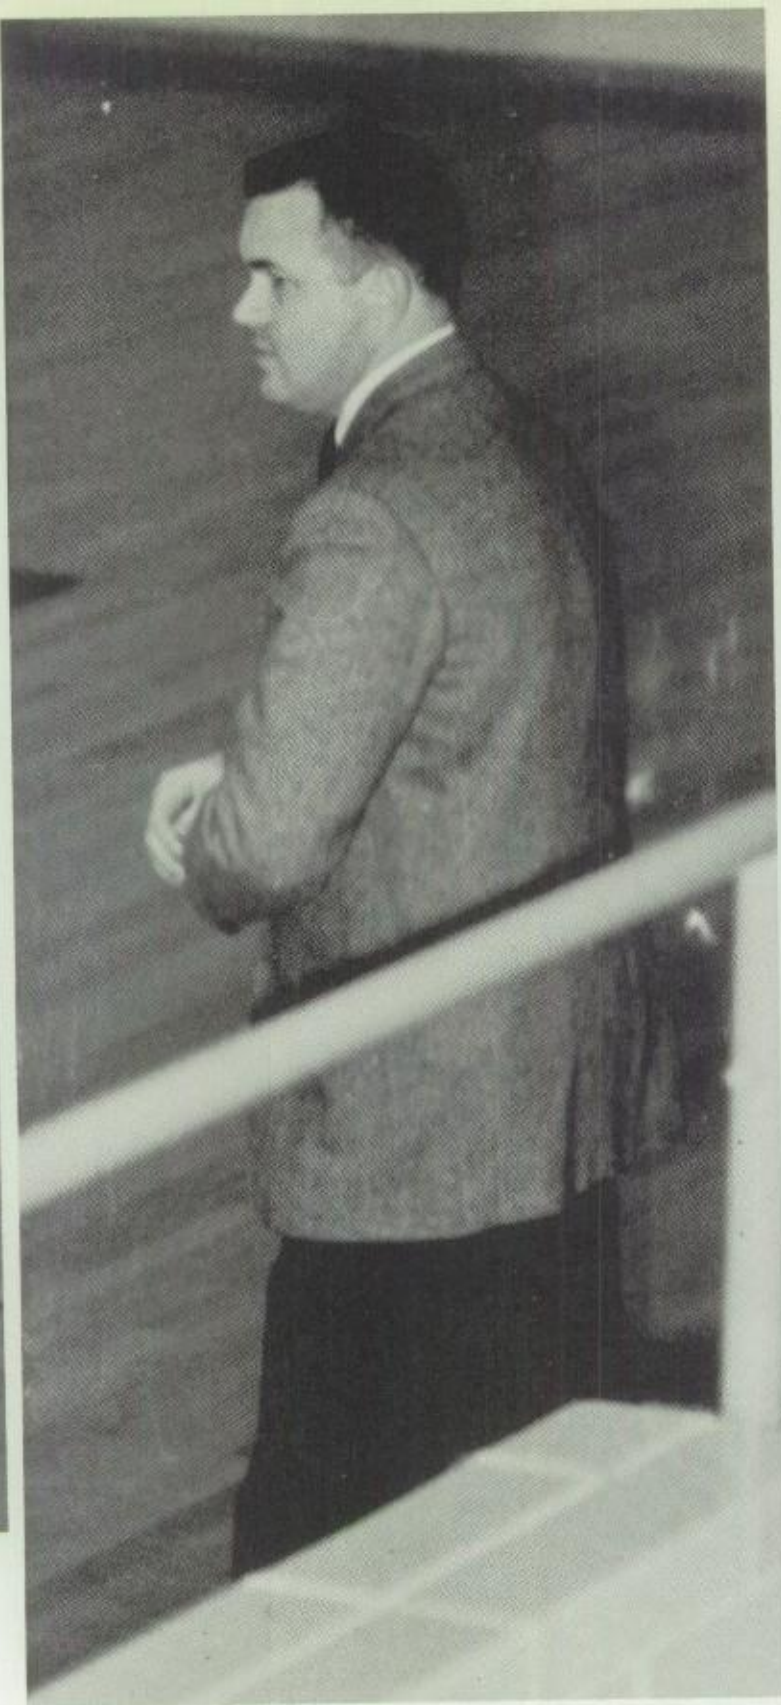

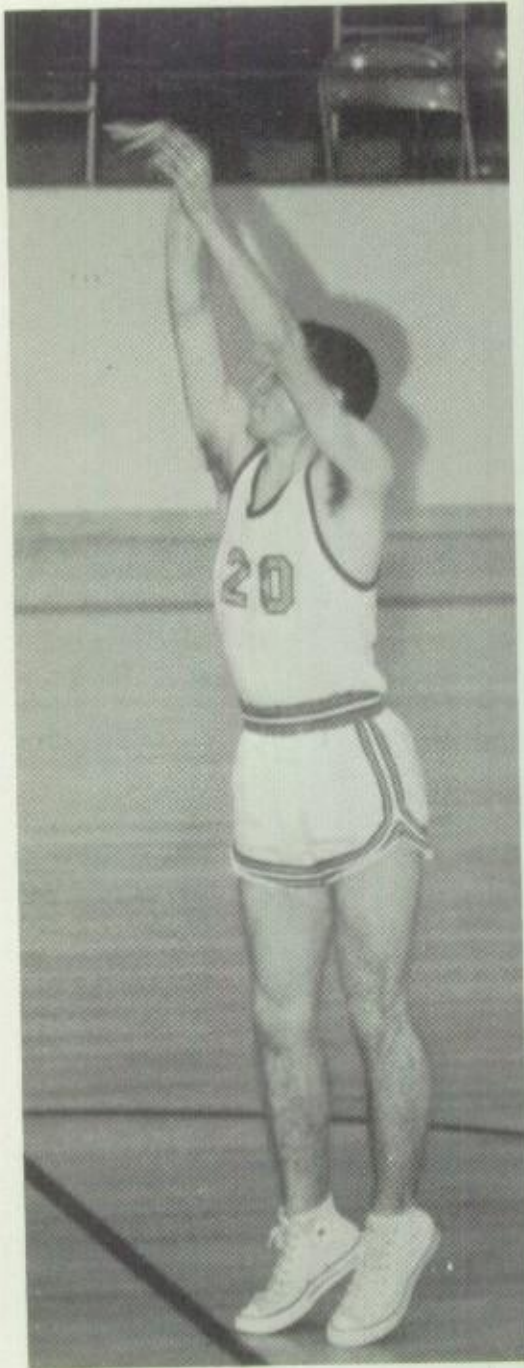

The name *Thomas Jefferson Rebels* has become synonymous with the field of basketball all over the state, and the reason is evident. Thomas Jefferson has always had a very challenging basketball team, and this year was no different. But every good team has to have a foundation of leadership and guidance that makes a team or breaks it. For the last two years this leadership and guidance have come from Coach Barry Dowd, a man and teacher of our great Rebel basketball team. Because of a

hard-working team, the Rebels have been North Zone champs for the last five years in a row.

The fact that the Rebels have always had a good team does not mean the Rebels do not work diligently as a less fortunate team would; it means that they must work harder than the year before so they can keep up the tradition of the preceding years and remain faithful to the expectations of the Rebel followers.

Basketball Queen

Miss Darby Sweitzer

Just as basketball reigns as the King of Sports of Thomas Jefferson, so its queen reigns as one of the best-liked, most congenial, and most beautiful girls on campus. The title of Basketball Queen is indeed a coveted one; it is a dream of high honor to most, and to a few it becomes a shining reality.

This year the Rebel cagers bestowed this honor, the coveted title of Queen, to Darby Sweitzer. She has proved a worthy recipient of such distinction.

By her friendly nature, her deep interest in the game, and her sincere regard for its players, Darby has endeared herself not only to the team, but also to the student body as a whole. Her reign as 1965-66 Basketball Queen will not soon be forgotten.

TJ Places Second in Dr. Pepper Tournament

Each year during the Christmas vacation, the Rebel cagers enter the Dr. Pepper Invitational Tournament. For the last five years the Rebels have won the tournament and set a record for five consecutive wins. The Rebels, led by the basketball queen Darby Sweitzer, carried a great amount of spirit and determination with them to the tournament.

T.J. opened the tournament with easy wins over Slidell, Carrollton, and Denton. They then edged Abilene by three points in an exciting game that went into a tense overtime. This win enabled the Rebels to vie with Samuell for the championship. The Spartans seemed to have everything going for them, and they slipped by the Rebels 78-64.

This defeat left the Rebels with second place for the tournament. Afterwards, Steve Goldberg and Charlie Kremer were named to the all-tournament team. The tournament over, the Rebel cagers and fans eagerly awaited the next encounter with Samuell.

Charlie Kremer pursues Spartan, but he's too late.

Rebels Stampede Longhorns

The 1966 basketball season of the Thomas Jefferson Rebels was under way, and the team was ready for it. The Rebels opened their season against the W. T. White Longhorns at Cobb Field House.

The Longhorns played well but not well enough to stop the driving force of the Rebels. The Longhorns did manage to hold the Rebels to a score of 15-15 after the opening quarter. But with the second-quarter full court press of the Rebels and the convincing scoring of Charlie Kremer and Jim Stinson, the Rebels pulled ahead by a score of 30-15.

Charlie Kremer, who owns one of the best shooting eyes in the city, led the way for the Rebels with 15 points to his credit. Jim Stinson and Mike Collinsworth, aiding the team with 11 points each, helped the Rebels with the convincing score of 75-52 and a dynamic victory over the Longhorns.

The Rebels had won their opening game, and from the way they looked they weren't going to let anyone stop them.

Longhorns try hard, but the Rebel defense is too much for them, 71-48.

Rebels Prove Fatal for Second Time Against Longhorns.

The Rebels filled Cobb Field House and were ready to watch their Rebs play ball.

They warmed up slowly, and Coach Barry Dowd watched attentively. Finally the game started, and the Rebs had possession. Before anybody knew it, we had pulled away from the Longhorns by a 10-2 margin. Charlie Kremer was really putting them in, and by the first quarter the Rebs were well in front by 17 points.

The functioning of Kremer and Steve Goldberg proved fatal, and the Rebs were pulling away fast. Finally Coach Dowd put in the second team consisting of Carl Saxon, Danny Barry, Stacy Smith, Steve Sample, and Tom Dyer at the first of the fourth quarter.

The second team proved just as dangerous as the first team had; and the Rebs, after a few more shots, won by a margin of 69-31.

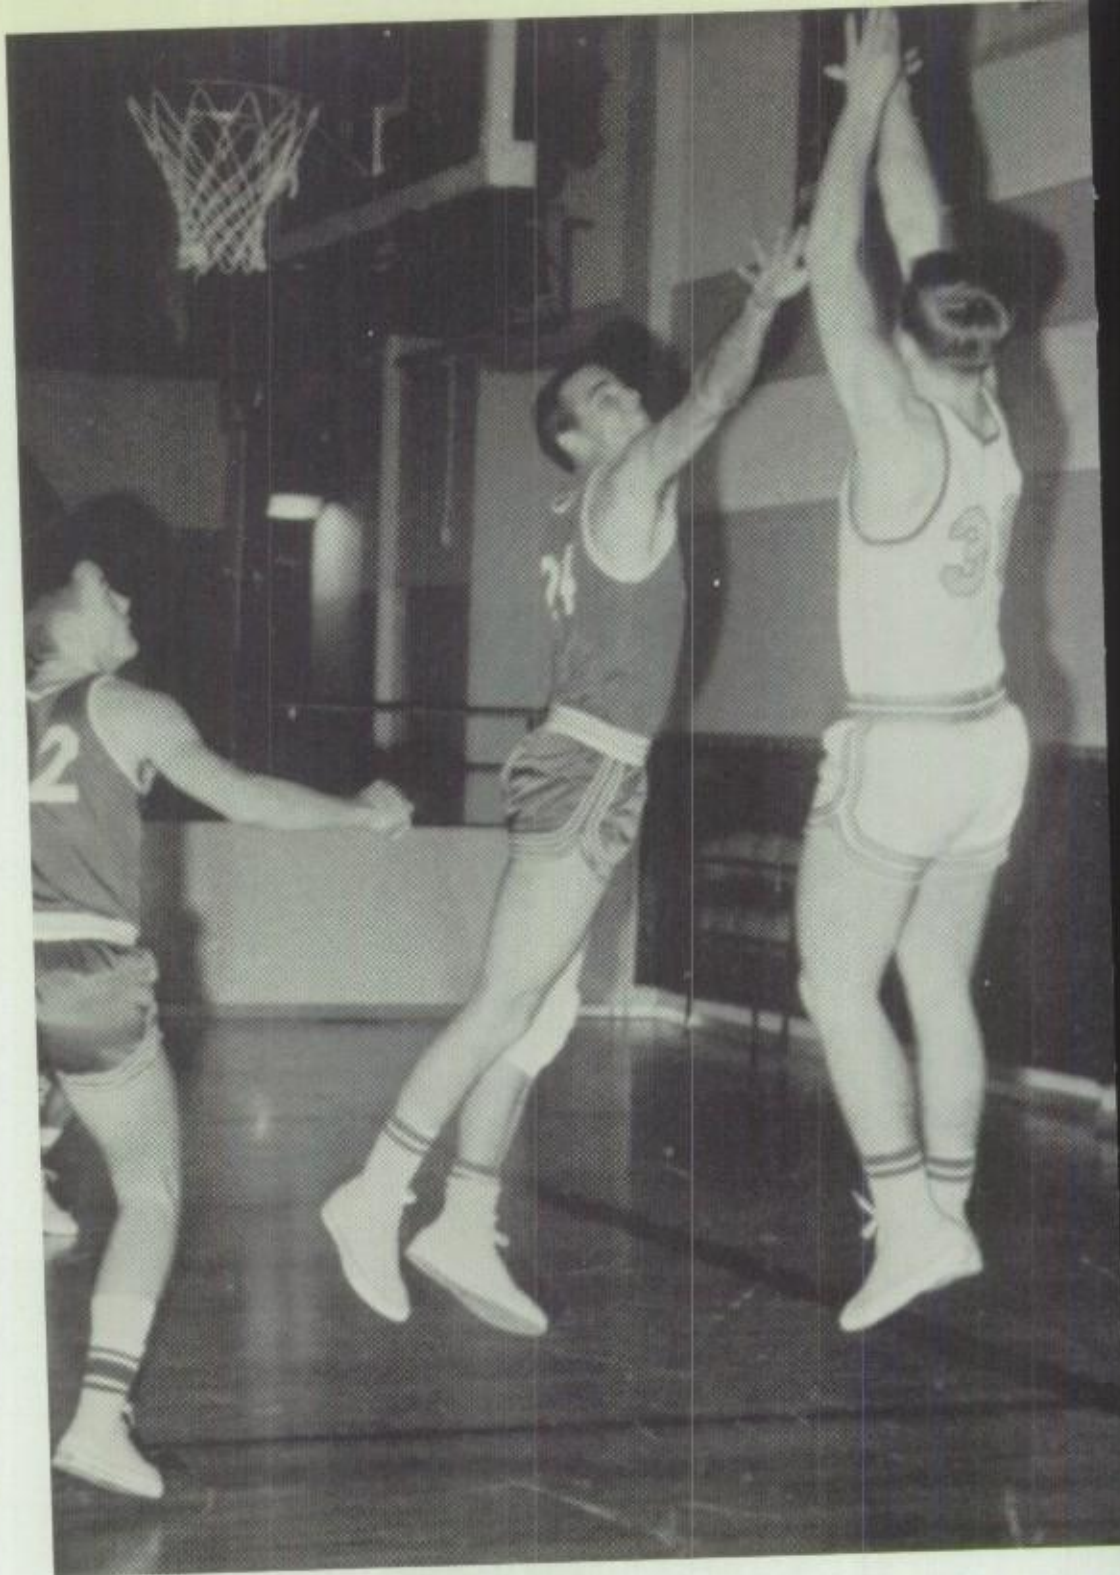

Mike Brooks prepares for toss-up against Longhorns.

Rebels Slam Wildcats, 76-70

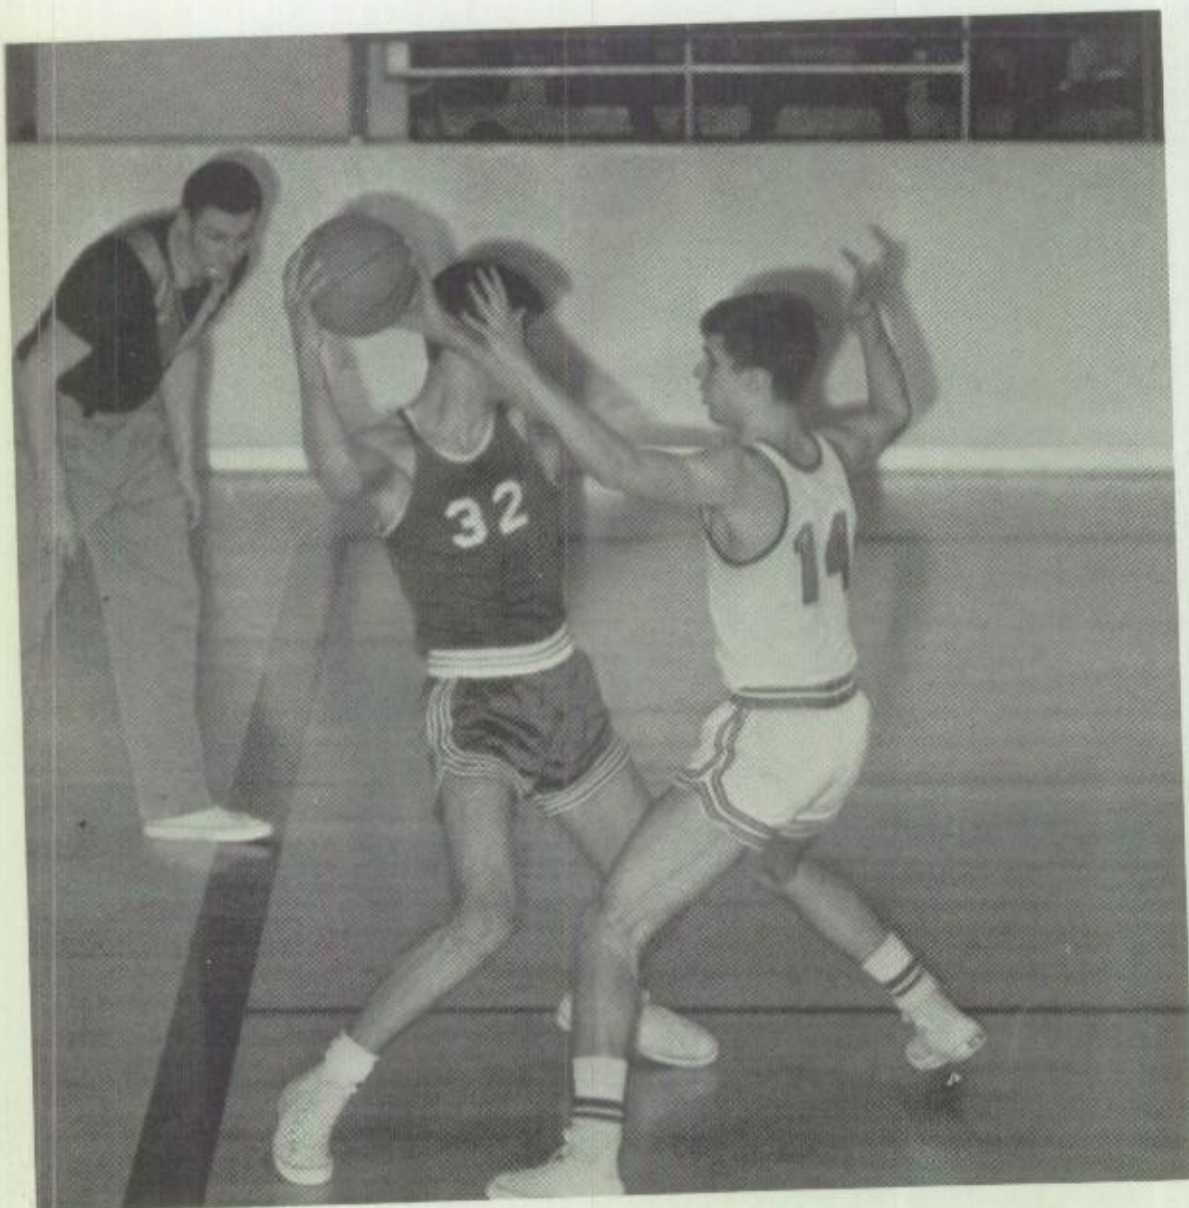

After a tremendous showing in the first two games of the season, which the Rebels won against White and Grady Spruce, the Rebels were ready for their third straight win. The starting lineup included Mike Brooks, Mike Collinsworth, Jim Stinson, Steve Goldberg, and Charlie Kremer.

The game was close almost all of the way until the last 48 seconds of the fourth quarter; when Jim Stinson really started working by making a field goal and a free throw to push the Rebels to a 71-68 margin and later a victory of 76-70. But earlier in the game with 4:44 remaining, Wildcat Scott Brayles hit a free toss for a 63-62 advantage. However, Mike Collinsworth, who led all scorers with 23, got a 3-pointer; Charlie Kremer also contributed by a field goal. Steve Goldberg aided the Rebels who received 2 more points and a 6-point spread with 2:50 left.

The Wildcats still fought hard, though, and came within 3 points, 71-68, when Paul Goodrich made a 10-foot field goal. Stinson's quick three-pointer gave the Rebels their third straight win of their zone.

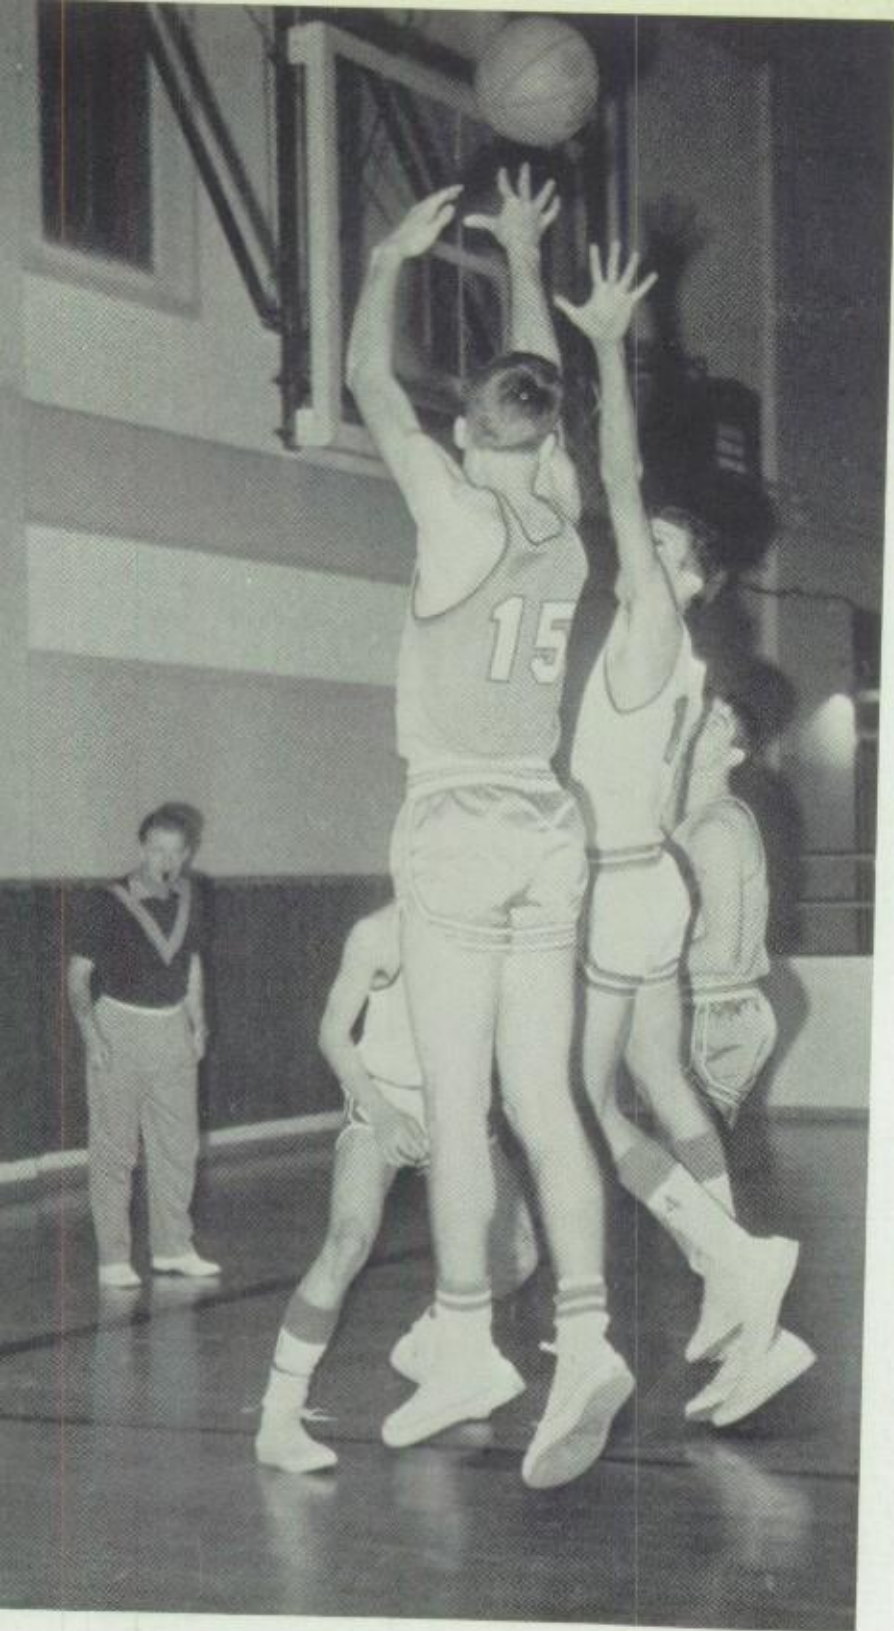

Despite a hand in his face, Mike Collinsworth (30) goes up for two.

Rebels Trample Wildcats, 91-65

In their second meeting with Woodrow Wilson at Forester Field House, the Rebels blasted the Wildcats, 91-65. Although the temperature was freezing outside, the Rebels played one of their hottest games of the year. T.J. led by only 4 points after the first quarter, but after that the Rebels led all the way. In their victory the Rebels hit 47 per cent from the field and pulled down 56 rebounds. Charlie Kremer led T.J. with 21 points and was closely followed by Mike Brooks with 20. Other Rebels in double figures were Mike Collinsworth with 16 and Steve Goldberg with 11.

Rebels Squeeze by Panthers, 64-59; 61-53

In their first meeting with the Panthers, the Rebels managed to pull away and edge Hillcrest in an exciting overtime win. The Panthers jumped out to a 13-5 first-quarter lead, but the Rebels came back to tie the score at 57-all with six seconds remaining to send the game into overtime. Mike Brooks led the Rebels with 24 points and scored an all-important three in the overtime.

Despite shooting only 31 per cent from the field, the Rebels held Hillcrest in their second attempt, 61-53. Both teams started out slowly, and the score was close until the final few minutes. The Panthers pulled within three points with 2:37 remaining, but 10 quick points pushed the Rebels to an 8-point win. The game was determined at the foul line. The Rebels made 21 out of 25, but Hillcrest made only 13 of 25. Steve Goldberg led the Rebels with 17 points.

Rebels Scalp Apaches, 69-39; 80-51

After a slow start, the Rebels went to the dressing room with only a five-point margin over the H. Grady Spruce Apaches. Coach [unclear] sparked the boys to a brilliant second half for a win of 69-39. Jim Stinson led the Rebels in scoring with 13 points. He was closely followed by Mike Collinsworth with 12 and Steve Goldberg with 11.

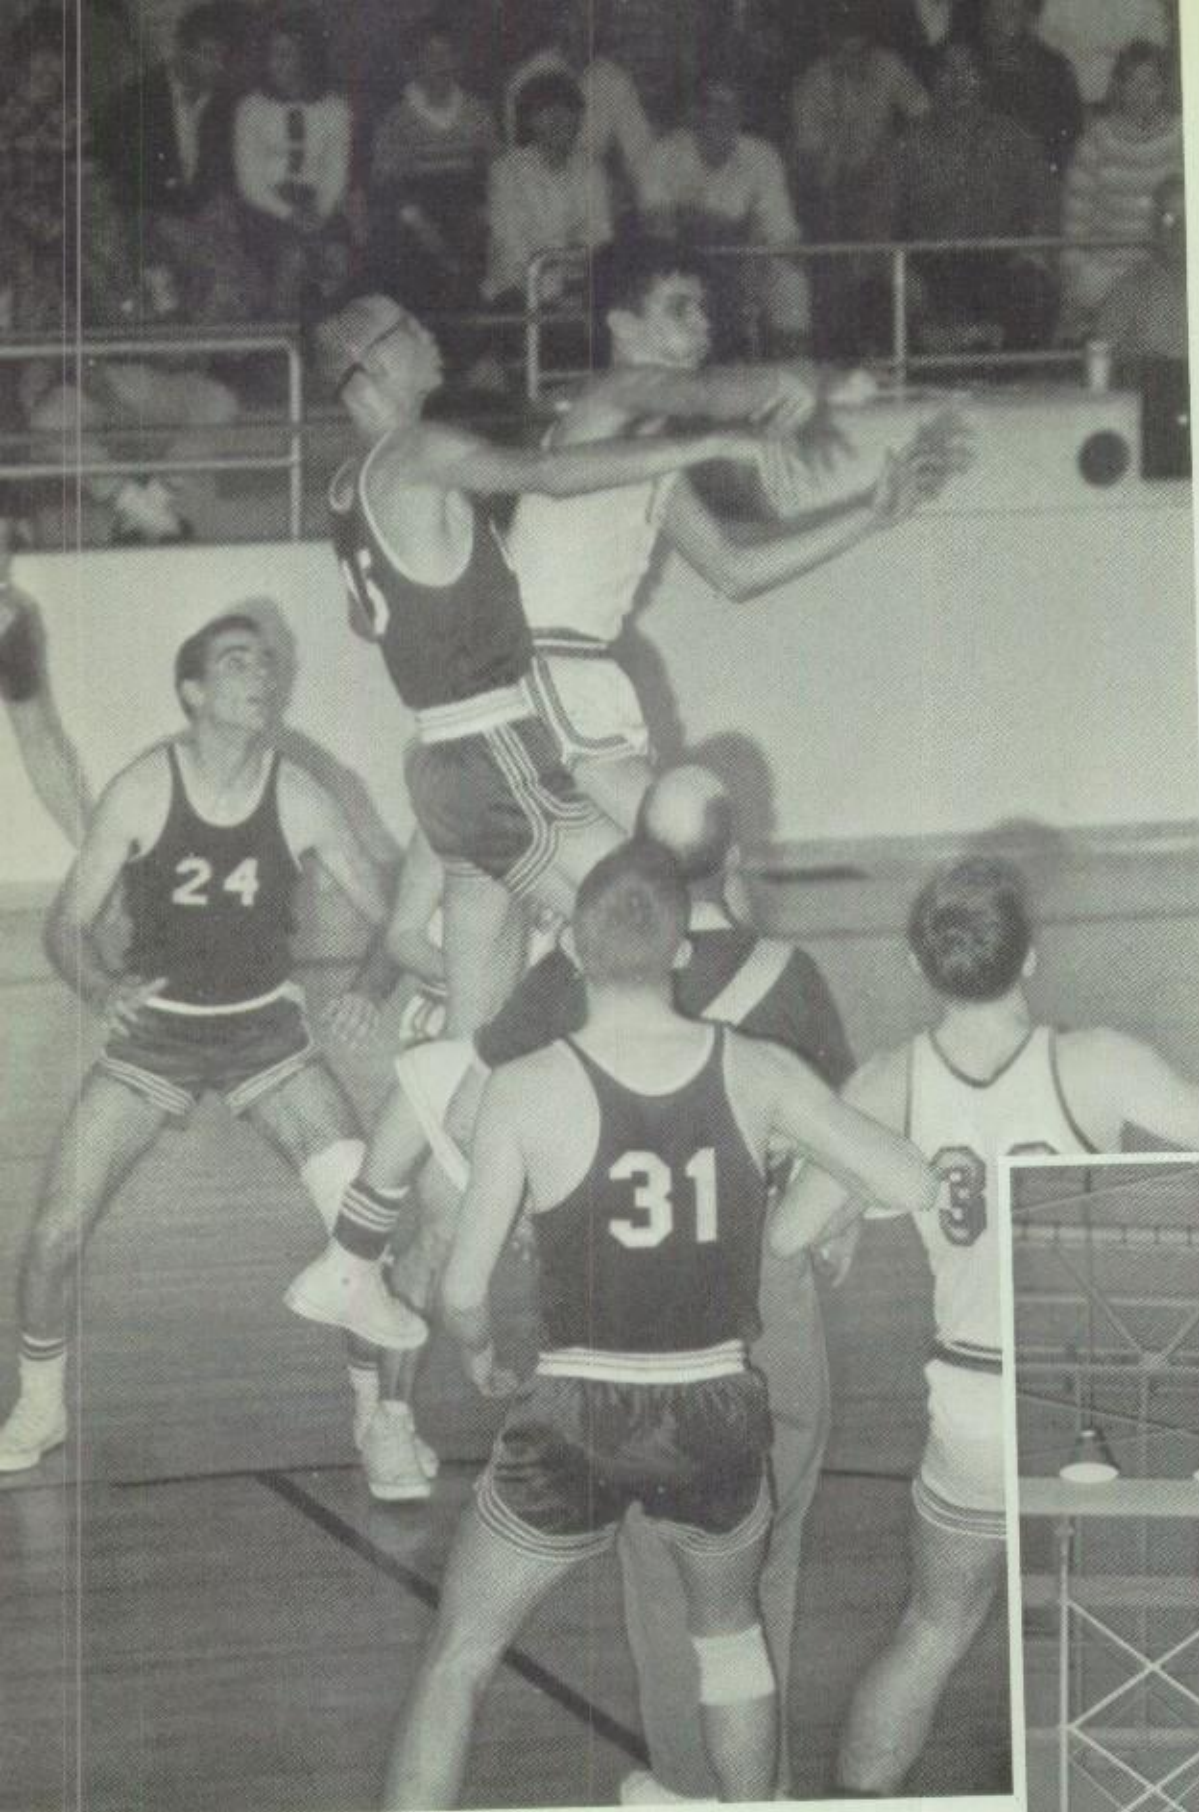

In their second meeting with H. Grady Spruce, the improved Rebels proved to be too much for the Apaches. The Rebels had just been beaten by Samuell, and they knew they must win every game that was left. Therefore, they showed no mercy toward the Apaches. The Rebels jumped out in front of Spruce 17-13 in the first quarter and increased their lead steadily until the end of the game. Mike Collinsworth and Charlie Kremer led the Rebels in scoring; each came through with 12 points.

Steve Goldberg shoots for a Rebel lead.

Rebels Prove Treacherous for Cougars

The 1966 season for TJ really came into view by the Rebels' winning their fifth game of the season in the North Zone by edging stubborn Bryan Adams by a score of 75-52. The game was played at Forrester, with the Rebels playing for a capacity crowd of Rebel supporters, wild with enthusiasm. Steve Goldberg, working with Carl Saxon, lit up the scoreboard. In the last quarter with 5:30 left and the score 63-63, Saxon scored a push shot from near the circle to send the Rebels ahead, but BA's Ronnie Henderson cut it by one point on a free throw shot. However, Saxon came at them again and scored two more points and made the score 67-64. Then Steve Goldberg, in the remaining 3 minutes of the game, made a pair of one-and-one free tosses to give the Rebels a 7-point lead, which they never lost. High-point men were Mike Brooks with 15 and Steve Goldberg with 15.

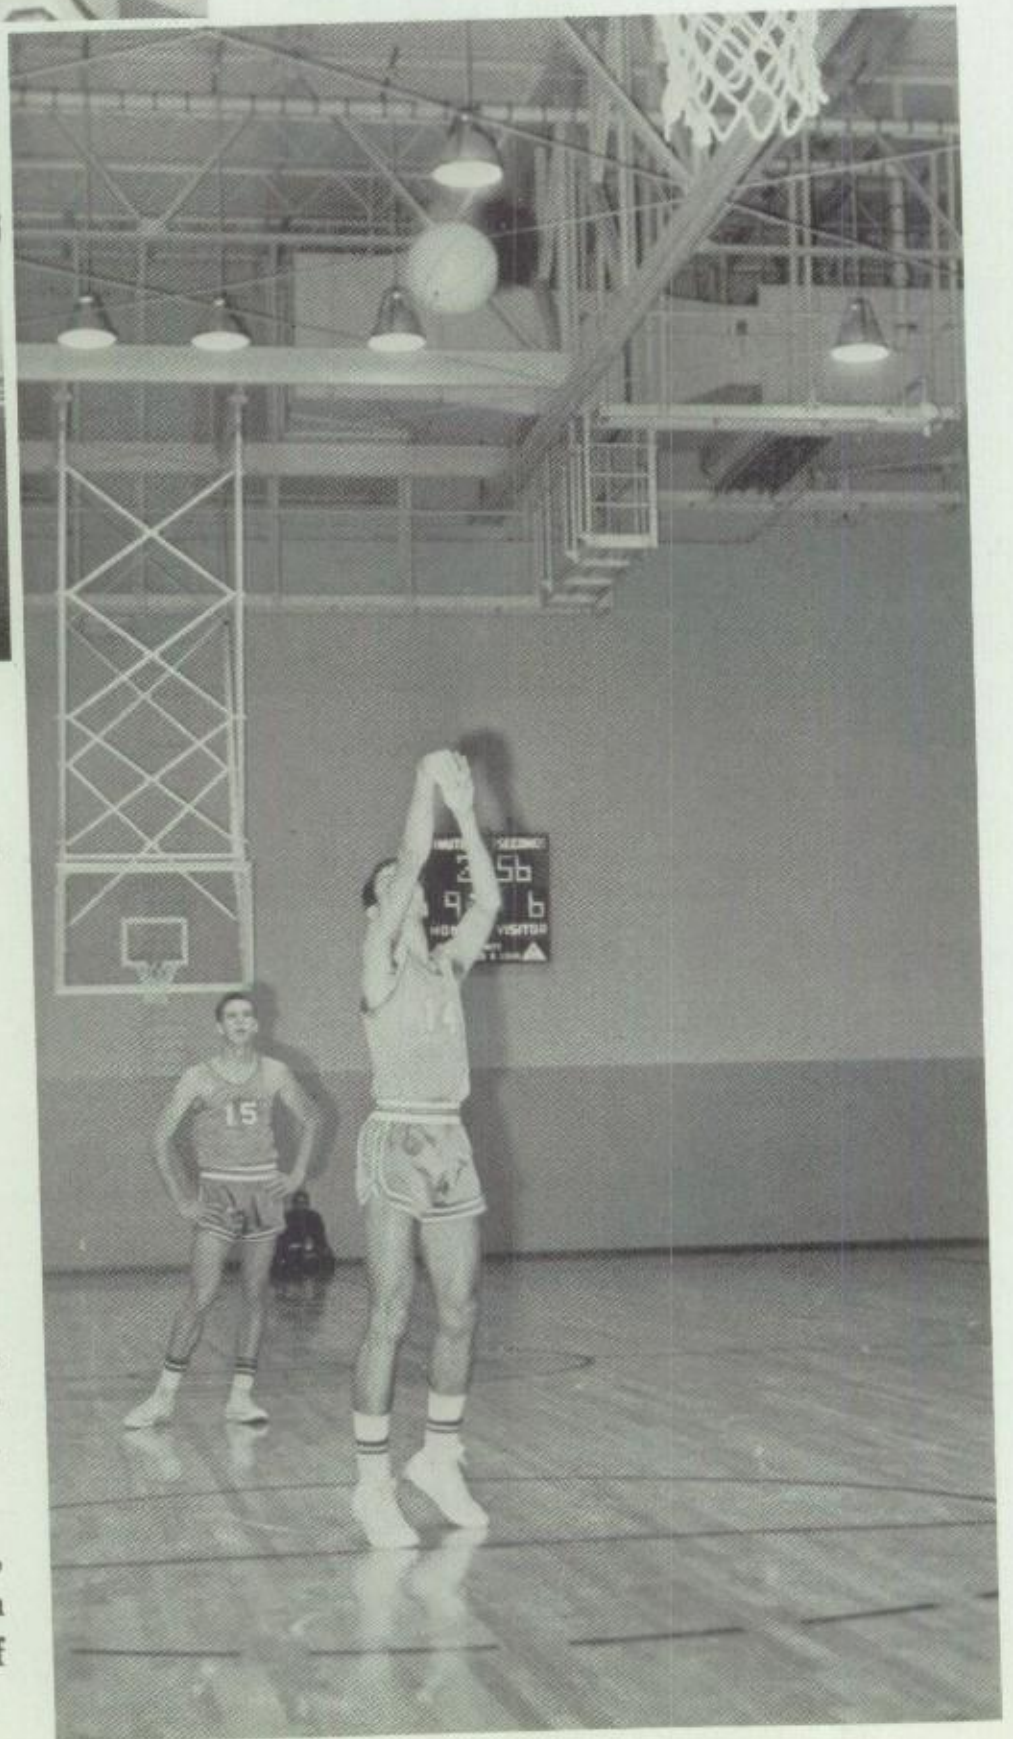

Jim Stinson shows precision in foul shots.

Rebels Achieve Second Game Win Over BA, 61-49

The Rebels filed onto the court for the second time against the Bryan Adams Cougars. The game started off rather slowly for the Rebs but finally they caught on, and at the half the Rebs were 35 and the Cougars were 22. When the second half started the Cougars were functioning well, but not well enough, because the Rebs had opened a full court press and nothing was stopping them. Charlie Kremer, Mike Collinsworth, and Steve Goldberg were playing fabulous, and at the third quarter the Rebs were well on their way to a second victory against the Cougars.

The last quarter was just about like the first three, and finally the buzzer sounded and the Rebs had won their second game against Bryan Adams by a victory of 61-49.

Stinson gets away toss-up to Mike Collinsworth.

Carl Saxon releases toss-up to Mike Brooks.

Rebels Down Spartans, 65-61

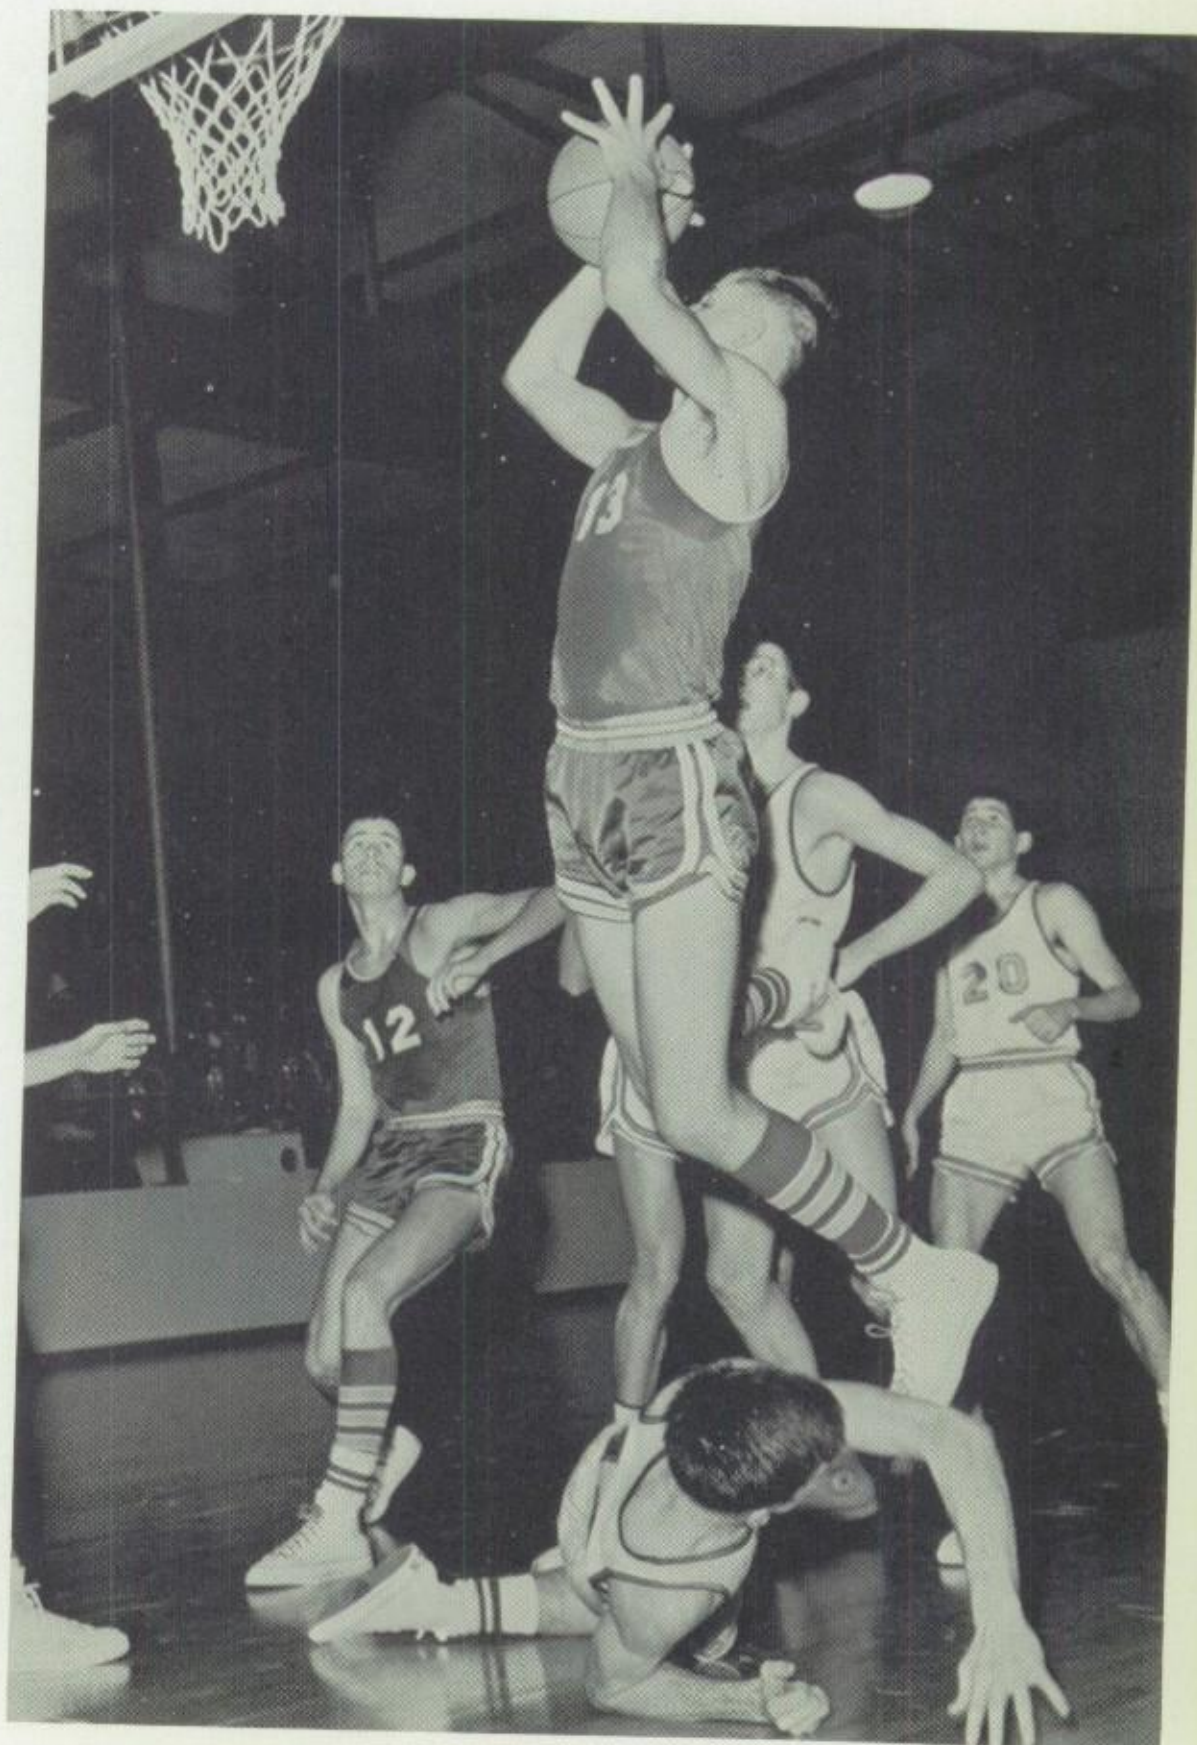

In an all-important win for Thomas Jefferson, the Rebels came back to defeat Samuell in a shocking 65-61 victory. Samuell started fast, and it appeared for awhile that the Spartans were going to run away with the game. They led 38-23 at the half and increased their lead to 17 points with 1:18 remaining in the third period. As the period ended, the Rebels had sliced off eight points and now trailed 53-46. The Rebels then began to gain momentum, and Samuell hit a cold spell. With 2:40 remaining, it was 57-57; and before anyone realized TJ had won. Mike Collinsworth played an impressive game and led the Rebels with 23 points. He was followed by Charlie Kremer with 18.

Rebels Stunned by Spartans, 90-62

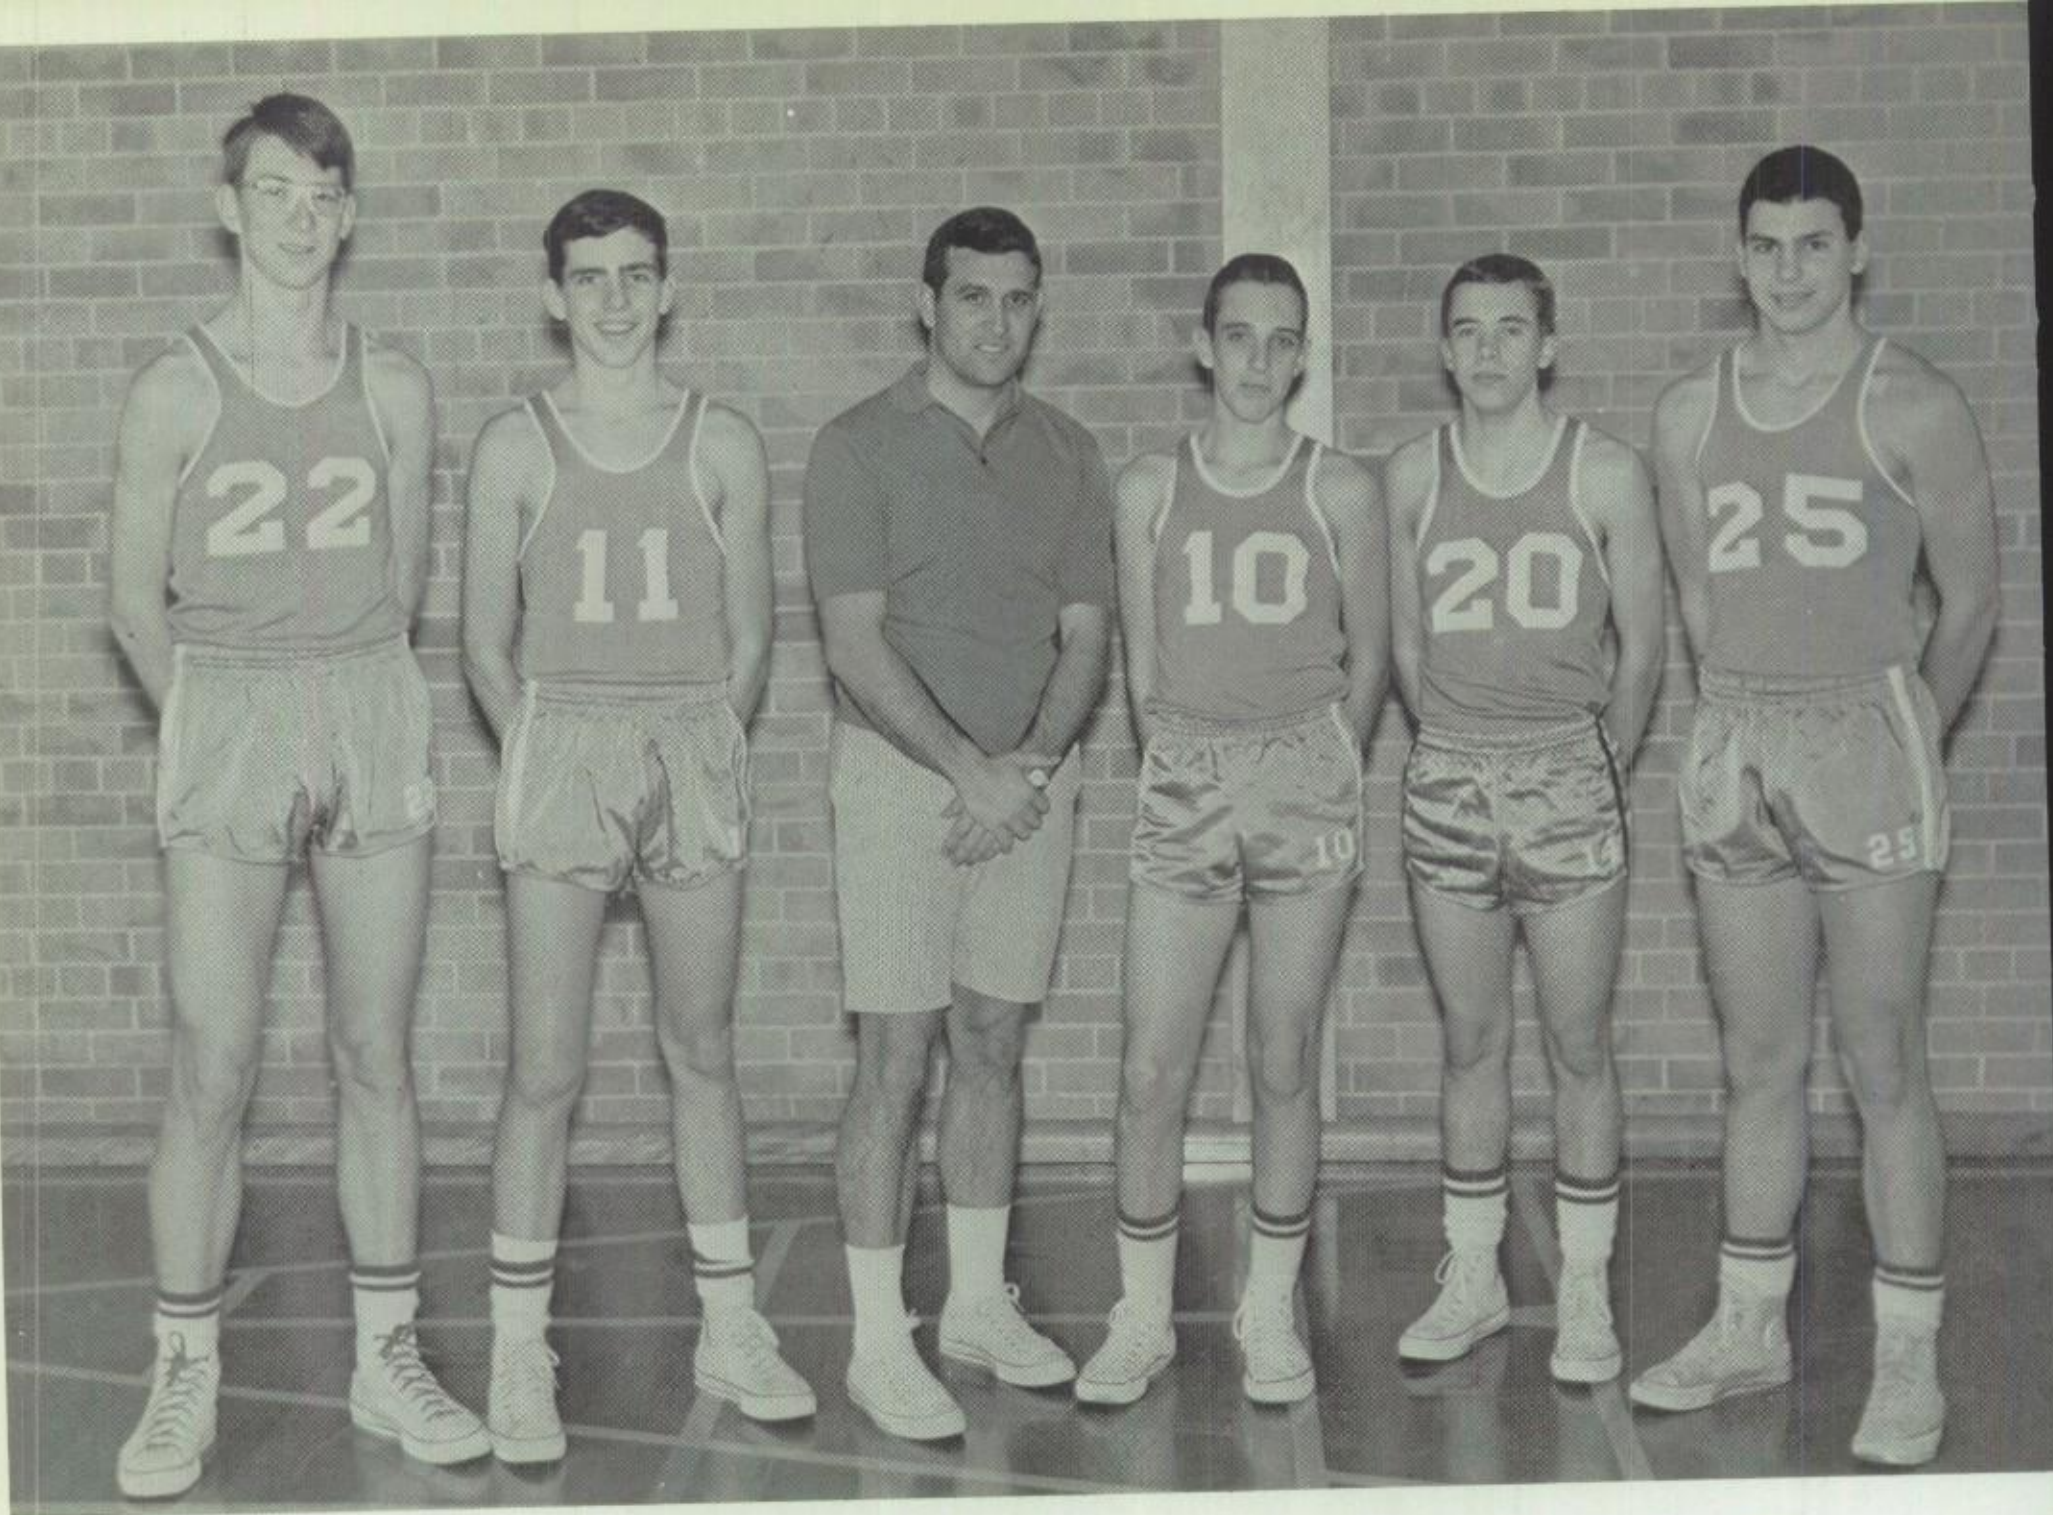

After being dropped by TJ three nights before, Samuell defeated Thomas Jefferson 90-62 in the playoff for the North Zone title. It was evident that the Spartans came to play and that is exactly what they did. Samuell jumped off to a 42-31 lead at the half, and it was their game from then on. Despite the 90-62 loss, the Rebels played hard all the way, and everyone was proud of their effort. Collinsworth with 20 and Kremer with 15 led the Rebels in scoring.

Rebels Held by Spartans, 66-63

In the battle for the first half lead of the north zone, Samuell held T.J. by the score of 66-63. The Spartans got off to a fast start, and not until the final minutes of the first half did the Rebels catch them. Mike Brooks scored six points in the final three minutes, as T.J. pulled within 2 points at half-time (32-30). Only a few points separated the two teams from then on, but Samuell managed to stay on top 66-63. Brooks led the Rebels with 21 points.

Jim Stinson gives fatal block to Panthers.

Coach Pinkham with starters Tim Melady, Tommy Tucker, Stan Ley, Nicky Loving, and Bill Starnes.

B-Team Posts 18-5 Record

All championship teams are developed through at least one or two years of experience. For this reason, the Rebel "B" basketball team must work hard and practice diligently because they will make up the future Varsity squad. The "B" team had an outstanding season this year, tying for the city championship with a city record of 12-1.

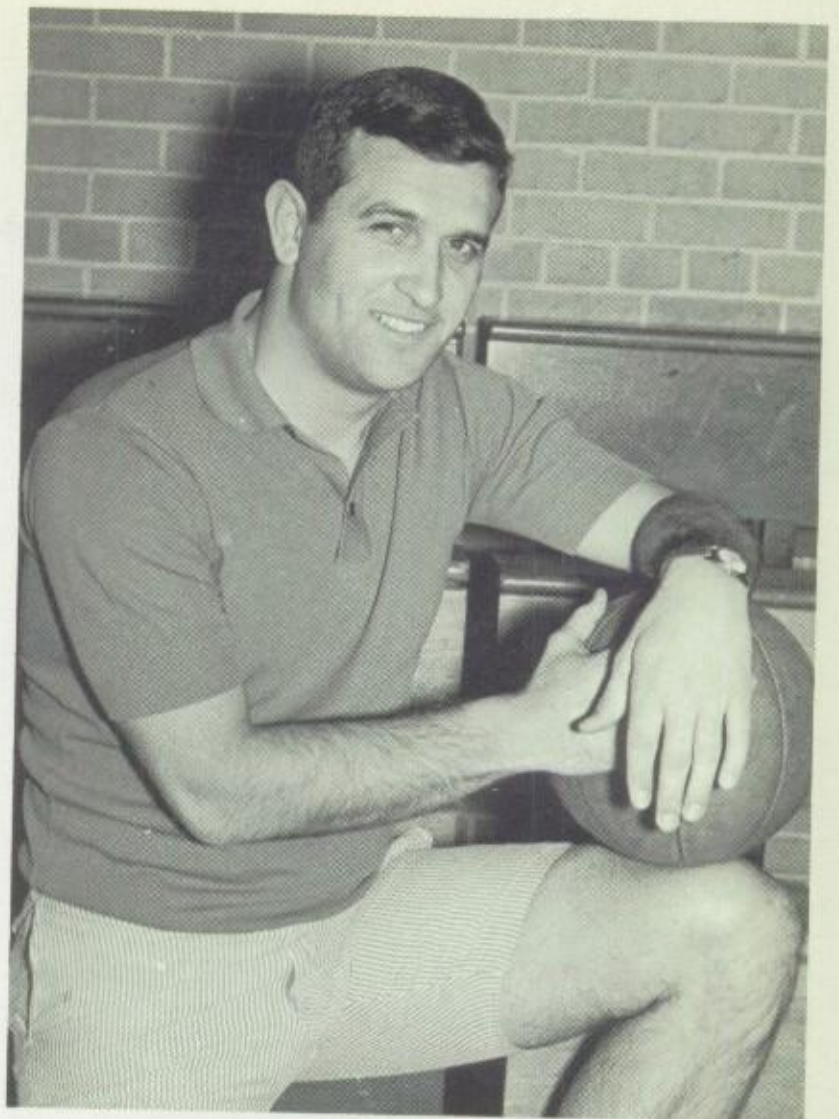

In order to be successful, a team must have leadership and especially poise, pride, and desire. This leadership for the past year has come from Mike Pinkham. Mr. Pinkham has only been here for one year, but his coaching experience has shown to be profitable.

Managers Jeff Brodt, Ronnie Habitzreiter, and Walter Milligan with Coach Mike Pinkham.

T.J. Cindermen Have Outstanding Season

Track is one of the most demanding and least appreciated sports at T.J. It demands the utmost in conditioning and effort in competition. Success requires individual initiative, high goals, dedication, and expert coaching. Coach Kirk and assistant Coach Toombs provided the necessary guidance and instruction, and with the aid of our three returning lettermen, instilled within the team high goals and good sportsmanship.

T.J. trackmen took three first places and one second in the City Track Meet. Finishing in first place were Tom Ball in the mile, Mike Harber in the high jump, and Alan Reichel in the discus. Carl Hamilton finished second in the 880-yard run. The Rebels came in fifth place in the meet. The team then went on to place fourth in the district 6-AAAA meet with 4 3/5 points.

MILITARY

One of the most rewarding experiences of the military is to witness the anticipation, excitement, and happiness of the N.D.C.C. Queen as she is crowned. Besides these social activities, there are lessons in practical knowledge which will help the cadets in the future.

"For Every Action, There is a . . . Reaction"

Colonel Frindell Instructs 13th Battalion

Since becoming commandant of the Thomas Jefferson Cadet Corps after a career in Army Intelligence, Colonel Harold M. Frindell has become a man to be trusted, to be supported, and above all, to be respected by all cadets. His patience, humor, and enthusiasm have placed him first in the minds of the cadets as both a commandant and as a friend. Colonel Frindell has instilled in the cadets a desire to win. For these reasons, the cadets of the 13th Battalion wish to offer their humble thanks to Colonel Frindell—leader of men.

Colonel Harold M. Frindell

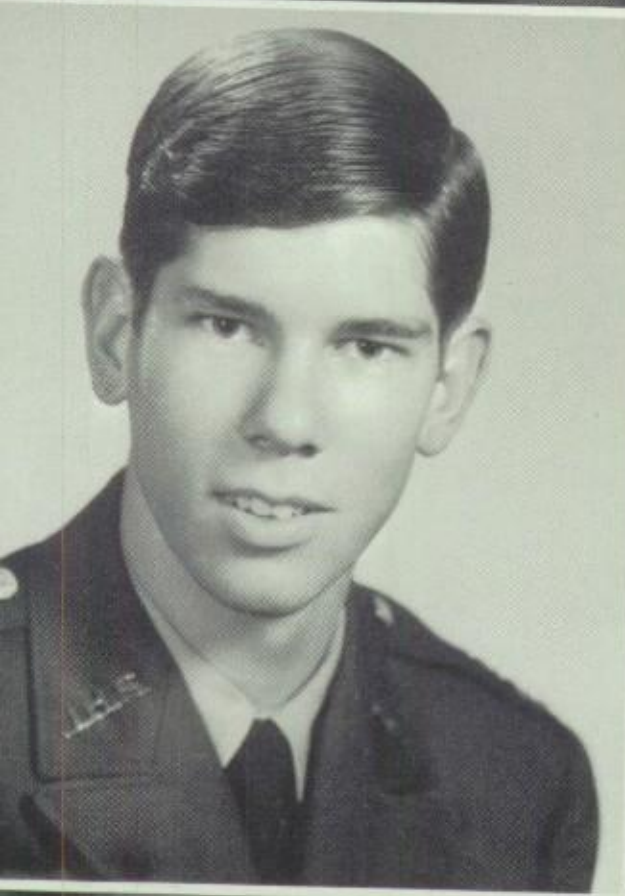

Battalion Staff

Heads Military Corps

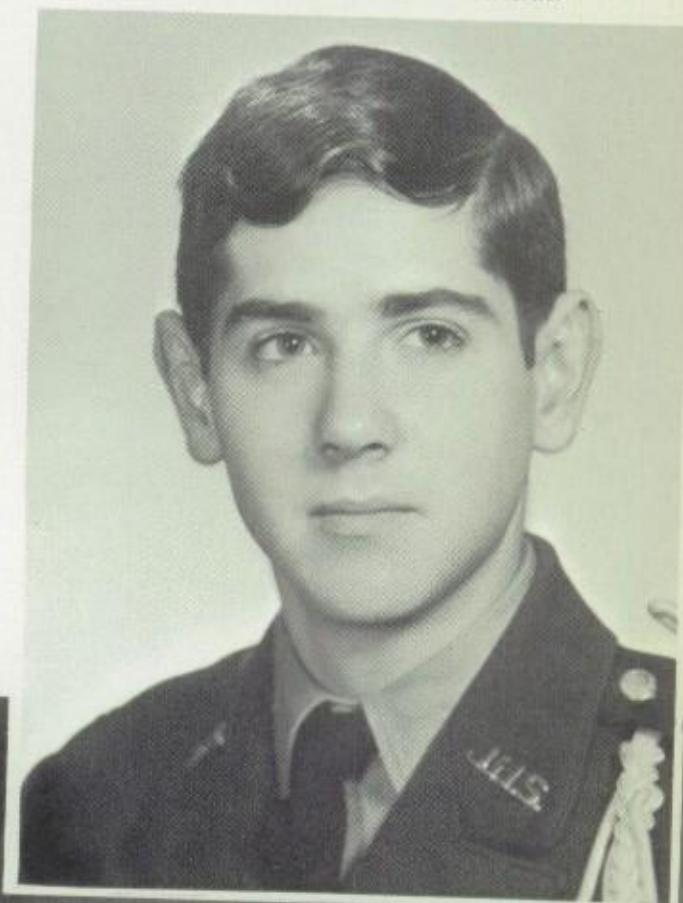

Under the supervision of Colonel Frindell, the Battalion Staff is responsible for the efficient operation of the N.D.C.C. Under the sole responsibility of the commander is the executive officer, who assists the commander in all duties. The s-1, in charge of all personnel, is in charge of merits and demerits and all students' records. The s-2, the public relations officer, provides an article for each edition of the *Reveille*. The s-3, training officer, is in charge of all classes given. The s-4, supply officer, is responsible for maintenance of all government supplies and equipment.

N.D.C.C. Sponsors

Early in the fall, each of the five companies, the staff, military band, and drill team of the N.D.C.C. choose a girl who is to represent them throughout the year. In addition to attending military affairs, each girl attends weekly ceremonies. Finally, in the spring, a military queen is chosen by the corps from the eight sweethearts.

Following the theme of "To Give to the World Our Best," the annual Military Ball was held at Thomas Jefferson on February 26. Amid patriotic decorations of red, white, and blue streamers, the highlight of the evening was the Coronation. From the eight military sponsors, Susan Jordan was chosen to receive the crown from last year's queen, Frae McCloskey. The ball was culminated by the Grand March, led by the reigning queen and her escort.

In March, the eight girls took part in federal inspection, a duty which was their last as sponsors. Besides taking part in the field ceremony, they were also hostesses for the coffee for the inspectors held later that afternoon.

ADVERTISING

Support from the community involves the reaction of the businessmen in Dallas to the action of TJ students. In this relationship of the adult world to the youth, the younger generation is properly illustrated in the buying and selling process by the merchants of Dallas.

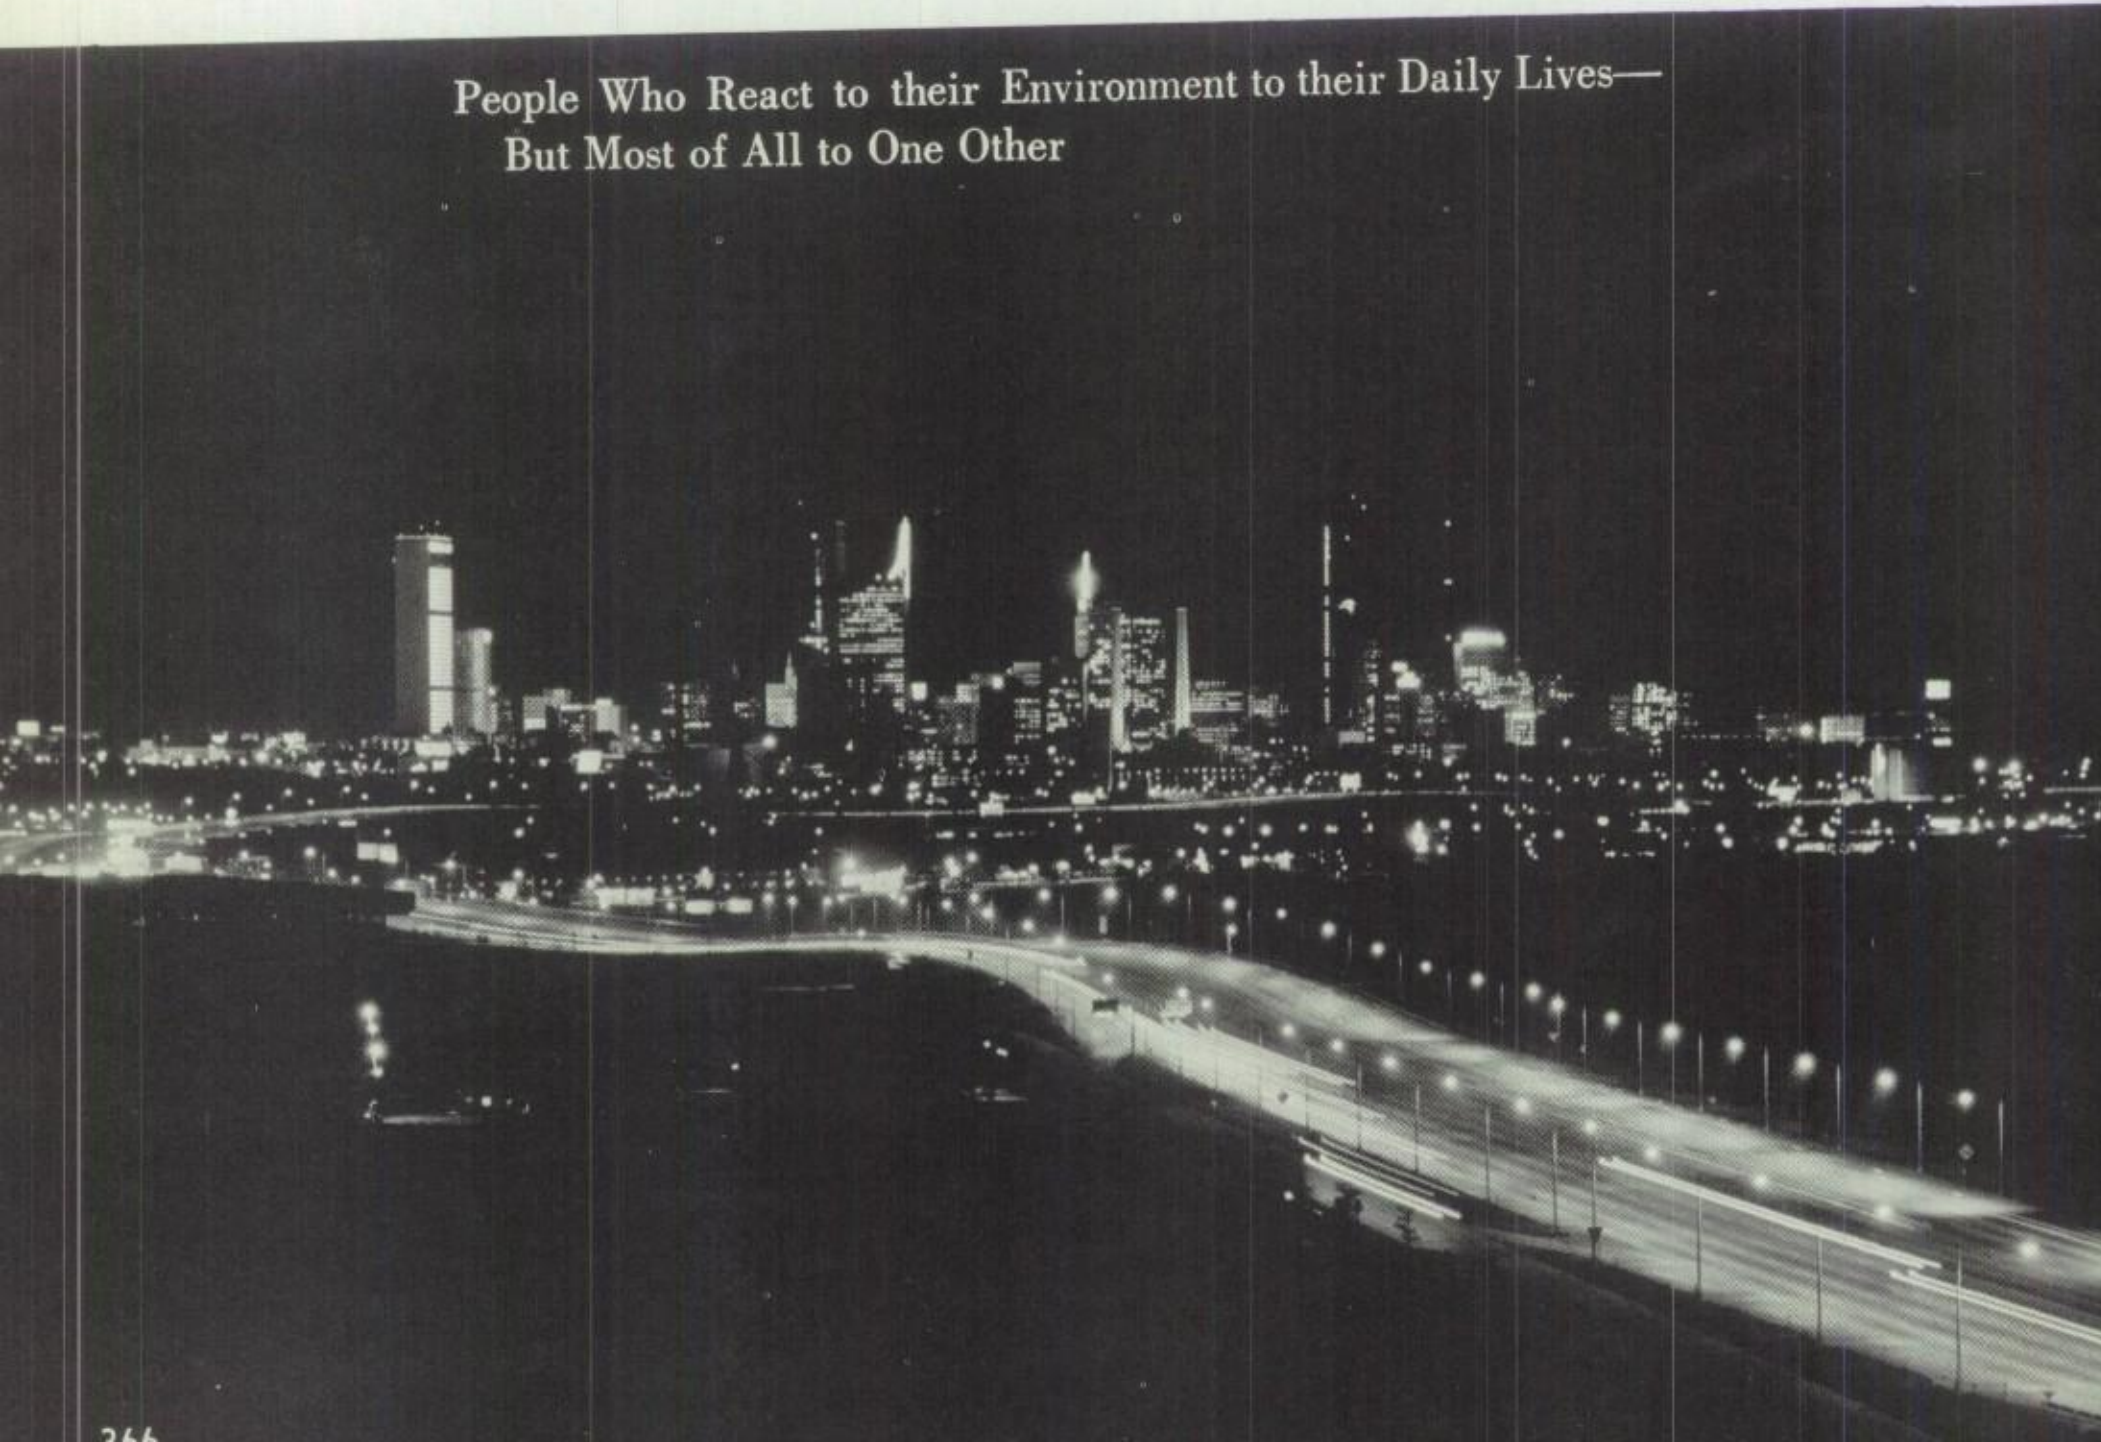

"For Every Action, there is a . . . Reaction."

Like Dallas, TJ is a city of people . . .

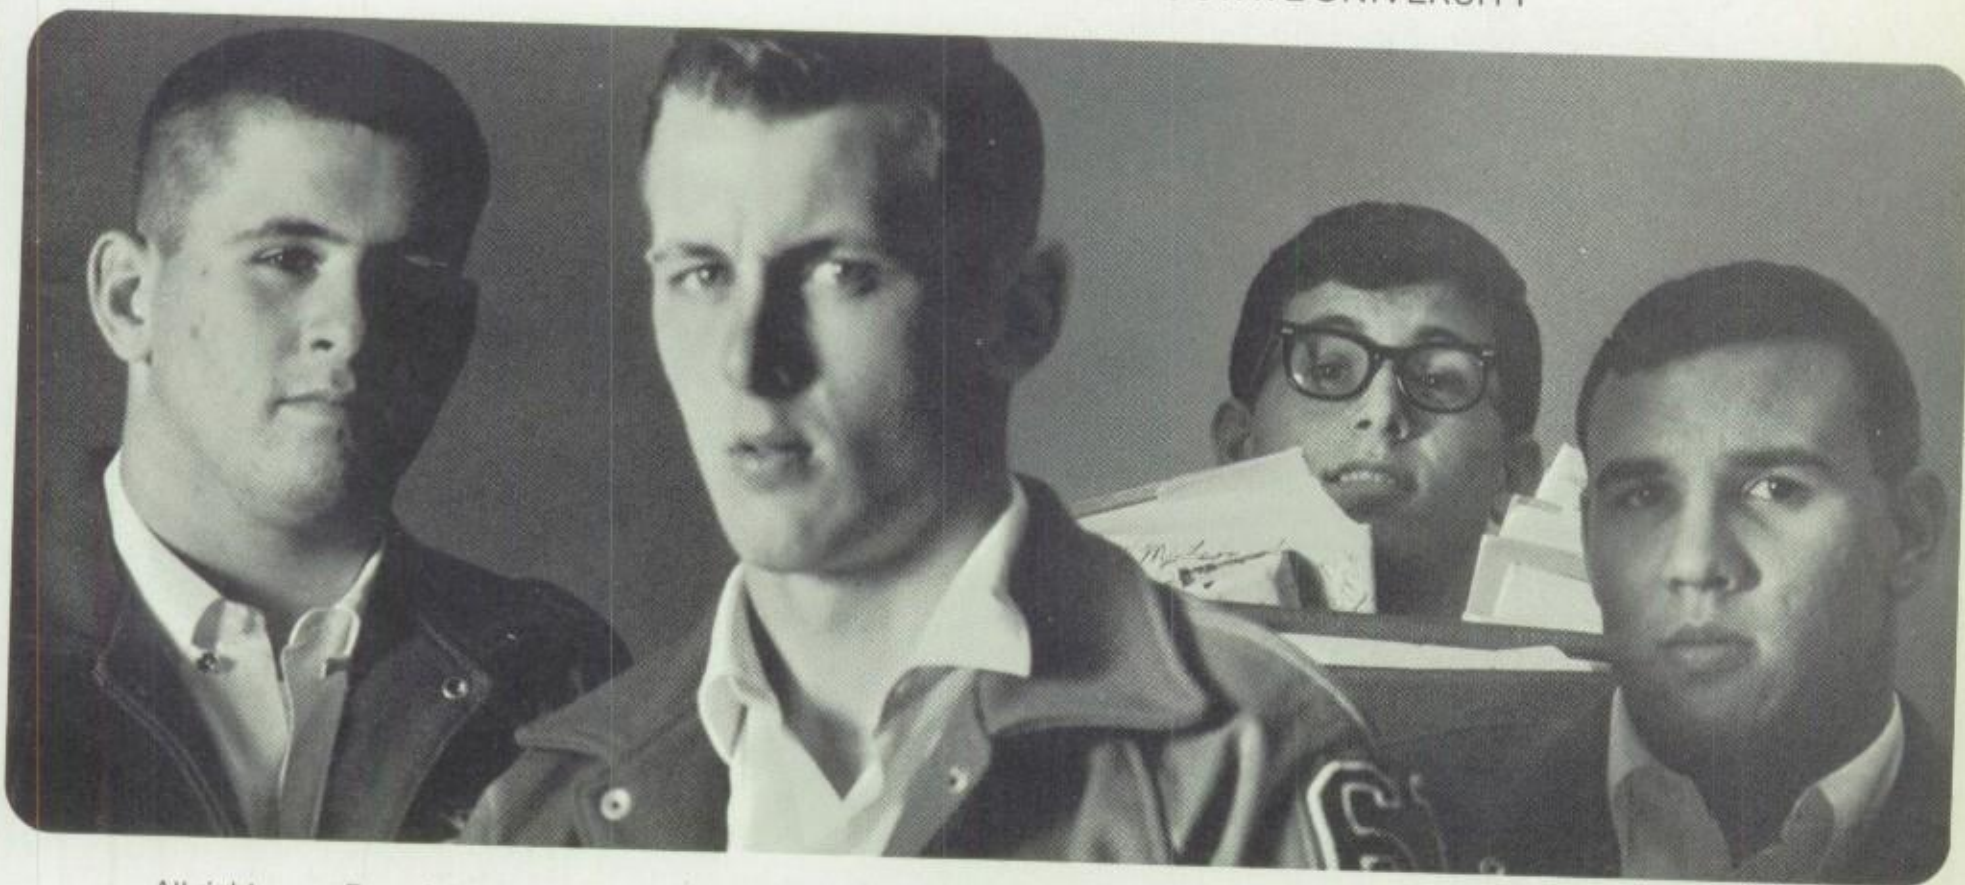

People Who React to their Environment to their Daily Lives—
But Most of All to One Other

MEN. ENLIST NOW.

FOR THE COLLEGE INN AT NORTH TEXAS STATE UNIVERSITY

All right, men. Especially you new men. I'm only going to tell you this once. You're going up to this North Texas State. And it's going to be tough. Real tough. You're going to have classes, tests, books. You're going to need a home base. A place where you can noodle it out. Now men, repeat after me: The College Inn has quiet, private and semi-private rooms and baths. Good chow in its own

cafeteria. Carpets on the floor. Maid service. Air conditioning. That's it. Now, you're going to have fun, too. 'Cause there's a big swimming pool. TV lounge. Recreation room with ping-pong and pool tables. Entertainment area. You can stay at this place for as little as \$82.50 on their payment plan. And it's only a block from the campus. Okay, men, let's hear it for The College Inn. Dismissed.

The College Inn

With Gratitude . . .

To thank all of those individually who have helped to make the 1966 *Document* possible would be an enormous task. Therefore, we express sincere appreciation to all faculty, administration, students, and citizens who have co-operated to produce the *Document*.

Special gratitude goes to:

- Mr. C. C. Smith and Mr. J. H. Malone, for their deep understanding, co-operation, and sincere interest in the *Document* and its staff
- . . . Mrs. Edith Cooper and the office staff, for their full co-operation and patience with the staff
- . . . Mr. John Ramsey, representative from Taylor Publishing Company, for his invaluable assistance and interest in the *Document*
- . . . Mr. Lud Panek, photographer for Gary's Studios, for his marvelous pictures and patience without which the *Document* would have been impossible
- . . . Mr. Jim Murrah, of Browne and Browne Studio, for the lovely photography of beauties and favorites
- . . . E. M. Kahn, for their generous loan of sweaters for the junior class pictures
- . . . Mr. Bill Dana, Mr. Pierce Allman, and Mrs. Francis Marlow, beauty judges, who gave of their time unselfishly
- . . . Mr. Bob Brock, for his assistance in making our beauty tea a special occasion this year
- . . . Six Flags over Texas, for allowing the *Document* staff to use its facilities to take Senior Personality pictures
- . . . Mrs. Maurine Fussell, *Reveille* sponsor, for accompanying us to Six Flags and aiding the staff whenever possible
- . . . *The Dallas Morning News* and the *Dallas Times Herald*, for the use of its sports write-ups and pictures
- . . . Mr. Jim Bolin and Mr. Don Cantrell of Taylor Publishing Company, for their assistance to the staff
- . . . Mrs. Barbara Wood, for her aid in the collection of *Document* sales funds
- . . . Miss Sharon Kimmell, for her wonderful work and deep devotion in sponsoring the 1966 *Document* staff.

**This is Jeruwati Seman. He's 19.
He's never watched television, slept under
an electric blanket, and wouldn't know an
electric food freezer if he saw one.**

And, chances are this college age student in India won't be able to enjoy these things for some time . . . if ever. In his country, electricity is still a luxury. Even though India has tripled its use of electricity in the last ten years, most things are still done by hand. And the standard of living in India, compared to countries who use large amounts of electricity, is still low.

You see, a country's standard of living is closely related to its use of electricity. And the hundreds of mil-

lions of people in the entire nation of India use little more electricity than do the people in *Dallas*!

The abundant supply of low cost electricity in Dallas helps you enjoy a better way of life, every day. Next time you switch on a light or use an electric appliance, remember that much of the world's population still lights with lanterns, and does laundry in a river.

Remember when this was pocket money?

By now you've probably come up in the world. But chances are you're still carrying loose money the way you did way back when.

Ever thought about opening a checking account?

Commonwealth National Bank has one especially for you. It's called a "Cap 'n Gown" account. You get your own personalized checks.

And there are no service charges or minimum balance requirements. We defray the cost by an initial charge of 5¢ per check instead. A minimum quantity of checks is 50 so the cost is \$2.50 plus 5¢ tax.

Come see us. And get a sound start on your financial future...even if you're still in the 50¢ category.

**COMMONWEALTH
NATIONAL BANK OF DALLAS**

Remain.

Dear Betty,
We were thinking
of you and hope you have
a good time and always
in the best of health
and love always.
Your mother

Betty,
Maybe one of these
days I might be
lucky enough to walk
home with you. Good
luck in the future
years.
Love ya,
Vickie
(MINTON)

Betty,
One of the nicest
kids I know. Stay that
way. Best of luck in the
future years.
Bless Love ya
Audrey
you

To Betty,
One of the nicest girls
around. Best of luck
in the future.
Margaret
Bernandez

Betty, give didn't
read nice that we didn't
to too bad classes to get
have any classes to get
year. Maybe next year.
Luck,
Lita
(KEETON)

Betty,
It's been nice knowing you
the past many years.
& hope we spend many more
years together. I ust be
good this summer and
behave yourself.
Love ya,
Vickie
(MINTON)

"If one expects a nation to be both free and ignorant, he ex-
pects what never has been and never will be."
